Prof. Vakil Singh

Date: 13/07/2011

Applications are invited for one mechanic (@ Rs.6000.00 per month consolidated) to work in the DST sponsored research project (P-07/479) entitled '**Effect of surface nanocrystallization on fatigue life of aeronautical alloys: IN718 and Timetal 834**'.

Qualification: Intermediate (10+2) Science with 55% marks, and ITI certificate. The candidate must possess adequate knowledge of machining and maintenance of electrical/electronic equipments. Person with diploma in electrical equipment will be preferred. Age limit is 30 years.

Applications on plain paper giving bio-data along with qualification, working experiences, etc. supported by attested documents should reach, within **10 days** of the advertisement to **Professor Vakil Singh**, Principal Investigator, Department of Metallurgical Engineering, Institute of Technology, Banaras Hindu University, Varanasi-221005.

Note: A relaxation of 5 years in upper age limit will be given to SC/ST candidates. No TA/DA will be paid if called for interview. The post is purely temporary and co-terminus with the project.

Vakil Singh
(Principal Investigator)
