About the Faculty

Postgraduate teaching and research in Ayurveda was initiated with the inception of Postgraduate Institute of Indian Medicine in the year 1963 at Banaras Hindu University, the largest residential University in Asia and spread over an area of 16.5 sq. km. The Banaras Hindu University, established in 1916 by Mahamana Pt. Madan Mohan Malaviya Ji, is one of the prestigious Central Universities of the country. This University is an autonomous institution and repute having the Hon'ble President of India as its visitor. Being a living embodiment of such visionaries as Pt. Madan Mohan Malaviya, Dr. Annie Besant and Dr. Radha Krishnan, its national Institution epitomizes a synthesis of ancient wisdom and modern scientific temper. The University has 127 teaching departments, many of them recognized as centers of excellence, 14 faculties and 4 institutes viz. Institute of Medical Sciences, Institute of Agricultural Sciences, institute of Management study and Institute of Environment & Sustainable Development along with Indian Institute of Technology BHU with the unique distinction of having them in a walled campus.

The Institute of Medical Sciences is the first of its kind in the country, comprising of Faculty of Ayurveda, Faculty of Dental Sciences and Faculty of Medicine under one umbrella real synthesis of ancient wisdom and modern scientific temper in the field of medical sciences.

The synthesis of postgraduate Institute of Indian Medicine and College of Medical Sciences in the year 1970 emerged into the present shape of Institute. The Institute has facility for undergraduate, postgraduate and super-specialty courses under Faculty of Medicine, Undergraduate and Postgraduate degree / diploma / certificate courses under Faculty of Ayurveda and Undergraduate, Postgraduate degree/diploma courses under Faculty of Dental sciences. In addition, numbers of scholars are being enrolled for Ph.D. degree in all the departments through Common Research Entrance Test (CRET).

Various departmental under the Faculty of Ayurveda also runs two years **PG diploma courses in: Agni Karma avam Jalaukavacharan, Sangyahan, Panchakarma Therapy, Maternal Health Care, Neonatal and Child care, Kshar Karma, Vikiran and Chhaya, Ayurvedic Pharmaceutics as well as one year certificate course in Prasava Vigyan and Ayurvedic Pain Management .**

The Institute has a well equipped library containing nearly 1, 00,000 volumes of reading materials i.e. in the form of books, journals, technical reports, manuscripts etc. and subscribes more than 200 national and international journals. It also has photo copying & internet facility and computer based MEDLARS data base on CD-ROM from 1996.

There is a separate wing of Ayurvedic hospital with 180 indoor beds and outdoor facilities for Postgraduate teaching and research activities apart from another wing of teaching hospital with nearly 900 beds strength with all kind of sophisticated and diagnostic equipments. The Faculty departments have all such facilities to impart both basic and advanced knowledge of Ayurveda along with integrated approach in the field of medical sciences. It also provides ample opportunities for fruitful interaction to the Postgraduates and teaching staff of various disciplines.

The Faculty of Ayurveda, Institute of Medical Sciences is the steward of Ayurveda for the country. Its mission is Ayurveda (the knowledge of life) and its synthesis with modern Medical Sciences and the application of that knowledge to extend healthy life and reduce the burdens of illness and disability. This Institution is proud to have the following names associated with it who made great contributions in education and research. Department of Kaumarbhritya/Balroga

The Kaumarbhritya/Balroga, had its seed sown from the day of inception of dep't of Prasuti Tantra, in erstwhile PGIIM, college of medical sciences, BHU. By 1974, its academic, research and hospital services activities expanded so much. It attained the status of an academic unit with Dr C. Chaturvedi as in charge. Considering the quantum of output of the unit, its socio-medical need and scope of work, the University administration made it as an independent unit academically and administratively both (vide Executive Council Resolution no. 34, dated 15. 06.1980). In 2006, Department of Kaumarbhritya / Balaroga was established, independently.

With the passage of time Prof. C. Chaturvedi retired and Dr R.D. Sharma took over as in charge, Kaumarbhritya unit in 1993. Subsequently, Dr. B.M. Singh became the first head of the department from its inception i.e. 2006 and continuing till date with an interlude of 1 ½ year.

The department is conducting research, providing teaching- training of Kaumarbhritya subject, day to day paediatric & neonatal care with well equipped NICU and also inculcating knowledge of other concerned science subjects to MD (Ay), PhD, PGDNC (Ay) and D.Ch. (Ay) [Diploma in Paediatrics (Ay)] and undergraduate students i.e. BAMS.

The department has introduced new special courses PGDNC (Ay) in 2007, CCIM recognized post graduate diploma course-D.Ch. (Ay) in 2014 for the medical graduates. As well as a certificate course on Balpanchkarma attendant, in 2018 first time in India and abroad.

The objectives of Kaumarbhritya Department are to develop a specific pattern of teaching and training for the undergraduate and postgraduate students as well as enable them for treating almost all paediatrics disorders including life threatening conditions more rationally by applying basics concepts & drugs of Ayurveda, additional to getting exposure to knowledge of modern medical sciences.
