

Man has squeezed earth dry : Expert

Eminent environmental scientist Prof K P Singh, on 27 February, said overexploitation of natural resources was posing serious problems for mankind. He was addressing the inaugural function of a two day National Science Day Programme organised by the School of Biotechnology in the Science Faculty.

He remarked about the discovery of Raman Effect by the late Prof C V Raman. He said the temperature had increased by 6 degree Celsius due to global warming in the last 50 years. Lack of awareness and population explosion were the main reasons for such problems, he said. He also talked about deforestation, bio-diversity, the adverse effect of pesticides and global warming at length.

He asked students to extend support to conservation efforts and stressed the need for steps to check overexploitation of natural resources.

Earlier, Prof Ashok Kumar, Coordinator, School of Biotechnology welcomed the guests.

Prof B D Singh introduced the theme of the programme. Institute of Technology Director Prof S N Upadhyay and Science Faculty Dean Prof P Chandra also addressed the inaugural function. Prof Anil Kumar Tripathi proposed the vote of thanks.

Over 200 students of 13 city schools participated in the programme. Most of them displayed models and posters on the environment. A large number of posters and models suggested ways to avoid environmental problems.

Spandan'06 enthralls

Students of various faculties and colleges presented a number of mesmerizing cultural programmes and won the hearts of the audience during the five-day inter-faculty youth festival 'Spandan-06' here in Banaras Hindu University on 6th February. In the solo song category, Amrit Kumar of DAV Degree College rendered

'*Muhabbatein Lutaunga*' whereas Shobhna Chakravorty of the Arts Faculty rendered '*Aye Nazni Suno Na*.' Cheers greeted the song '*Babu ji Dhire Chalna Pyar Mein Zara Sambhalna*' by Payal Bannerjee of the Education Faculty. Mrinal of the Institute of Technology rendered '*Wo Lamhe Wo Yadein Koin Na Jane*' while Suraj Singh of the Faculty of Management Studies rendered '*Iss Tarah Ashiqui Ka Asar Chhod Jaunga*.'

In the duet category, Purnima Singh and Bhagirath Jalan of the Commerce Faculty presented '*Sathiya Tune Kya Kiya*' and won applause. Anupriya Chatterjee and Lovli Bhattacharya presented '*Tumko Piya Dil Diya, Bade Naaz Se*' whereas Sudhanshu Mishra and Suyesh Kumar of the Institute of technology rendered the toe tapping number '*Kajrare-Kajrare Tere Kare Kare Naina*.'

The students also participated in a short play competition which was based on 'corruption' and '*Mungeri Lal Ke Haseen Sapne*.' A debate was held at the Arts Faculty auditorium.

India on the Silk Road

A two day International seminar on Indian on the Silk Route was organized by the Dept of Foreign Languages and the BJK Institute of Buddhist and Asian Studies on February 27 to 28. It was attended by 17 eminent scholars from Japan, China, Belgium and France as well as from different parts of India. The seminar was inaugurated by Prof S L Jain, Dean, Faculty of Arts and was presided by Prof T K Biswas, Director, Bharat Kala Bhavan. Participants were welcomed by Dr Vinodanand Tiwari, Head of Foreign Languages Dept Prof Kamal Sheel, convener of the seminar, at the outset highlighted the importance of research on the Silk road and its continued importance for India.

It was the conduit for the flow of ideas and material goods between India and China and also rest of Asia. It historically established the international image of India. In his keynote address, Prof Eiichi Ishigami of Tokyo University highlighted Japan's linkages with the Silk Road and exhibited materials preserved in Imperial museum. Prof Vanput of Belgium discussed Xuan Zang's trip to Nalanda. Prof Vershauer (France) examined the impact of Silk Road on Japan. Among other significant papers were those by Prof Fujia Reio (Kyushu), Matsukubo Shyin (Nara), K Sugimoto (Osaka), Prof C Willemen (Royal Academy, Belgium), Prof Ghoble, Prof Rajiv Sinha, Dr Supriya Rai, Dr Pandit, etc. In his valedictory address, Prof H P Ray of Asiatic Society, Kolkata drew attention to the Northeastern portion of the Silk Road and its historical and present importance. Dr Lalji proposed vote of thanks.

Stress for geriatric care

Delivering the SM Marwah Oration on the inaugural function of a two-day Continuing Medical Education (CME) on 'Health Care of Elderly' at K N Udupa auditorium on 22 February. Head of the geriatric unit in the All India Institute of Medical Sciences (New Delhi) Prof A B Dey said, "Old age is not a curse but could prove to be a boon if your approach is positive."

The Medicine Department of the Institute of Medical Sciences has organised the programme in collaboration with the World Health Organization and Government of India.

Prof Dey said that adequate preventive measures were required after the age of 60 to live a cheerful old age. He said that generally old age was considered a curse because of various health and psychological complications but proper health assistance and a positive approach could change the phenomenon." We in India do not plan for our older life and that causes enormous difficulties," he said, advocating adequate old age plans to counter various problems, including a provision of medical expenditure for old age.

"In India, two out of three persons above the age of 60 are striving for survival whereas 87 per cent aged people suffer from acute problems of some kind", he said, adding that older people had common illnesses in large numbers.

He informed that blindness, deafness, arthritis, osteoporosis, generative diseases, mental ill health, decline in sensory system and metabolic syndrome were most common among people above the age of 60 in India. Earlier, Vice-Chancellor Prof Panjab Singh inaugurated the programme.

NAAC delegation

A twelve member delegation of National Assessment and Accreditation Council (NAAC) was on a four-day visit to the Banaras Hindu University to assess the academic standard of this University.

Headed by a former vice chancellor of Pune University, Prof. Ashok S Kolhaskar, the NAAC delegation landed in BHU on 24 April and stayed till 27th April.

Prof Ashok S Kolhaskar, Prof B M Hegde and Prof S C Shetty were in 'A' team whereas Prof I V Subbarao and Prof B L Singhania were in 'B' team. Prof B Ramamurti, Prof Vishwanath N Das and Prof A Q Contractor were in 'C' team Prof C Thangamuttu, Prof Sharmishtha Panja, Prof Jagdish C Bhatia and Prof Ranveer Singh were in the 'D' team.

Infant mortality rate high in India

More than 9 million neo-natal deaths occurred each year across the world, out of which 98 per cent were reported in developing countries alone, said Head of the Pediatrics Department in the Institute of Medical Sciences (IMS), Prof B D Bhatia.

Speaking on the inauguration of an advanced neo natal intensive care unit at Sir Sunderlal Hospital in BHU on 22 February, Prof Bhatia highlighted infant mortality across the world.

He said that about 34 of every 1000 live born babies suffered neo-natal death (from birth to one month). "Neo-natal deaths account for two-third of deaths in infancy and 40 percent of deaths before the age of 5 years," he said, adding that the major causes of neo-natal death were infections, preterm delivery and asphyxia, "Important indirect causes include low birth weight and hypothermia." Prof Bhatia said that the newly established neo natal intensive care

unit comprised of advanced equipment to extend facilities of artificial ventilator support, warmers, syringe pumps, photo-therapy, monitors etc.

He said that they would admit the newly born babies within 28 days of their birth. "There are 25 beds for newly born babies and 5 for their mothers.

The unit has been established with a sum of more than Rs.30 lakh," he informed. Addressing the gathering, BHU Vice-Chancellor Prof Panjab Singh, who inaugurated the unit, expressed the hope that the neo-natal care unit would serve the masses and help in bringing down infant mortality. IMS Director Prof Gajendra Singh expressed concern over the infant mortality rate across the country in general and in Uttar Pradesh in Particular. Prof Singh also promised to extend financial support of Rs.30 lakh for establishing pediatric emergency and intensive care unit.

Evening clinic begins

Authorities of the Banaras Hindu University introduced the much awaited 'evening clinic' at the Sir Sunderlal Hospital from 15 July evening.

Vice Chancellor Prof Panjab Singh inaugurated clinic and lauded efforts of the authorities of the SS Hospital affiliated to the Institute of Medical Sciences in patient care.

