

Notice for Student Career Enrichment Programme

Dear Students,

The Career Development Centre of the University is going to organise Student Career Enrichment Programme. The Programme is aimed for enhancing and enriching the employability skills of the Students of B.H.U.

As a part of the programme the Centre is going to organise the First session of the programme on April 6, 2022 which will be titled as "Planning the Career: Your Career Journey". The Session will make the students understand their strengths and weakness and how to work upon them. The session will make main emphasis on self-analysis, career planning and career development analysis.

After completion of programme, Certificate of Participation will be given to all registered students
