Date-22/03/2011

Applications are invited for one post of Project Fellow(Rs8000 pm fixed) in a UGC sponsored research project entitled "Influence of nitric oxide and salicylic acid signaling on cadmium stress induced oxidative burst and protein profile in rice." for 3 years. The post is purely temporary and co-terminus with the project. A consistently good academic record with atleast 55% marks in M.Sc in Biochemistry or a related discipline of Life sciences. In case of insufficient NET/GATE qualified applicants, other candidates may also be considered. The upper age limit is 40 years for Project Fellow, but a relaxation of 5 years in upper age limit will be given to SC/ST/Physically handicapped/Female candidates. All being equal, SC/ST candidates will be preferred as per GOI rules. Applications on plain paper giving biodata along with qualifications, research experience etc. supported by attested documents and a recent photograph should reach within 21 days of this advertisement to Dr Kavita Shah (PI, UGC project) Biochemistry lab, Mahila Mahavidyalaya, Banaras Hindu University, Varanasi 221005. No TA/DA will be paid, if called for interview. Also visit <http://www.bhu.ac.in> for details.

Dr Kavita Shah
Principal Investigator
UGC Project