Prof Panjab Singh said services at the SS Hospital were being improved and the prestigious hospital would soon be equipped with a 'Hospital Information System' (HIS).

The 'Evening Clinic' would now run from 4.30pm to 6.30pm (except Sunday and holidays) in the out patient department (OPD) ward of the Hospital in which expert consultants of IMS-BHU would render their services to the needy.

Patients will have to pay Rs.200 to get themselves diagnosed by senior consultants. Around 24 expert consultants would render their services at the clinic and each would diagnose a maximum of 25 patients per day.

Director of Institute of Medical Sciences, Prof Gajendra Singh welcomed the guests and highlighted the facilities of the evening clinic. Deputy Registrar M R Pathak conducted the programmed and Medical Superintendent of SS Hospital, Prof Saroj Churamani Gopal proposed a formal vote of thanks.

Around 15 crore populace of Eastern Uttar Pradesh, some parts of Bihar, Jharkhand, Madhya Pradesh and Chattisgarh get benefitted by the services of the BHU hospital.

The Cabinet Committee on Economic Affairs

had approved the proposal to accord AIIMS status to 13 medical institutes including Institute of Medical Sciences-Banaras Hindu University across the country at a cost of Rs.15.6 billion, recently.

Ganges Civilization

A seminar on Studies on the 'Ganges Civilization', Shifting Paradigm was organised by Department of Ancient Indian History, Culture & Archeology on 10-12 February. It was concluded that much data has been added to the history and archaeology of the Gangetic Plain since Sir Mortimer Wheeler first used the term the 'Ganges Civilization'. New dimensions have been added to the history of cultures of the Ganga Plain. The dynamics of Interpretations of historical events and processes of cultural development have acquired new angles with availability of ever increasing evidence as a consequence of researches going on in the region. New chronologies have been located adding to the knowledge of cultures of the Ganga Plain. Influx of the Harappan tradition in the Ganga Plain away from its epicentre has been testified in a positive way. These facts and many more call for a fresh look at the pattern of growth of cultures in Gangetic Plain. Fresh paradigms of cultural interpretations have also emerged.

The seminar proposed to underline all the important issues of culture and archaeology of the Ganga Plain. Some of the broad themes identified as under:

1. Socio-Economic and Religious dimensions of cultures of the Gangetic Plain.
2. Contributions of Epigraphy, Palaeography and Numismatic studies

3. Art and Architecture
 4. Science & Technology: Recent Re-researches
 5. Archaeology of the Ganga Plain: New Perspectives
 6. Chronology of Cultures of Ganga Plain.
- The convener of the Programme Prof Vibha Tripathi (HOD) proposed vote of thanks.

Kulgeet on CD

BHU Kulgeet, written by Prof S S Bhatnagar and composed by Pt. Omkar Nath Thakur is a pride of University. Almost all the functions, seminars, workshops etc. in any department of University start with Kulgeet.

The audio CD of Kulgeet was needed since long. In July'05 the staff and students of Vocal Music Department, Faculty of Performing Arts prepared a CD and it was released by Hon'ble Vice Chancellor Prof Panjab Singh. The CD contains : (a) Kulgeet sung by Girls group so that the girls students of BHU can sing with CD and learn it (b) Kulgeet sung by Boys group so that the boys students of BHU can sing with CD and learn it (c) Kulgeet in mixed voice (for presentation in any seminar or so). Mahamana's two bhajans : 1-Sab Devan ke Dev Prabhu, 2-Ghat-Ghat Vyapak Ram. Two prayers of Performing Arts : 1-Yajurveda's six Shivsankalpa shlokas 2-Racha Prabhu. In the end the National Anthem 'Jana Gana Mana' is also presented.

The CD was directed by HOD Dr Archana Dixit, Dr K Shashi Kumar, Dr Sangeeta Pandit & Mr. Vijaya Kapoor, Mr Vinod Lele & Mr Santosh Mishra and some students of vocal department actively cooperated. It is available on payment of Rs 60 from the sale counter of Publication Cell.

Placement in Geophysics

Department of Geophysics, is offering MSc (Tech) Geophysics courses of three years duration in the Exploration Geophysics and Meteorology. In each academic session 22 students (15 in Exploration Geophysics and 07 in Meteorology) are admitted for the courses. Since last two years through campus interview about 70% students were selected, by different organisation. Total number of students in both specialization are 17 for the current session. The employment position for the session 2005-06 at the end of March 06 is given below:

- ONGC - 7 in the scale of Rs. 12000-17500
- CGG - 2 Rs.5 lacs/annum
- Reliance - 1 Rs.5.5 lacs/annum DBM
- Geotech - 1 Rs.1.8 lacs/annum
- Oil com. - 2 Rs.1.56 lacs/annum

In addition two students were awarded Junior Research Fellowship to work at Indian Institute of Tropical Meteorology, Pune.

NCC training compulsory

Rector of Banaras Hindu University, Prof S Lele has said that the need of the hour was to make National Cadet Corps training compulsory at school and college level across the country. He was addressing the inaugural function of a ten-day seminar-cum-workshop of associate NCC officers (ANOs) at law faculty on 18 June. NCC Group 'A' of BHU has organised the ten-day training programme.

Prof Lele said that the training of NCC inculcate a sense of discipline and thus leads one to the path of progress and development. He also highlighted the role of NCC in the development of the country. He said that formal education along with training of NCC could extract the hidden qualities of students.

Group Commander Colonel VC Joshi exhorted the ANOs to take full advantage of this workshop. A wide-range discussion on contemporary political scenario of the country and ensuing capitalistic approach across the country was also held in the workshop. Prof S S Pandey presided over the technical session whereas Prof Asha Ram Tripathi conducted the programme. Prof V K Kumra, Colonel D C Upadhyay, Colonel K K Singh, Captain R K Pandey and Captain Asgar Ali Ansari were among other prominent persons present on the occasion.

Around 75 selected NCC officers from 14 Group Headquarters of Uttar Pradesh and Uttaranchal participated in training programme. Deputy Director general (NCC) of UP, Brigadier DN Verma was the chief guest of the valedictory function of June 27.

Foundation Day of BHU celebrated

With the celebration of its Foundation Day in traditional style on the auspicious occasion of Basant Panchami on 4th February, Banaras Hindu University entered the centenary decade and on the occasion several functions were organized in the university, other educational institutes and places in this holy city.

Use religion to bring peace

Religion is as important for Varanasi as life and we need to use religion for bringing peace rather than to spread violence. Interfaith dialogue and discussions are important to know the ways in which religions are used to spread violence and not peace. Varanasi is known for respecting sentiments between traditional and modern thinking on social conditions. This was suggested at an international training workshop on 'Crafting peace through citizen's or multitrack diplomacy' concluded at the Malaviya Centre for Peace Research on 27 March. The workshop was led by an eminent scholar and practitioner of conflict resolution Dr. John Davies, the Director of the Centre for International Development and Conflict Management at the University of Maryland, USA. The three level in the workshop started with identifying needs, fears and concerns of citizens in a conflict-torn societies.

The workshop highlighted the promotion of self-restraint, disbelief in rumours, not passing on the rumours, restraint to be observed by political parties. The need to strengthen security mechanism, emergency health services, upgrade first aid facilities in public places, install closed circuit cameras in sensitive areas, ensure security response do not disrupt public life was also highlighted.

Leaders of both parties in conflict should issue joint statement. The society at Varanasi needs more peace volunteers for conflict management and in this hour of grief the victims need fair distribution of relief in which NGOs can actively participate. The role of media should be to bridge the communication gap and to convey the truth about what is happening not rumours to promote peace in a conflict-torn city. Reform in administrative levels is the need of hour to encourage people for better reporting joint music concerts need to be organised and common platform for all is needed to meet, negotiate and promote communal harmony. With traditional media help organising of street plays across the city on the crisis situation can promote sustaining

In Banaras Hindu University, as per the tradition, the Vice-Chancellor Prof Panjab Singh offered prayer at the Goddess Saraswati idol at university foundation site in the morning and then he reached Women's College to see the ongoing Basant Panchami festival.

