I am pleased to learn that the Seventh Edition of BHU Telephone Directory, with all the updates, is being published.

Telephone directory is an important resource to know about the University and its system. It facilitates connect and access to the individual members of the University. In addition, it also contains information about some important officers, persons and institutions of Varanasi and outside.

Correct and well organized database on the contact details adds to the fast and easy connectivity, which are pre-requisites about efficiency and expansion of reach in this fast moving world of today which demands connectivity without the barriers of time and place. I believe that this Telephone Directory is well updated with accurate information for its users to make full and better use of it.

I appreciate the hard and strenuous work of compilation of information and congratulate the team for successfully accomplishing this commendable task.

(Girish Chandra Tripathi)

Telephone Directory 7th Edition

From the Coordinators' Desk

The Seventh Edition of the Telephone Directory (2015) is in your hands now. The BHU Telephone Directory was first published in 2001 thanks to the efforts of the University Administration and personal initiative of Prof. Yamini Bhushan Tripathy who continued to act as the Coordinator Directory Publication Committee till the 2011-12 issue. This year the responsibility was given to me and thanks to the untiring efforts of my team at BHU Press and guidance by members of the Press Management Committee, the job is complete now. I am indebted to our Hon'ble Vice Chancellor Prof. Girish Chandra Tripathy for his blessings, edification, exhortation and support in making this Telephone Directory more useful and felicitous.

Bell inaugurating the telephone link between New York City and Chicago.

This Directory in addition to all three kinds of telephony viz. fixed individual devices (TATA Indicom & BSNL base phones), private branch exchanges (PBX) of Sir Sunder Lal Hospital and mobile devices also provides email and postal addresses of the teaching staff and officers of the University. It provides phone numbers and designation of non-teaching staff of the University, teaching & non-teaching staff of affiliated colleges besides some important numbers of the district-administration.

For a University of our size with 03 Institutes, 15 Faculties, 132 Departments, large number of support departments and over 1500 teaching & 5000 support staff, if anything remains persistent it is the dynamism of the institution. New appointments are regularly made, administrative reshufflings orderly take place, designation & responsibility of teaching & non-teaching staff routinely changes, new teaching/administrative departments & centres are formed based on the needs and requirements of time and members constantly change their addresses and telephone/mobile details. Thus providing up-dated communication details of the University employees is a Herculean task and a job that always remains unfinished. The task becomes all the more difficult considering the fact that response of members against requests to update information is very low and slow. Against these odds, we on our part have tried to include changes as far as possible.

The publication of this issue of Telephone Directory coincides with the Centenary Year of this great University. Although job of Telephone Directory is to only provide communication details, we found it hard to resist our temptation to celebrate the occasion. Just to give to the users a glimpse of the long, momentous and eventful journey of this monumental creation of Pt. Madan Mohan Malaviya Jee, we have included a brief write up by Mr. Dhruv Kr. Singh (Asstt. Professor, Department of History) titled, "Banaras Hindu University: A Vision Realised". We have also included some inspirational quotes of our founding father to enthuse the readers and provided some key facts about our University at places to apprise the University Community of the great institution it is working in. We also have some rare and old photos included. I hope the users would find these in tune with the occasion.

I owe special thanks to the members of the Press Management Committee- its Chairman Prof. H.L. Prajapati and members Shri. K.P. Upadhyay (Registrar), Shri AbhayKr. Thakur (Finance Officer)&Prof.Santosh Kumar (IIT, BHU). I am also thankful to the Directors of the Institutes, Deans of the Faculties, Heads of the Department, Coordinators of the Centres & Heads of different Sections & Department of the University for providing the information sought by us. The support staff of BHU Press has contributed tremendously in typing, updating, printing & publishing this Directory, I owe my gratitude to them. I also thank the Mahamana Archive, Office of the APRO, Dr. Anurag Dave & Shri Anupam of Department of Journalism & Mass Communication and Publication Cell for making available some rare photographs and information. Last, I thank various organisations for providing financial assistance through their advertisements.
