Pal BN Room No.G-7, Guru Ravindra Nath Tagore Apartment, IIT (BHU), Vns.	Asstt Prof.	8174917900 bholanpal@gmail.com

We can not divest ourselves of the consciousness of our civilization of our own, which reaches further back and which possesses, as we believe in a special degree, well as the fundamental principles of physical, intellectual and welfare. Amidst all the vicissitudes through which humanity has passed, essentials, clung to that civilization and has ever been a widespread desire in our community that we should hand down our own to preserve and promote our distinctive civilization to youth in the sacred precepts of our religion.

—Mahatma
