Banaras Hindu University

INTRODUCTION

VISION

Knowledge

Versatile

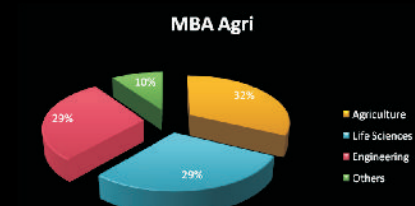

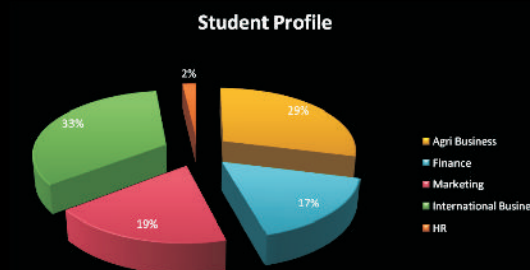

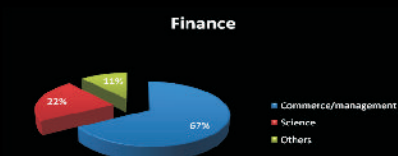

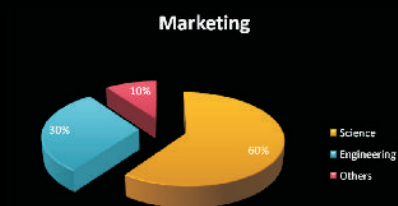

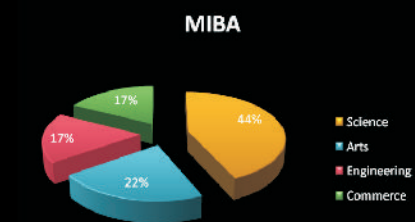

Team skills

True leadership in business demands outstanding decision-making skills, the ability to perform under pressure and the distinctive ability to inspire and motivate people. These are qualities that you find, unmistakably, in any FMS BHU alumnus. In them you would find one more quality that you wouldn't find anywhere else – a vision. Trained and groomed by BHU's Faculty of Management Studies these individuals are driven by a compelling vision of a better and more prosperous society, a world united by values and a future without barriers. Little wonder then, that management aspirants who pass the portals of FMS BHU, go on to make their mark in diverse industries. Today's students are tomorrow's drivers of a nation's GDP growth. They aren't just India's human capital; they are the pick of the lot - 24 carat calibre that industry

DEMOGRAPHICS

A class of 106 students with varying backgrounds and from different parts of the country, the MBA, MIBA, MBA Agri Business 2010 batch, is united in their effort to learn not just from the course but also from each other. Everything from fierce debates in the class, to the seminars followed by unending questions, has resulted in each student being much focussed and ready to take on the world.

STUDENTS PROFILE

It's time to meet the faces of the future – young individuals who will determine the fate and fortunes of their organization. These aspirants to leadership are now more than ready for their roles in the world of business. Trained to take every challenge as an opportunity, they would treat every customer as the only customer and every new target as the only way forward. They are also extremely well-groomed and aware of their social responsibilities. Their attitude reflects the ethos of the historical and greatly respected Banaras Hindu University combined with out-of-the-box thinking and a flair for creativity. They aren't just winners for themselves - they are the winning edge for their organizations. Their every action, every effort is aimed at realizing a vision that steers them and their organizations towards new horizons of success, each time.
