Applications are invited for the post of a **Senior Research Fellow** with a fellowship of Rs.18,000/- per month (1st & 2nd years) and Rs.20,000/- per month (3rd year) + admissible HRA in an **ICMR sponsored project** (P-14/251) entitled “Localization and expression of orexin A (OXA) and its receptor during postnatal development in mouse testis, and role of OXA in testicular functions” sanctioned for a duration of only up to 24th May 2017. The post is purely temporary and co-terminus with the project.

The applicants should have good academic record with M. Sc. in Zoology or related subjects with a minimum of **two years** research experience. Candidates having working experience with laboratory mice, cell culture and molecular work will be preferred. The upper age limit is 32 years which is relaxable up to 5 years for SC/ST and women candidates. All things being equal, SC/ST candidates will be preferred as per GOI rules.

Applications on plain paper with complete bio-data including email id and telephone numbers for communication, attested copies of certificates, mark sheets (class 10 onwards), details of research experience and a recent passport-size photograph should reach within 10 days of this advertisement on BHU website to **Professor Shio Kumar Singh, Principal Investigator, Department of Zoology, Faculty of Science, Banaras Hindu University, Varanasi – 221 005.**

No TA/DA will be paid if called for interview.
