ANNOUNCEMENT AND CALL FOR PAPERS

National Meet of Research Scholars
in
Mathematical Sciences
NMRSMS - 2012

November 18-22, 2012

Sponsored by
Department of Science and Technology,
New Delhi
(Govt. of India)

Organised by
DEPARTMENT OF MATHEMATICS,
&
DST-CENTRE FOR INTERDISCIPLINARY
MATHEMATICAL SCIENCES (CIMS),
Faculty of Science,
Banaras Hindu University,
Varanasi-221 005, U.P., India.

The objective of the **National Meet of Research Scholars** is to provide a forum for young researchers and potential professionals where they may be exposed by some leading experts to the state-of-art of research in different areas of mathematical sciences and to also learn from them research methodologies for carrying out good quality research. The participating research scholars may be from any area of Mathematical Sciences e.g., Mathematics, Statistics, Operations Research and Theoretical Computer Science.

The focus of the activities will be on promoting good research and related research methodologies, encompassing the multidisciplinary nature of Mathematics. The programme of NMRSMS-2012 will include:

- Paper presentations, each of 15 minutes duration, by the participants.
- Interactive sessions with experts with the aim to generate suggestion and guidance for improvements in the content and style of their presentations.
- Participants are encouraged to make poster presentations also.
- Best papers/posters will be given suitable awards on the basis of their content and presentation styles etc.
- Certificates will be given to all those participants who participate in all the activities.
- AC III rail fare will be provided to all participants.
- Boarding and lodging arrangement will be made by the organizers.

Only selected candidates are required to send a non-refundable registration fee of Rs. 500/-

Banaras Hindu University is a central university located in Varanasi, Uttar Pradesh. It was established in 1916 by the great visionary and nationalist leader late Pandit Madan Mohan Malviya, and is one of the largest residential universities in Asia. It has 4 institutes and 14 faculties.

The Department of Mathematics has made significant research contributions in the areas of Functional Analysis, Geometry, Relativity, Mathematical Modelling, Topology, Fluid Mechanics and Fuzzy Mathematics, to name a few.

The Centre for Interdisciplinary Mathematical Sciences (CIMS), BHU has been established by the Department of Science and Technology, Govt. of India in November 2007 to promote research and training in all branches of Mathematics, but particularly those of interdisciplinary nature.

Varanasi is well connected by rail, road and air with all major cities of India. The weather in Varanasi in the month of November remains **moderately cold**.
