

## About the Department:-

- ❖ In 1964, the Department was established. It was inaugurated by the former Prime Minister Shri **Lal Bahadur Shastri**. The name was kept as “Bhuvalka Eye Hospital” as, funding for separate building was done by Bhuvalka Trust.
- ❖ MCI inspection was done in 1960 and 1981. Following which approval for MBBS & MS Ophthalmology degree was obtained.
- ❖ The outpatient department functions on all days of week. The speciality clinics also functions in the in same timing. A dedicated team of residents and consultants is available round the clock to cater to the emergencies in hospital and trauma centre. The department is providing free eye-relief camps in Varanasi and surrounding 150 km area for combating blindness.
- ❖ The research activities of the Department are reflected by National & International Publications, Nooks/Chapters (22) and articles (65).
- ❖ The faculties have been invited as MCI Assessor, NAAC coordinator, DNB Examiners, chairpersons , Moderators and Guest speakers in National and State level conferences.
- ❖ The department is running MBBS and MS courses and has been a centre for DNB examination.
- ❖ Our triple goal is to provide comprehensive, high-quality, and structured training of Under graduates and Postgraduates and to carry out basic and clinical research, besides ensuring ophthalmic care to the last person in the society.