Later, the Vice-Chancellor reached the Triveni Complex and inaugurated 50 room fourth unit of the complex-Kaveri Hostel in which 100 girls would be accommodated by the University.

peace at Varanasi. The workshop also suggested an expansion and strengthening peace communities to promote public vigilance in reporting suspicious acts and activities. Varanasi needs more peace march of intellectual and other communities for faith in the society. Promote role of women in peace making.

In the long run reforms in the social and religious setting were suggested through educational measures. Education reforms are needed to promote respect for human values, shared cultures and coexistence. Critical thinking of such Saints Kabir and Buddha will be useful to the people of city to identify issues that create disharmony among various groups so that they will help others rather than blaming. There was consensus that culture of blame needs to be discouraged and we need to understand the motives behind violent incidents and also need to understand why people choose violence to promote change. In the aftermath of globalisation the people are moving towards consumerism, materialism and the culture of get rich quicker in Varanasi that should be discouraged to make people-friendly.

They should also take some self responsibilities to promote peace forgetting their grief. Special consideration should be given to the reasoning behind actions of those most affected and most vulnerable. Marginalised people need to be brought into mainstream economically and socially and they need to be made aware about the disadvantage of the violence. Caste domination was criticised and change feudal and patriarchal mindset was argued.

In the valedictory function, the Dean Prof P N Pandey thanked the centre for holding such workshop, while Prof Priyanka Upadhyay, Coordinator of centre concluded the seminar.

IMS plans expansion

The Faculty of Ayurveda, under its expansion plan is going to build a new 125 bedded hospital on the campus. The dean, Prof Manjari Dwivedi said that the ayurveda faculty, which consists of eight academic departments and 15 degree giving divisions, is going to expand its strength and activities. The creation of six new departments was under process and it was expected that the President of India, would give his approval soon. A team of Central Council of Indian Medicine had visited to take stock of the available facilities.

Emphasis was on the 'ksharsutra therapy,' developed by this faculty to treat the patients of ano-rectal disease. About 10000 patients including foreigners were treated every year with this therapy, she said. Dravya-gun department of the faculty has a nursery of rare medicinal plants and herbs. The ayurvedic pharmacy is also gearing up to increase the production and sale of ayurvedic medicines, said. National Botanical Research Institute has given an order of the supply of ayurvedic medicines worth of Rs.90000.

Good news for those looking for a mix of ayurvedic medication supported with yoga and meditation to get rid of physical as well as mental problems. Banaras Hindu University plans to soon offer these facilities.

The Faculty of Ayurveda, Institute of Medical Sciences in collaboration with the tourism department plans to introduce a unique concept of 'medical tourism' by offering different healing packages. Prof Manjari Dwivedi, the Dean of Ayurveda Faculty, said that 'the state government had sanctioned a fund of Rs.3.5 crore for the establishment of an advanced centre of Ayurveda combined with yoga and meditation. We will offer ayurvedic health packages ranging from one week to several months depending on the type and condition of the ailments.' Dwivedi added that the people suffering from different chronic diseases would be treated at this centre.

She said that the proposed centre of ayurveda and yoga would have all necessary components including 'panchkarma and meditation' to cure all chronic diseases. Besides, it would also help in removing the misconception or wrong information about ayurvedic treatment from peoples mind. She added that it would also be instrumental in promoting the concept of 'medical tourism'

Railway Reservation Counter Inaugurated

Vice-Chancellor of the Banaras Hindu University Prof Panjab Singh inaugurated a newly set up railway reservation counter in the BHU, here on 14 June. The railway reservation counter is set up near the gate of the New Medical Enclave. Divisional Railway Manager of Northern Railway RK Gupta assured support from the railways for a smooth functioning of the reservation counter. Dean of the Students, Prof V K Kumra welcomed the guests, Senior Divisional Commercial Manager of Northern Railway, Alok Sharma, CSR Sri Ratnesh Verma and CSR (Vns) Sri SS Lal, BHU Executive Council member, Dr Satya Deo Singh, Prof AK Srivastava, Prof HN Prasad and Controller of Examination, Dr KP Upadhyay were present.

US Air Force Grant

Asian office of US Air Force Research Development has sanctioned a project grant of \$23160.0 per year for the period of three years. Dr V K Srivastava, Project Leader, Department of Mechanical Engineering, Institute of Technology, BHU will study the effect of aggressive environment on high temperature ceramic composites, which is one of the core materials for the application in space aircraft. Dr Srivastava has already operated various International project for the development of high temperature composites.

Help Counter

As a welcome gesture, retired teachers of university managed a help counter every day at the university main gate during entire period of entrance examination in May-June to guide student's parents reaching entrance exam centre. They were: Prof MC Bijawat, Prof ML Gupta, Prof HP Agarwal, Prof R N Srivastava, Prof RR Tripathi, Prof BKD Agarwal, Prof PK Disat and Prof PN Somani.

IT-BHU shines at Technex 2006

Students of the Institute of Technology, Banaras Hindu University won maximum competitions in technical festival 'Technex-06' at Swatantrata Bhawan in BHU on 12 February. A third year student of IT-BHU Manoj Pawar won the Panchatantrika Round and bagged a lap-top. Anurag Bannerjee and Gaurav Basu of Amity School (NOIDA) won the Redesigning Banaras competition whereas IT-BHU's team stood second in this event. All the three-events of Robo-wars also went to the students of IT-BHU. Varun Vadhvani, Ankit Gupta and Shyam Sunder; all students of IT-BHU, won the Ergonomics event. IT-BHU bagged the first prize in the model

competition and the National Institute of Technology (Surat) stood second in this event. Boys High School (Allahabad) won the Bal Vigyan event whereas Kendriya Vidyalaya (BHU) and Sunbeam School (Lahartara) finished second and third respectively. Earlier amazing laser show was organized at Swatantrata Bhawan on 11th February late in the evening. Numerous images including flower, fist, girl and boy were displayed in the sky with the help of laser beams. The students were captivated by the show.

Importance of systems biology

"Systems Biology is an emerging field which integrates biological experiments with large scale data analysis and quantitative modelling" said prof Ramakrishna Ramaswamy of School of Information and Technology, Jawaharlal Nehru University (New Delhi).

Delivering the inaugural address of a three day national seminar and workshop on 'Bioinformatics and Computational Biology' at Mahila Mahavidyalaya on 23 March, he said that the main feature of systems biology was quantification. "Its focus is on systems that are composed molecular components. Although systems are composed of matter; the emphasis of this very field lies in dynamics such as cellular metabolism or interconnections", he said. He also talked about different networks, importance of networks, systems biology of cancer and also the possible designing of drugs.

"Understanding some elements such as structure of the systems (gene regulatory and biochemical networks as well as physical structures), dynamics of the system (both qualitative and quantitative analysis), this actually gives construction of the theory, model with powerful prediction capability), control methods of system and design method of the system (this brings engineers and biologists to work together) etc. are very necessary", he said.

Prof Ramaswamy also discussed chemical interaction in a system such as protein-gene interaction, protein-protein interaction and genome etc. he said that the connectivities and topologies of the network determined their properties. Seminar convener Prof Uma Jaiswal established the theme of the seminar and said that applying network methods to information and metabolomics that could help in analyzing growing databanks for pathogens, plant and animals.

Principal of Mahila Mahavidyalaya Prof Sushila Singh welcomed the guests and BHU Rector Prof S Lele presided over the inaugural function. Organising secretary of the seminar Dr. Swati proposed the vote of thanks. Later, discussion on "Molecular Mechanism of Mutation and Cancer: A Quantum Chemical Approach", 'Large Non Coding Transcripts in Eukaryotes are not products of Junk or Selfish Genes', 'Signal Processing and Genome Analysis' were also held in the seminar.

