Sir/Madam,

In continuation to this office notification No. Adm./II/UACB/2013-14/9220 dated 21/22.07.2013, I am to quote below the **resolution No. 19** of the **Academic Council** dated **06.07.2013** duly approved by the **Executive Council** vide **Resolution No. 143** dated **17.08.2013** for your information & necessary action:

Resolution No. 19

Considered the enhancement of percentage of **supernumerary seats under employee ward quota** in the courses conducted by the University and Admission to which is made through UET/PET.

The Academic Council was informed that the University has received representation from 330 University employees (Teaching/Non-teaching) for enhancement of supernumerary provision for wards of University employees (Employee Ward Quota) to 15% from the existing level of 10%, in various courses where it currently exists, from the academic session 2013-14. The Academic Council was also informed of Employee Ward Quota as follows:

10% supernumerary seats in all the courses (including special courses) shall be available for the sons/daughters of permanent employees (including those on probation) of BHU currently in service or were so during the academic Session immediately preceding the Session for which the Entrance Test is held, provided the candidate fulfils the minimum eligibility requirements and claims that he/she belongs to employee ward category in the Application Form and qualifies in the UET/PET. Further, wherever the provision of employee ward quota for admission in a course of the University exists, the provision of granting benefit of Employee Ward will be extended to the following two groups of serving and retired/deceased employees also by creating one supernumerary seat (for each group) in addition to the seats available for the employee wards provided the merit index of the wards of the said two groups in the merit of entrance test conducted for admission in the course is not below the last admitted candidate under employee ward quota in that course:

P.T.O.

RSY
18/11/13
26/11/13

- a) employees joining the University on deputation along with the Research Scientists A, B & C of the University; &
- b) wards of the deceased employees and re-engaged/retired BHU employees subject to the condition that the privilege will be available upto the academic year succeeding the year in which the deceased employee would have attained/retired employee attains the age of 65 years.

2. It was also informed that issue of Employee ward quota has been considered by the Academic Council from time to time. **The last revision in the Employee wards quota from 5% to 10% was made effective from the academic session 2010-11 on the recommendations of the Academic Council vide ACR No.44 dated 30.06.2010** duly approved by the Executive Council vide ECR No. 205 dated 21.08.2010.

3. The Academic Council was of the unanimous view that employee ward quota is one of the welfare measures that University offers to its employees. As assurance of quality higher education to the wards of teaching and non-teaching staff of the University is one of the major attractions, this could be used to attract and retain quality manpower when the University makes recruitments. It was also felt that significant increase in resources has been made in last three-four years which may not cause major problems in accommodating extra students under the employee ward quota. With these observations the Academic Council resolved as follows:

RESOLVED that it be recommended to the Executive Council that the proposal for enhancement of supernumerary provision for wards of University employees (Employees Ward Quota) to 15% from the existing level of 10%, in various courses where it currently exists, be approved for implementation from the academic session 2013-14.

Yours faithfully,

Asstt. Registrar (Academic)
