Advertisement for the post of SRF

Applications are invited for the post of one Senior Research Fellow to work in an ICAR funded project entitled "Molecular assessment of microbial diversity and development of location specific biofertilizers for soil health restoration and enhanced crop production in Eastern U.P." @ Rs. 16000.00 pm plus HRA as per rules. The term of appointment will be co-terminus with the period of the project. **Essential qualification:** Candidates should be M. Sc. in Botany/ Biotechnology/Microbiology/Biochemistry with at least 55% marks in the subject. Preference will be given to candidates with work experience in molecular biology/biotechnology. The upper age limit should be 35 years for SRF (5 year relaxation will be given to SC/ST and women candidates). Persons having work experience in relevant area may be given relaxation. All candidates will be interviewed by a duly constituted selection committee. SC/ST candidates will be preferred as per GOI rules. Application on plain paper giving bio-data along with qualifications, work/training experience etc supported by attested copies should be sent to **Professor L.C. Rai (Principal Investigator), Molecular Biology Section, Laboratory of Algal Biology, Department of Botany, Banaras Hindu University, Varanasi-221 005** within 21 days of this advertisement.
