a) Curricular Aspects:

- 1) The semester system on Choice Based Credit System, of limited choice was in implementation in various Faculties at PG Level and in the Faculties of Agriculture, Engineering & Technology and Science to be extended at the UG Level also. Action for introduction of semester system and choice based credit system was to be taken by the Faculties where it could not be done.
- 2) The Ph.D. Ordinances of the University has been revamped to facilitate/accommodate enrollment of persons holding senior managements positions in prestigious institutions, Research Organizations, Industries and Govt. seeking enrollment in the Doctoral programmes of the University as a part time research scholar.
- 3) In the effort to give impetus to programmes/courses having potential of providing employability to the pass outs (by combining various disciplines), it was suggested by the IQAC that autonomy of operation of such programmes needs to be further expanded.
- 4) Redundancy /replications in the UG and PG Programmes have been largely taken care of at the time of customizing the course curriculum.
- 5) Soft skills such as communication skills, leadership skills, personality development etc. have been taken up as components of central training facility.

b) Teaching, Learning and Evaluation:

- 1) Several new programmes, suiting to the needs of the market and without compromising on academic standards, have been started.
- 2) The curriculum has been oriented to have focus on seminars, peer teaching, project work, field oriented exercises.
- 3) Remedial teaching/coaching for the slow-learners from the weaker socio-economic groups is being organized.
- 4) The University is encouraging the Departments/ faculties to invite guest speakers from other Institutions/ Industry to enrich the knowledge base of students through sharing of ideas and good practices. Every Faculty organizes special talks, lectures, memorial lectures for the benefit of teaching faculty, research scholars and students.

c) Research, Consultancy and Extension

- 1) The University Research Fellowship is available to all the research scholars registered in the Ph.D. and M.Phil. programme through Common Research Entrance Test (CRET). The duration of fellowship for the Ph.D. scholars is four years.
- 2) Incentive based consultancy scheme “Unified consultancy rules” have

been approved by the Executive Council of the University and implemented by the University.

- 3) A provision for seed money for new faculty member has been made in the XI Plan block grant received by the University from the UGC.
- 4) The Department Research Committees have been sensitized to allot such research topics to the research scholars which have contemporary relevance.
- 5) In order to keep the research topics their contemporary relevance, enrolment of scholars from research institutions, industry and government are being encouraged.
- 6) The project fund guidelines have been streamlined to provide greater autonomy to the PI/Co-PI and for providing to them some incentive for undertaking externally funded research projects.
- 7) An online account keeping system needs is being attempted which can be used by the PIs to monitor the expenditure status in a project.

d) Infrastructure and Learning Resources:

- 1) The library automation has been done. The Central Library acts as the nodal Library for all the departmental and faculty level libraries. It lays down policy for procurement of books, journals and other resources.
- 2) Under the non-recurring grant received from the UGC for expansion of infrastructure to accommodate OBC reservation, additional hostel capacity to the tune of nearly 5000 students is being created.
- 3) Under the XI Plan block grant received from the UGC, additional residential capacity for the faculty is being created to attract and retain them.
- 4) The University has taken up major renovation effort of the old buildings under the one-time support from the UGC.

e) Student Support and Progression:

- 1) Remedial coaching for helping the poor students is being organized to prepare them for Civil Services and UGC-NET examinations. Simultaneously, the office of the Dean of Students has been entrusted the task of conducting programmes in personality development, communicative English, stress management, etc. to prepare the students handling other competitive examinations leading to their employment.
- 2) The campus is being made barrier free to make its buildings accessible to the physically challenged. All new buildings under construction have the provision of ramps and necessary additions in the old ones are being made in the phased manner.
- 3) For addressing the grievances of students, Student Grievances Committee

has been constituted that comprises of the Students' Council representatives and Student Advisors of certain faculties.

f) Organisation and management:

- 1) To bring in efficiency in administrative processes, several measures have been initiated. These include weeding of obsolete records, developing tools to monitor disposal of priority items, dak management system to monitor pendency etc.
- 2) The administration was sensitized for prompt action and adapting proactive approach in dealing with matters of teachers and students.
- 3) The Technical Cell of the Vice-chancellor monitored progress of various policy matters and acted as a coordinating body for implementation of decisions taken by authorities.
- 4) An innovative grievance mechanism was initiated wherein the Vice-chancellor listened to the problems of various sectors by inviting few representatives.
- 5) Meetings of senior officers of the University were regularly held. These meetings were in the nature of brain-storming sessions which reflected on various issues related to the administrative, academic and financial management of the University.

VII. Other Actions

- 1) The University has framed and published its Vision for the future which is adequately publicized on the BHU website, newsletters, etc..
- 2) IQAC has been created at the Department and Faculty level which are responsible for working on quality initiatives and implementation of University IQAC's recommendation.
- 3) The BHU News letter publishes regularly about the new initiatives and benchmark achievements made by the Faculty members, departments and other constituent units of the University.
- 4) The university has adopted the UGC Regulations on appointment and promotion of teachers. The said guidelines provide for student assessment of teachers and measurable quality output parameters on which career progression of teachers would depend.

16 Library Facility:

The Banaras Hindu University Library, one of the largest university libraries in the country, had its germ seed in a small but precious collection donated in the memory of Late Justice Kashinath Trimbak Telang by his son Prof. P.K. Telang and housed in the Telang Hall of the Central Hindu College, Kamachha. It is one of the largest University Library Systems in the country. The Banaras Hindu University with 15 faculties comprising 130 subject departments and 4 Interdisciplinary Schools has a library system with the Central Library at the apex, three Institute Libraries, namely, Institute of Agricultural Sciences, Institute of Technology, and Institute of Medical Sciences, 8 Faculty Libraries, 25 Departmental Libraries.

During the financial year 2007-2008, the Central Library added 19915 volumes to its collection. The library subscribed to 888 current Indian and foreign journals. Besides, the library received a good number of journals as gratis. The library has a unique collection of about 7000 Manuscripts, besides the collection of rare books, doctoral dissertations, staff publications, local history collections, etc.

The Central Library has been a Depository Library for publications of the United Nations and its agencies. After the scheme of depositing (free of cost) ceased in 1973, the library continued to obtain U.N. publications by way of depository library subscription scheme and select purchases. BHU Library is a part of UGC-INFONET and INDEST Consortia for e-journals subscription. BHU is having access to above 6000 full-text online journals and databases. BHU library is the only university library in India which has access facility to the Web of Science and Journals Citations Report. Under the INFLIBNET Programme, Banaras Hindu University Library has been recognized as Document Delivery Centre along with the five libraries of the country, to provide electronic delivery of

documents to ensure speedy and quick delivery of documents to the outside users and to encourage and facilitate the resource sharing Central Library has been recognized as a Manuscript conservation Centre (MCC) by National Mission for Manuscripts, Ministry of Culture, Govt. of India.