वास्तविक रंग में रंगा विश्वविद्यालय

वस्तु आगमन के एहसास के बीच 3 फरवरी को विभिन्न शिक्षण संस्थाओं में मां सरस्वती का पूजन विधि-विधान के साथ हुआ। इस मौके पर सांस्कृतिक कार्यक्रम और प्रतियोगिताएं भी हुईं। बीएचयू में इस मौके पर स्थापना दिवस समारोह भी आयोजित हुआ। बीएचयू परिसर वास्तविक उत्सवों में डूबा रहा। विश्वविद्यालय स्थापना स्थल की नींव पूज कर कुलपति प्रो. पंजाब सिंह ने महामना के समने को साकार करने का संकल्प लिया। उन्होंने वाग्देवी के मंदिर में आराधना भी की। प्रो. हृदय रंजन शर्मा, प्रो. बाल शास्त्री, डा. नेन्द्र दत्त तिवारी आदि ने वैदिक ऋचाओं के संचर पाठ के साथ अनुष्ठान पूरा कराया। मौके पर रेक्टर प्रो. श्रीकांत लेले, छात्र अधिष्ठाता प्रो. वी के कुमार, पूर्व छात्र अधिष्ठाता प्रो. अमय कुमार श्रीवास्तव, प्रो. सुशीला सिंह आदि मौजूद थे।

इसके उपरांत त्रिवेणी संकुल में आयोजित मां वाग्देवी पूजन महात्सव में कुलपति ने सपत्निक शिरकत की जहां चार अलग-अलग प्रतिभागों स्थापित थीं। यहां संकुल की समन्वयक डा. उषा सिंह, डा. अर्चना कुमार, डा. प्रियंका गीते, डा. सुनीता सिंह, डा. उर्मिला श्रीवास्तव, डा. मीनल मिश्रा, डा. सर्वनी सान्याल, डा. अर्चना शर्मा, डा. नेहा काला आदि शिक्षिकाओं सहित सैकड़ों छात्रों वास्तविक रंग के परिधान में मौजूद थीं। विश्वविद्यालय के ज्यादातर छात्रावासों में मां सरस्वती पूजनोत्सव की गूंज सुनाई पड़ी।

रूइया (संस्कृत ब्लाक) हास्टल में परम्परागत विधि विधान से मां सरस्वती की आराधना की गयी। मौके पर भजनमृत वर्षा के साथ-साथ काव्य गोष्ठी भी हुयी। अन्तर्राष्ट्रीय छात्रावास में गैरभारतीय छात्रों की आस्था भी देखते बनी। मां की आराधना के प्रति खासे संजीदे देखे विदेशी छात्र। इसके अतिरिक्त बिरला 'ए', भगवादास, गुटू आदि हास्टलों सहित नगर निकाय में भी मां की विशिष्ट आराधना के पर्व में उत्साहित दिखे विद्यार्थी।

गांधी टेक्नोलोजी एल्युमनी सेंटर लोकार्पित

प्रौद्योगिकी संस्थान के गांधी स्मृति महिला छात्रावास के करीब गांधी टेक्नोलोजी एल्युमनी सेंटर का लोकार्पण कुलपति प्रो पंजाब सिंह और गांधीवादी श्री रमेश मोदी ने 24 अप्रैल को किया। 72 कमरों के प्रस्तावित गेस्ट हाउस के भूतल पर 24 कमरे बन चुके हैं। सेंटर निर्माण में प्रस्तावित एक करोड़ 85 लाख की कुल लागत में एक करोड़ पांच लाख की मदद करने वाले मोदी परिवार के सदस्य श्री रमेश मोदी ने कहा कि बीएचयू को आर्थिक मदद करने के पीछे मेरे परिवार का महात्मा गांधी के विचारों के प्रति झुकाव का होना है। साख्य अफ्रीका से लौटने पर सबसे पहला राजनीतिक भाषण गांधी जी ने इसी विधि की भूमि पर दिया था। गांधी के सर्वोदय आंदोलन ने हमारे परिवार को अत्यधिक प्रभावित किया है। मेरे भाई श्री सुरेश चन्द्र मोदी ने गांधी को लोगों की स्मृतियों में जिंदा रखने के लिए पहल करने की ठानी और इसी की देन है आईटी की छात्राओं के लिए गांधी

स्मृति महिला छात्रावास और आज यह एल्युमनी सेंटर जो जीवंत रूप में दिख रहा है। कुलपति प्रो. पंजाब सिंह ने कहा कि यह अच्छा संकेत है कि पुरातन छात्र मदद के लिए कदम बढ़ा रहे हैं। हमें भी ऐसी पहल करनी चाहिए की परिवार के पुरातन सदस्य आगे आएं। मौके पर संस्थान के पूर्व निदेशक प्रो. पी एम प्रसाद ने कहा कि विवि को अपने संसाधनों को और प्रभावी बनाना होगा ताकि पूर्व छात्र और जुड़े। दुःख इस बात का है कि एक भी वेबसाइट नहीं है जो यहां की उपलब्धियों की जानकारी दे सके इसके लिए विशेष वेबसाइट विभाग स्तर पर बनायी जानी चाहिए ताकि सभी को यहां हो रही गतिविधियों के बाबत जानकारी दी जा सके। 1610 स्वयाय मीटर में बना सेंटर तीन मंजिल का होगा। जिसमें कुल 72 कमरे होंगे। प्रत्येक कमरे कम्प्यूटर, इंटरनेट, टीवी, टेलीफोन, एसी जैसी अत्याधुनिक सुविधाओं से लैस होंगे।

प्रौद्योगिकी संस्थान के निदेशक प्रो. एस एन उपाध्याय ने अतिथियों का स्वागत किया। संवालन प्रो. बी एन राय ने तथा धन्यवाद ज्ञापन प्रो. एस एन शर्मा ने किया।

सम्मानित किये गये

छात्र-छात्राएं

रंगारंग सांस्कृतिक कार्यक्रम के बीच लाला लाजपत राय पाठशाला का वार्षिकोत्सव 1 जून को मनाया गया। मौके पर प्रतिभाशाली विद्यार्थियों को मेडल व प्रशस्ति पत्र मुख्य अतिथि बीएचयू कार्यकारिणी के सदस्य डा.सत्यदेव सिंह व प्रौद्योगिकी संस्थान के निदेशक प्रो एस एन उपाध्याय ने दिया।

सुन्दरबगिया स्थित विवि से सम्बद्ध पाठशाला के वार्षिकोत्सव की सबसे उच्च प्रस्तुतिदेशभक्ति के भाव को जागृत करने वाले गीत 'नन्हा मुन्ना राही हूँ देश का सिपाही हूँ की प्रस्तुति रही। मंहेदी गीत पर समूह नृत्य तथा 'निदेशक-नाटक करना चाहता है' का मंवन भी बच्चों ने किया। अध्यक्षता कर रहे प्रो. एस एन उपाध्याय एवं मुख्य अतिथि डा. सत्यदेव के अलावा प्रो. बी सी निर्मल एवं डा. जी एन तिवारी ने बच्चों को जीवन में सफल बनने तथा सफलता हासिल करने के गुणों के बाबत जानकारी दी।

प्रतिभा सम्मान पाने वालों में एलकेजी के इताज अहमद, यूकेजी की नीलम, कक्षा एक के इब्राहिम, कक्षा दो की शिकुमारी, कक्षा तीन के मेहलाज अली, कक्षा चार के विनय कुमार, कक्षा पांच की ज्योति, कक्षा छः के दयानंद सोनकर, कक्षा सात के राजू कुमार, कक्षा आठ में कंचन के नाम शामिल हैं। इन्हें अपनी-अपनी कक्षाओं में सर्वोच्च अंक पाने पर सम्मानित किया गया। स्वागत विवि के छात्र अधिष्ठाता प्रो. वी के कुमार ने किया। पाठशाला की वार्षिक रिपोर्ट हेतुलता ने पढ़ी। संचालन अक्षेश श्रीवास्तव ने किया।

ग्राम वार्ता

मासिक समाचार पत्र

पत्रकारिता एवं जनसंपर्क विभाग के छात्रों के प्रयास से टिकरी और तारापुर गांववासियों द्वारा लिखित 'ग्राम वार्ता' मासिक समाचार पत्र का लोकार्पण काशी हिंदू विश्वविद्यालय के जनसंपर्क अधिकारी डा. विश्वनाथ पाण्डेय ने टिकरी स्थित

