BANARAS HINDU UNIVERSITY
OFFICE OF THE REGISTRAR (General Administration)
VARANASI-221005.

Dated: 11th May, 2013

NOTIFICATION

It is notified for information of all concerned that for making the efforts of the University regarding higher education and research more relevant to the society and economy, it is required that while on one hand the industry should provide inputs for the direction which the research in the University should take, on the other hand the technologies/ products/ processes developed by the University through research has to be adequately marketed so that the innovations are put to productive use. With these objectives, the Vice-Chancellor has been pleased to order to create a **Business Cell of Banaras Hindu University** for providing guidelines for development of relevant technology, transfer of technology, business development and promotion of industry - academia interaction.

The constitution of the **Business Cell of Banaras Hindu University** shall be as follows:
