INSTRUCTIONS TO CANDIDATES REGARDING EXAMINATION

Method of indicating roll number in the answer sheet using ball pen with black ink

The candidate should indicate his/her Roll Number only at the place provided on the front page of the answer sheet. The candidate will write Roll Number only at the place provided for the purpose and nowhere else. If a candidate writes his/her Roll Number at any other place or inside the answer sheet and make any sign any where which may disclose his/her identity, he/she will deemed to have used unfair means and his/her candidature will be cancelled without assigning any reason whatsoever.

Example : If the candidate's roll number is 01284 the same should be indicated as follows:

0	1	2	8	4
●	①	①	①	①
①	●	①	①	①
②	②	●	②	②
③	③	③	③	③
④	④	④	④	●
⑤	⑤	⑤	⑤	⑤
⑥	⑥	⑥	⑥	⑥
⑦	⑦	⑦	⑦	⑦
⑧	⑧	⑧	●	⑧
⑨	⑨	⑨	⑨	⑨

The candidates are required to read and follow the instructions as given in the Question Booklet for answering the question carefully. Please ensure that your question booklet and answer sheet has the same number as your Roll Number.

The candidate within fifteen minutes of the issue of the question booklet will check and ensure that it contains all the pages and no page or question is missing. Thereafter no second question booklet or answer sheet will be given to the candidate under any circumstances.

No page from the question booklet is to be torn out or removed. If a candidate is found tearing any paper from the question booklet his/her candidature will be cancelled.

Method of answering:

Each question is followed by answers which are numbered A, B, C and D. Select the most appropriate answer.

Then by using **BALL PEN WITH BLACK INK** blacken the circle bearing the correct answer in the answer sheet against the corresponding number of the question. For example, if the answer to question number 35 is B, it should be blackened as follows:

35. (A) ● (C) (D)

Wrong methods of showing your answer

Wrong method	(A)	⊗	(C)	(D)
Wrong method	(A)	◐	(C)	(D)
Wrong method	(A)	✓	(C)	(D)
Wrong method	(A)	⊙	(C)	(D)

Filling of circle should be clear. Any other method of marking such as tick, cross mark, use of dot, line mark and half filled circle or mark outside the circle will not be read by the machine because of wrong method of showing answer. Any smudges or dark mark left after erasing may interfere with computerized scanning/evaluation. Hence only one circle with the alphabet should be blackened and other should be clear.

No candidate shall be allowed to appear in the examination unless he/she possesses the valid ADMIT CARD. The candidate must retain the admit card for counseling. Candidates appearing at the test shall be subject to usual rules, regulation and ordinances of the University examinations from time to time. Candidates found adopting unfair means shall be expelled from the examination.

No candidate is allowed to note down the questions or their answers. If a candidate is found doing so his/her candidature will be cancelled.

Candidate will NOT bring any resource material/ loose paper whether written or blank/ Calculators / Slide rule / Electronic Diary / Pager / Mobile Phone inside examination room. In case of violation of this provision his/her candidature shall not be considered.

No candidate will be allowed to enter the examination hall after **10 minutes** of commencement of examination

No candidate will leave the examination hall before the end of the examination.