माध्यमिक विद्यालय में किया। अपने उद्बोधन में डा. पाण्डेय ने इस कार्य की सराहना करते हुए कहा कि यह प्रयास पत्रकारिता के सामाजिक सरोकारों को परिलक्षित करता है। यह समाचारपत्र विभाग के छात्रों को दी गई समाचार तथा पत्रकारिता की शिक्षा को वास्तविक जीवन में उतारने और उसे समाजोपयोगी बनाने की दिशा में एक प्रयास है। यह प्रयास विभाग ने जनवरी 2006 में बिना किसी हंगामे के शुरू किया था। इसके अंतर्गत विभाग के सभी छात्रों को छह समूहों में बांटा गया जो इस प्रकार हैं- सामुदायिक प्रेस, शिक्षा, मिड डे मील, सफाई, स्वास्थ्य और सड़क। ये समूह विभाग के छात्रों द्वारा किये गए एक सर्वेक्षण के आधार पर बनाए गए हैं। सामुदायिक प्रेस समूह के छात्रों ने गांववासियों को चार चरणों में पत्र में लिखने के लिए प्रेरित किया। प्रत्येक चरण एक सप्ताह का था। शिक्षा पर काम करनेवाले छात्रों के समूह ने विद्यालयों में 'ड्रॉप आउट' में कमी लाने, बच्चों को शिक्षा हेतु प्रेरित करने तथा उन्हें शिक्षा का महत्व समझाने का काम किया। उन्होंने प्रत्येक शनिवार को विद्यालयों में प्रतियोगिता का आयोजन कर छात्रों को पुरस्कृत भी किया। मिड डे मील पर काम करने वाले छात्रों के समूह ने दिन के भोजन के माध्यम से विद्यालयों में छात्रों की उपस्थिति बढ़ाने के उपायों से शिक्षकों को अवगत कराया। सफाई समूह के छात्रों ने नहाने एवं शौच के स्थानों को साफ रखने से होनेवाले फायदों से लोगों को अवगत कराया। इसके लिए उन्होंने गांव में जगह-जगह नुक्कड़ नाटक भी किए। स्वास्थ्य समूह के छात्रों ने रैलियों के माध्यम से जन्म एवं मृत्यु प्रमाण पत्र, पल्लू पोलियो टीकाकरण, नसबंदी आदि के फायदे लोगों को बताए। सड़क से संबंधित छात्रों ने बालू व्यवसायियों की अनभिज्ञता के कारण होनेवाली दुर्घटनाओं की तरफ लोगों का ध्यान आकर्षित किया। उन्होंने लोगों को इन दुर्घटनाओं को दूर करने के उपाय भी बताए। ग्राम वार्ता के माध्यम से विभाग की इस पहल को मिल रही लोगों की सराहना से उत्साहित विभागाध्यक्ष प्रो शिशिर बसु ने कहा कि यह अभियान छात्रों को प्राप्त शिक्षा का व्यावसायिक स्तर पर प्रयोग करने में मददागार साबित होगी। समाचारपत्र के लोकार्पण समारोह में विभाग के प्रवक्ता श्री अनुराग दवे, विजिटिंग प्रोफेसर लीला राव, टिकरी एवं तारापुर गांव के प्रधान श्री कन्हैयालाल मोर्य और बाबा हराराम, टिकरी माध्यमिक विद्यालय की प्रधानाचार्या सुश्री शान्ति गोस्वामी तथा अन्य शिक्षकगण, विद्यालय के छात्र तथा गांववासी मौजूद थे।

नाट्य प्रस्तुति 'उर्वशी' में जीवंत हुई नारी व्यथा

सेंट्रल हिन्दू गर्ल्स स्कूल और कोल्हूआ प्राइमरी स्कूल का संयुक्त वार्षिकोत्सव 'संस्कृति-2006' 31 जनवरी की शाम भव्य सांस्कृतिक कार्यक्रमों के साथ मनाया गया। कुलपति की पत्नी श्रीमती कमला सिंह के मुख्य अतिथि में आयोजित इस समारोह की सभी प्रस्तुतियां शास्त्रीय नृत्य एवं संगीत से समृद्ध रहीं। विशेषकर नाट्य प्रस्तुति 'उर्वशी' ने सभी को आकर्षित किया। इस नाटक में छात्राओं में नारी व्यथा की कथा को जीवंत किया।

कालिदास की कृति 'विक्रमोर्वशीयम' पर आधारित इस प्रस्तुति के लिये पटकथा लिखी भगवती सिंह ने। निर्देशन किया काननबाला सिंह ने तथा संगीत दिया कावेरी ने। उर्वशी की भूमिका में वर्षा, पुरूरुवा की भूमिका में शिल्पी मुखर्जी की भूमिका सराही गयी। ऐतिहासिक प्रसंग के अनुसार इंद्र के मित्र राजा पुरूरुवा इंद्रलोक से आते हैं और उनका प्रेम इंद्र दरबार की अप्सरा उर्वशी से हो जाता है। उर्वशी के प्रेम से नाराज इंद्र श्राप देते हैं। बावजूद इसके उर्वशी ने अपने प्रेम की खातिर मृत्युलोक को चुना और वहां ऋषि के आश्रम में रहकर अपने दायित्वों का निर्वहन किया। मां, पत्नी की भूमिका में नारी किस तरह त्याग-समर्पण से जूझते हुए भी अपने कर्तव्यों के प्रति ईमानदार रहती है, यह

नाटक में बखूबी दर्शाया गया। इसके पूर्व प्राइमरी वर्ग के बच्चों की ओर से प्रस्तुत कथक ने दर्शकों को देर तक तालियां बजाने के लिये उत्साहित किया। खासकर कक्षा तीन के चैतन्य मंगलम के नृत्य को खूब वाहवाही मिली। यहां सरस्वती वंदना के बाद छात्राओं के वाद्यवृंद की सुमधुर गूंज भी छायी रही। समारोह में विद्यालय की मेधावी एवं विभिन्न प्रतियोगिताओं में स्थान प्राप्त करने वाली छात्राओं को मुख्य अतिथि ने पुरस्कृत भी किया। समारोह में स्कूल बोर्ड के उपाध्यक्ष प्रो. वकील सिंह भी उपस्थित रहे। स्वागत प्रधानाचार्य मंजुला पाण्डे ने, संचालन मंजू श्रीवास्तव व भारती कृष्ण ने तथा धन्यवाद ज्ञापन डा. सरला

उच्च शिक्षा के मसले पर भारत सबसे बड़ा राष्ट्र : डा.पंजाब

नरेन्द्रदेव कृषि एवं प्रौद्योगिक विश्वविद्यालय के दसवें दीक्षांत समारोह में मुख्य अतिथि काशी हिन्दू विश्वविद्यालय के कुलपति डा. पंजाब सिंह ने कहा कि अन्य देशों की तुलना में भारत उच्च शिक्षा के लिहाज से सबसे बड़ा राष्ट्र बन गया है। बीते पांच दशकों में 25 की जगह 342 विश्वविद्यालय, साढ़े 17 हजार से ज्यादा महाविद्यालय हैं।

उन्होंने कहा कि विश्वविद्यालयों और महाविद्यालयों की तरह शिक्षकों और छात्रों की संख्या में भी इजाफा हुआ है, लेकिन

अपेक्षित सुविधाएं नहीं बढ़ सकीं। इसलिए सामान्य परिवारों के छात्र-छात्राओं को उच्च शिक्षा में कई परेशानियों का सामना करना पड़ता है। इन्हें दूर करने की आवश्यकता है। बिना योजना बनाए विश्वविद्यालय व महाविद्यालय खेलने की वजह से भी परेशानियां आईं।

