Revised-advertisement

Applications are invited for the post of Junior Research Fellow (JRF) in a SERB-DST sponsored project entitled "**Study on microRNAs involved in breast cancer cells under hypoxic condition**" (BHU Code No. P-07/582) sanctioned for four years. Fellowship will be as per DST norms. The post is purely temporary and co-terminus with the project which is ending on 21st August 2018. The candidate should be M.Sc. in Zoology/Biochemistry/Biotechnology/Life sciences with at least 55% marks (50% in case of SC/ST/PH) and NET/GATE qualified. The upper age limit is 28 years (5 years relaxation for SC/ST, physically handicapped and female candidates). All things being equal, SC/ ST candidates will be preferred as per GOI rules.

Desirable qualification: Experience in molecular biology, mammalian cell culture would be preferred.

Application on Plain paper with biodata along with qualifications supported by attested documents, contact no & email address and detail of any research or other experience etc., if any, should reach to **Dr Biplob Koch**, Principal Investigator, Department of Zoology, Banaras Hindu University, Varanasi-221005 within 21 days of this advertisement on the BHU website.

No TA/DA will be paid if called for interview.
