**DEPARTMENT OF BIOCHEMISTRY**  
**Advertisement**

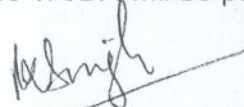

Applications are invited for the post of a JRF/SRF/RA in a CSIR sponsored scheme entitled "Identification and characterization of Urinary Leishmanial Antigens (ULAs) for their prophylactic potential" sanctioned for a period of 3 years effective from April 01, 2008. Monthly stipend will be as per the rules of CSIR. The post is purely temporary and coterminous with the project.

**Qualifications:** The candidate should have a consistent good academic record with M.Sc. in Biochemistry/Biotechnology/Life Sciences/Zoology or related subjects with 55% marks and NET/GATE qualified (For JRF), or 2 years of post-M.Sc. research experiences in relevant field of project (as evidenced by published papers in standard refereed journals) with M.Sc in above subjects with 55% marks (For SRF) and Ph.D in Biochemistry/Biotechnology/Life Sciences or related subjects with research experience in the relevant field (RA). The upper age limits are 28, 32, 35 years for JRF, SRF and RA, respectively. A relaxation of 5 years upper age limit will be given to SC/ST/Physically Handicapped/Female candidates. Knowledge of techniques in proteomics, immunology and molecular biology will be added advantage. All things being equal, SC/ST candidates will be preferred as per GOI rules.

**Application on plain paper** giving bio-data along with qualifications, research experiences, etc. supported by attested copies of mark sheets (class 10 onwards), certificates, a recent passport size photograph, should reach within 45 days of this advertisement to