उन्होंने कहा कि भारतीय उच्च शिक्षा को नई आवश्यकताओं के लिए नए ज्ञान से समृद्ध करना चाहिए। भारतीय विश्वविद्यालयों को पुराने पाठ्यक्रम छोड़कर औद्योगिक धरानों की प्रक्रियाओं व आवश्यकताओं का पालन करना चाहिए। विश्व के अनेक विश्वविद्यालय भी ऐसा ही कर रहे हैं। समाज में सांस्कृतिक, पर्यावरणीय एवं उच्च शिक्षा के साथ शोध होना चाहिए। भारतीय कृषि की चर्चा करते हुए उन्होंने कहा कि देश की 51 फीसदी आबादी 21 प्रतिशत जीडीपी देती है। इसमें कृषि का योगदान 46 फीसदी है। दीक्षांत समारोह में डा. सिंह को 'डाक्टर आफ साइंस' की उपाधि के साथ स्मृति चिन्ह भेंट कर सम्मानित किया गया।

इससे पूर्व समारोह की शुरुआत विवि के छात्र-छात्राओं ने कुलगीत से की, जिसके बाद दीक्षांत समारोह की शोभा यात्रा निकाली गई। समारोह की अध्यक्षता राज्यपाल टीवी राजेश्वर ने की। उन्होंने विवि की स्मारिका का विमोचन किया और छात्र-छात्राओं को डिग्रीयां प्रदान की।

an appeal for contribution

It is heartening to note that BHU News Letter is now published regularly. In its earlier incarnation, BHU News Letter was immensely popular containing news items, writeups and articles from all corners of the University. Since then technology has converged into favour giving number of opportunities for experiments, innovations and varieties. The BHU NEWS would only be representing the community for which it is published when it has an involvement and participation of the fraternity. Therefore, I invite every member of the University to contribute in the news letter with their suggestions, writeups, articles and news items. Suggestions are solicited to improve the content and presentation and also constructive suggestions for the University.

■ Editor

deputation

Following teachers have been deputed to attend their respective conference / congress / seminar symposia / workshop.

- 1 **Dr A K Singh**, Reader, Deptt of History of Art, Faculty of Arts to attend 4th International convention of Asian scholars (ICAS-4) held at Shanghai (China) during August 20-24, 2005.
- 2 **Dr Nandita Ghoshal**, Reader, Deptt of Botany, Faculty of Science to attend 7th International Carbon dioxide Conference held at Colorado(USA) during Sept 25-30, 2005
- 3 **Prof MS Pandey**, Dept of English, Faculty of Arts to attend 4th International Convention of Asian Scholars (ICAS-4) held at Shanghai (China) during August 20-24, 2005.
- 4 **Dr Vinod Kumar Dixit**, Reader & Head, Deptt of Gastroenterology, IMS to attend World Congress of Gastroenterology held at Montreal(Canada) during Sept 10-14, 2005.
- 5 **Prof (Ms) NQ Pankaj**, Deptt of History, Faculty of Social Sciences to attend 4th International convention of Asian Scholars (ICAS-4) held at Shanghai(China) during August 20-24, 2005.
- 6 **Dr Paras Nath Singh**, Deptt of Entomology & Agril. Zoology to attend National Conference on Applied Entomology: Current Status Challenges and opportunity held at Udaipur during Sept 26-28, 2005.
- 7 **Prof G Trivikramaiah**, Head, Deptt of Telgu, Faculty of Arts held at Vijaywada during July 22-23, 2005.
- 8 **Dr SP Vyas**, Reader, Deptt of Jain & Buddha Darshan, Faculty of SVDV : Indian Society for Buddhist Studies held at Delhi during August 11-13, 2005.
- 9 **Dr. Vyas Ji Tripathi**, Deptt of Chemistry, Faculty of Science to attend the Training Programme on Herbal Formulation held at Lucknow during 3-5, 2005
- 10 **Dr RK Srivastava**, Reader, Deptt of Geology, Faculty of Science for attending conference held at Rovaneime (Finland) during 31st July to 3rd Augsut, 05.
- 11 **Dr Ramesh Kumar Singh**, Reader cum Agronomist, Deptt of Agronomy, IASc to attend 20 Asian Pacific Weed Sciences Society Conference held at HoChi Minh City (Vietname) during Nov 7-11, 2005
- 12 **Prof Dipak De**, Deptt of Extension Education, ISSCs to attend the CGRA 3rd International Conference 2005 held at Guangzhou (China) during Dec 12-14, 05.
- 13 **Dr N Janardan Raju**, Lecturer, Deptt of Geology, Faculty of Science to visit Brazil for a period of three months wef 15.11.2005 to 14.02.2006 under Bilateral Exchange Programme of INSA.
- 15 **Dr Ramashray Pd Singh**, Reader, Dept of Geology, Faculty of Science to attend the 7th International Symposium on Land Subsidence SISOLS(Shanghai) Chinza during October 23-28, 2005
- 16 **Dr V K Dixit**, Reader & Head, Deptt of Gastroenterology, IMS to attend Asia Pacific Study & Lever Disease Conference (APSAL) held at Bali (Indonesia) during August 18-20, 2005
- 17 **Prof MR Sen**, Deptt. of Microbiology, IMS to attend the 29th National Congress of Indian Association of Medical Microbiologists (MICROCON 2005) held at Porur (Chennai) during October 21-23, 2005.
- 18 **Dr Abhijit Mandal**, Radiological Physicist, Deptt of Radiotherapy & Radiation Medicine, IMS to attend 1st International Conference on Emerging Trends in Radiation Oncology (ETROC 2005) held at Bangalore during Sept. 9-11, 2005.
- 19 **Dr TP Chaturvedi**, Reader, Deptt. of Dental Surgery, IMS to attend 40th Indian Orthodontic Conference & 3rd World Edgewise Orthodontic Congress held at Chandigarh during Nov 11-13, 2005.
- 20 **Prof BL Pandey**, Deptt. of Pharmacology, IMS to attend Indian Pharmacological Society held during Dec 28-30, 2005
- 21 **Prof BN Pandey**, Deptt. of Statistics, Faculty of Science to attend the 59th Annual Conference, Indian Society of Agricultural Statistics held at Jammu during Nov 11-13, 2005.
- 22 **Dr Shashi Bhushan Agrawal**, Reader, Deptt. of Botany, Faculty of Science to attend International Conference on Environmental Management held at Hyderabad during October 28-30, 2005.
- 23 **Dr Rajesh Kr Srivastava**, Reader, Deptt. of Geology, Faculty of Science to attend Group Discussion & Scientific Meeting on Kimberlites & related Rocks in India held at Bangalore, Hyderabad during Nov 22-26, 2005
- 24 **Prof DA Gangadhar**, Dept. of Philosophy & Religion, Faculty of Arts to attend Indian Philosophical Congress held at Darjeeling (WB) during October 24-27, 200.
- 25 **Dr.Vinodanand Tiwari**, Reader, Deptt. of Foreign Language, Faculty of Arts to attend the International seminar: Russia at the Crossroads; Society & Culture in 21st Century held at New Delhi during Oct 18-19, 2005.
- 26 **Dr Abhinav Sharma**, Lecturer, Deptt. of Political Science, Faculty of Social Sciences to attend XIX All India Conference Indian Public Administration held at Patiala during July 29-30, 2005.
- 27 **Prof P N Pandey**, Dept. of Sociology, Faculty of Social Sciences to attend 31st All India Sociological Conference held at Jammu during Oct. 25-27, 2005.
- 28 **Dr K N Tiwari**, Reader, Botany Section MMV to attend the International Conference on plant Genomics and Biotechnology: Challenges & Opportunity held at Raipur during Oct.26-28, 2005.
- 29 **Dr H K Jaiswal**, Reader, Deptt of Genetics and Plant Breeding I.A.Sc. to attend the National Seminar of Rice held at Goa during Oct. 18-19, 2005.
- 30 **Prof Chandra Sen**, Dept. of Agric. Economics IAScs to attend the 65th Annual Conference of Indian Society of Agricultural Economics held at Ludhiana during Nov.24-26, 2005.
- 31 **Prof J P Srivastava**, Dept of Plant Physiology, I.A.Sc.s. to attend the National Seminar on Plant Physiology held at Navsar (Gujrat) during Nov.23-25, 2005.
- 32 **Prof.H.S.Shukla**, Deptt. of Surgical Oncology,IMS to attend Annual Conference of Association of Surgical Gastroenterology held at Chandigarh during Sept.8-11,2005.
- 33 **Prof B.N.Pandey**, Faculty of Law to attend 2nd National seminar on New Dimension of Human Creative Activities and their protection under Copy Right Law- A Human Approach held at SSJ Campus, Almora during Sept. 10-11, 2005.
- 34 **Dr.A.K.Singh**, Reader, Deptt. of History of Art, Faculty of Arts for attending the CAS International Conference held at Shanghai (China) during August 20-24,2005.
- 35 **Dr.Nandji Rai**, Asstt. Teacher CHS (Boys) Kamachha for attending 4th ICAS International conference held at Shanghai (China) during Ausut 20-24, 2005
- 36 **Prof M Sahu**, Deptt of Shalya Shalaky, IMS for attending 2nd World Wound Healing Societies Conference held at Paris(France).
- 37 **Prof.P.C.Srivastava**, Deptt. of Physics for attending International Conference on Optoelectronics and Spectroscopy of Nano Structure Thin Films and Materials held at Beijing(China) during August 2-4, 20005.
- 38 **Dr Aditya Tripathi**, Deptt. of Library & Information Science, Faculty of Arts 9th International Conference and Exhibition: Information Technologies, Computer Systems and Publication for Libraries (LIBCOM-2005) held at Moscow during November 14-18, 2005.
- 39 **Shri V.K.Chandola**, Lecturer, (Sr.Scale) Deptt. of Farm Engineering IAScs to attend International Conference on Computer and Industrial Management (ICIM-2005) held at Bangkok (Thailand) during Oct 29-30, 2005.
- 40 **Dr Ritwik Sanyal**, Reader, Deptt of Vocal Music, Faculty of Performing Arts to attend Sangeet Utsav (Workshop, seminar concert) held at Mahatma Gandhi Institute MOKA Mauritius during Nov.8-11,2005.
- 41 **Dr.D.N.Pandey**, Reader, Deptt of Sangyahan, IMS to attend 9th Natiaol Conference AAIM held at Berhampur (Orissa) during Dec 25-27, 2005.
- 42 **Dr.Vijay Tilak**, Lecturer, Deptt. of Pathology IMS to attend 54th Annual Conference of IAPM held at Indore during Nov.28-Dec.3, 2005.
- 43 **Prof S.K Bhattacharya**, Deptt. of Medicine IMS to attend Annual confrence of Indian Rheumatism Association 2005 held at Hyderabad during Dec 1-4, 2005
- 44 **Prof.Bandana Bose**, Deptt. of Plant Physiology IAScs 3rd International conference on Plant & Environmental Pollution held at Lucknow during 28-Dec.2, 2005
- 45 **Dr.A.K.Tripathi**, School of Biotechnology, Faculty of Science to attend : path to health Bioatechnology Revolution in India & 2nd Convention of Biotech Research Society of India held at Chennai during Nov 24-26, 2005.
- 46 **Prof.Ajit Sodhi**, School of Biotechnology, Faculty of Science to attend 32nd Annual conference of Indian Immunology Society held at Chandigarh during Nov 24-27, 2005.
- 47 **Dr.Nanhai Singh**, Reader, Deptt. of Chemistry, Faculty of Science to attend National Seminar on Recent Trends in Shynthetic and Polymer Chemistry (RTSPC-1)

