Applications are invited from highly motivated candidates for the post of Research Associate (RA)/ Senior Research Fellow (SRF) in a CSIR sponsored research project titled "Microbial control of soil respiration and its response to increasing atmospheric temperature and CO₂ level" sanctioned for 3 years. The post is temporary and co-terminus with the project. For RA, the candidates should have M.Sc. in Environmental Science/ Biotechnology/Microbiology with at least 55% marks and PhD in relevant area with research publications in standard refereed journals and age below 35 years. For SRF, the candidates should have M.Sc. in above mentioned subjects with at least 55% marks and at least 2 years of post MSc research experience as evidenced from published papers in standard refereed journals and age below 32 years. Age relaxation is applicable to SC/ST/OBC/Women and physically handicapped candidates as per CSIR norms. All things being equal, SC/ST candidates will preferred as per GOI rules.

Research experience in molecular ecology and rhizosphere biology would be desirable. Application on plain paper with complete biodata along with qualifications and research experience supported by attested documents, reprints of publications, a recent passport size photograph, contact no. & email ID etc., should reach to Dr. P.C. Abhilash, Principal Investigator, Institute of Environment & Sustainable Development, Banaras Hindu University, Varanasi-221005 within 14 days of this advertisement, along with a soft copy to: pcabhilash@hotmail.com; pca.iesd@bhu.ac.in

No TA/DA will be paid if called for interview

(P.C. Abhilash)