- held at Simla during Dec.5-6, 2005.
- 48 **Dr.M.P.Singh**, Reader, Dept. of Economics Faculty of Social Sciences to attend 88th Indian Economics conference held at Vishakhapatnam during December 27-29, 2005.
- 49 **Dr.Lalta Prasad**, Lecturer, Faculty of Education to attend National, Symposium on Education for Better Worldliness EBW-2005 held at Dayalbagh, Agra during Oct.1-2, 2005.
- 50 **Dr. Kalyan Ghadei**, Lecturer, Deptt. of Extension Education IASCs to attend ISEE National Seminar 2005 Green to Evergreen - Challenges for Extension Education held at IARI, New Delhi
- 51 **Prof.A.K.Srivastava**, Deptt. of Psychology, Faculty of Social Sciences to attend Work stress and Health 2006 : Making a difference in the workplace conference held at Miami Florida (USA) during March 2-4, 2006
- 52 **Dr. Saravanan**, Lecture in Tamil, Deptt. of Indian Languages, Faculty of Art to attend 10th World Saiva Conference held at Sydney, Australia during January 27-29, 2006.
- 53 **Dr.Bechan Lal**, Reader, Deptt. of Zoology, Faculty of Science 5th International Conference of the Asia & Oceania Society for Comparative Endocrinology (AOSCE) held at Bangkok (Thailand) during Feb 7-10, 2006
- 54 **Dr S Pradhan**, Reader & Head, Deptt. of Radiotherapy & Radiation Medicine IMS 27th National Annual Conference Association of Radiation Oncologists of India held at Ahmedabad (Gujrat) during Dec.1-4, 2005.
- 55 **Dr.Anil Kumar Tiwari**, Lecturer, Deptt. of Physiology IMS, 61 Annual Conference of the Association of the Physiologists and Pharmacologists of India (APPICON-2005) held at JIPMER, Pondicherry Dec. 11-15, 2005.
- 56 **Prof.S.K.Pandey**, Deptt. of Anatomy, IMS 53rd Annual Conference of ASI & Symposium held at Nagpur during January 7-9, 2006.
- 57 **Dr.C.P.Mishra**, Reader, Deptt of Community Medicine, IMS Joint National Conference of Indian Association of Public Health (IPHA & Preventive & Social Medicine (IAPSM) held at Tirupati during January 21-24, 2006.
- 58 **Prof.S.K.Saraf**, Deptt. of Orthopedics, IMS, "50th Annual Conference of Indian Orthopaedic Association (IOACON-2006)" held at Mumbai during Dec 25-30, 2005.
- 59 **Prof (Ms) Neelam Mittal**, Faculty of Dental Sciences, IMS- 59th Indian Dental Conference held at Ludhiana(Punjab) during Jan 27-30, 2006
- 60 **Prof.Jai Krishna**, Deptt. of Geology-93rd Indian Science Congress held at Hyderabad during Jan.3-7, 2006.
- 61 **Prof.Prashant Kumar**, Faculty of Commerce - 28th All India Accounting Conference & International Seminar on Accounting Education and Research held at Hyderabad during Dec.10-11, 2005
- 62 **Dr.V.Shunmugasundaram**, Lecturer, Faculty of Commerce-28th All India Accounting Conference & International Seminar on Accounting Education and Research held at Hyderabad during Dec.10-11, 2005.
- 63 **Dr.(Mrs.) N Rastogi**, Reader, Deptt of Zoology, Faculty of Science to attend International Conference on Biodiversity of Insects: Challenging Issues in Management and Conservation held at Coimbatore during January 30-Feb.2, 2006
- 64 **Dr.G.C.Bhattacharya**, Reader, Faculty of Education to attend 93rd Indian Science Congress held at Hyderabad during January 3-7, 2006.
- 65 **Prof M.N.P Tiwari**, Deptt of History of Art, Faculty of Arts to attend 14th Session of Indian Art Hisdtry Congress held at Hyderabad during Dec.25-27, 2005.
- 65 **Prof.Sushila Singh**, Principal, MMV-MELUS-India/MELOW Internadtioal Congress on Dialog Across Cultures held at Hyderabad during January 5-7, 2006.
- 66 **Dr.(Ms.) Abha Mishra**, Lecturer, Deptt. of History of Art, MMV- Indian Art History Congress held at Hyderabad during Dec 25-29, 2005
- 67 **Dr.Pradeep Jain**, Deptt. of Plastic Surgery, IMS to visit Poland under Bilateral Exchange of Scientists Programme of INSA for a period of 4 weeks w.e.f 31st March 2006.
- 68 **Dr.Madhu Jain**, Deptt. of Obst.Gyaenacology, IMS to visit Poland under Bilateral Exchange of Scientists Programme of INSA for a period of 4 weeks w.e.f 31st March 2006.
- 69 **Prof.(Ms.)C.M.Chaturvedi**, Deptt. of Zoology, Faculty of Science to attend XXIV Annual Symposium opf Reproductive Biology and Comparative Endocrinology held at IIT Roorkee during Feb.14-16, 2006.
- 70 **Dr.R.K.Asthana**, Reader, Deptt. of Botany, Faculty of Science to attend International Conference on Applied Phycology - Algae in Biotechnology and Environment held at Delhi during Feb.,14-15, 2006.
- 71 **Prof.B.R.Chauadhary**, Deptt. of Botany, Faculty of Science to attend International Conference on Applied Phycology - Algae in Biotechnology and Environment held at Delhi during Feb.,14-15, 2006.
- 72 **Prof.S.Chooramani Gopal**, Deptt. of Paediatrics Surgery, IMS deputed to attend Training Programme Hospital Administration and HRM for Health Care Organization held at SGPGI, Lucknow duering January 18-21, 2006.
- 73 **Prof.(Mrs.) Shamim Akhtar**, Deptt. of Persian, Faculty of Arts for attending 2 day International Seminar on Arabic Language & literature in Iran held at Hyderabad during January 23-24, 2006.
- 74 **Dr.S.L.Maurya**, Asstt. Teacher (Math) CHS(Boys) to attend the Association of Mathematics Teachers of India 40th Annual Conference held at Atul Valsad (Gujrat) during Dec.28-30, 2005.
- 75 **Prof.Amitabh Krishna**, Dept of Zoology, Faculty of Science to attend International Conference Experimental Biology-2006 held at San Francisco(USA) during April 1-5, 2006.
- 76 **Dr.L.D.Mishra**, Reader, Deptt. of Anaesthesiology IMS to visit Poland under Bilateral Exchange of scientists Programme of INSA for a period of two months wef 29th March 2006.
- 77 **Dr.(Ms.)Paramita Suklabaidya**, Lecturer, Dept. of History of Art, Faculty of Arts to attend IITTM Seminar held Govindpuri, Gwalior during Feb.9-10, 2006.
- 78 **Dr.O.P.S Maurya**, Reader, Dept of Ophthalmology, IMS to attend 64th All India Ophthalmological Conference ANTAR DRISHTI: 2006 held at Bhopal during Feb,9-12, 2006.
- 79 **Prof Madhuri Srivastava**, Deptt. of Economics, Faculty of Social Sciences for attending 8th Annual Conference of IEA held at Vishakhpatanam during Dec.27-29, 2005.
- 80 **Dr.A.P Pandey**, Reader, Deptt. of Economics, Faculty of Social Sciences for attending Indian Society of Labour Economics held at New Delhi during Dec.13-14, 2005. Global Labour Forum held at New Delhi during Dec.15-17, 2005
- 81 **Dr Ragini Tilak**, Lecturer, Deptt. of Microbiology, IMS -6th National Conference Society for Indian Human & Animal Mycolgists held at Hyderabad during Jan.7-22, 2006.
- 82 **Dr.A.K.Srivastava**, Deptt. of Psychology, Faculty of Social Sciences to attend National Seminar on Promoting Psychological well being Across the Lifespan held at Hyderabad during Feb.22-24, 2006.
- 83 **Dr.(Mrs.) Reeta Kumar**, Reader, Deptt. Psychology, Faculty of Social Sciences to attend 8th National Conference of the Community Psychology Association of India sponsored by the UGC held at Vallabh Vidya Nagar (Gujrat) during Jan 20-22, 2006.
- 84 **Dr.(Ms.) Sudeshna Lahiri**, Lecturer, Faculty of Education to attend International /Seminar on Higher Education Administration in Developing countries held at Kolkata during Feb.4-6, 2006.
- 85 **Dr.SVS Raju**, Reader, Deptt. of Entomology & Agric. Zoology. I.A.Sc.s, to attend International Symposium on Molecular Insect Science held at University of Arizona, Tuscon (USA) during May 20-24, 2005.
- 86 **Prof Amitabh Krishna**, Deptt. of Zoology, Faculty of Science to attend Experimental Biology -2006 (Mini Symposium on the topic New Advances in the Peripheral Neuroenocrine System) held at San Francisco, CA (USA) during April 1-5, 2006.
- 87 **Prof MB Singh**, Deptt. of Geography, Faculty of Science to attend International Geographical Union Commission on Health and the Environment Modeling held at Waiheke Island Auckland (New Zealand) during June 28-July 2, 2006.
- 88 **Prof.P.N.Gupta**, Physics Deptt., Faculty of Science to attend 10th Asian Conference on SSI held at Kandy (Sri Lanka) during June 10-12, 2006.
- 89 **Prof (Ms.) Sushama Rathaur**, Deptt. of Biochemisdtry, Faculty of Science to attend 12th International Congress on Infectious Disease held at Lisbon (Portugal) during June 15-18, 2006.
- 90 **Prof.S.K.Singh**, Head, Deptt. of Endocrinology & Metabolism, IMS to attend ENDO -2006 The Endocrine Society's 88th Annual Meeting held at Bostan Masschusetts (USA).
- 91 **Dr.Devendra Kr. Singh**, Reader, Deptt. of French Studies, Faculty of Arts to attend National Seminar in French Aquel Francaise

- Enseigber held at Simla during May 11-12, 2006.
- 92 **Dr.R.N.Singh**, Reader, Deptt. of Entomology & Agric Zoology, I.A.Sc. to attend 12th International Congress of Acarology held at Amsterdam, Netherlands during August 21-26, 2006.
- 93 **Prof.Deepak De**, Dept of Extension Education I.A.Sc. IAMCR-2006 Conference held Cairo(Egypt) during July 23-28, 2006.
- 94 **Dr.Satyajit Pradhan**, Reader & Head, Deptt. of Radiotherapy and Radiation Medicine, IMS to UICC World Cancer Congress-2006 held at Washington DC(USA) during July 8-12, 2006.
- 95 **Prof.Jai Prakash**, Deptt. of Nephrology IMS to attend XLIIIEDRA EDTA Congress held at Glasgow (UK) during July 15-18, 2006
- 96 **Dr Puneet**, Lecturer, Deptt. of General Surgery,IMS to attend Conference on Metal Toxicity and Carcinogenesis held at West Virginia (USA) during Sept. 24-27, 2006.
- 97 **Dr.O.P.Mishra**, Deptt. of Paediatrics, IMS to visit Germany under INSA-DFG Exchange of Scientist Programme for a period of 4 weeks w.e.f. Sept.15, 2006
- 98 **Prof. S.K. Upadhyay**, Deptt. of Statistics, Faculty of Science SCRA-2006 International Conference on Interdisciplinary Mathematical and Statistical Techniques held at New University of Lisbon Tomar Polytechnic Institute (Portugal) during Sept.1-4, 2006.
- 99 **Prof Anil Kr Tripathi**, School of Biotechnology, Faculty of Science to attend 7th European Mintrogen Fixation Conference held at AARHUS (Denmark) during July 22-26, 2006.
- 100 **Prof.Bijoy Krishna Roy**, Deptt. of Botany, Faculty of Science to attend American Society of Plant Biologist Annual Meeting Plant Biology-2006 held at Bostan (USA) during Augsut 5-9, 2006.
- 101 **Prof.Jai Krishna**, Deptt of Geology, Faculty of Science, to attend 7th International Congress on the Jurassic System held at KRAKOW, Poland during Sept.6-18, 2006
- 102 **Dr.Arvind Kr. Joshi**, Deptt. of Sociology, Faculty of Social Science to attend XVI ISA World Congress of Sociology held at Durban (South Africa) during July 23-29, 2006
- 103 **Dr.Debadyuti Das**, Lecturer, Faculty of Management Studies to attend 2nd International Conference on Tourism held at Athense (Greece) during July 3-4, 2006.
- 104 **Dr.Aftab Ahmed**, Lecturer, Deptt. of Urdu, Faculty of Arts to attend 28th All India Urdu Conference to be held at Hyderabad during July 30-31, 2006
