INFORMATION AND INSTRUCTIONS FOR BIDDERS FOR e-TENDERING

The Superintending Engineer, university Electric & Water Supply Services, on behalf of Registrar of Banaras Hindu University, Varanasi, India invites online Limited E-Tenders on item wise basis in Single Bid system from registered/ approved/ eligible firms/ contractors of EWSS for the following work : -

S.NO	Description	
1	Tender Ref. No.	EWSS /2020-21/EL/E-Erection/ENQ -04 Dated: 18.03.2021
2	Name of Works& Location	Electrical Earthing/ Fabrication Work
3	Estimated cost put to tender	Rs. 5,00,000/-
4	Earnest Money	Rs. 10,000/-
5	Period of Completion	As per site requirement
6	Last Date & Time of Submission of Technical And Financial Bids	29.04.2021 by 4.00 PM
7	Date of opening of BID	01.05.2021 at 3.00 PM

1. Contractors who fulfill the following requirements shall be eligible to apply. **Joint ventures are not accepted.**
 - (a) Should have satisfactorily completed the jobs as mentioned below during the last Seven years ending 31st March, 2020: -
 - (i) Three similar works each costing not less than Rs. **2.00lacs** or two similar works each costing not less than Rs. **3.00lacs** or one similar work costing not less than Rs. **4.00lacs**.

And

 - (ii) One completed job of similar nature (either part of (i) above or a separate one) costing not less than Rs. **2.00lacs** with some Central Govt. Department/ State Government Department / Central Autonomous Body/ State Autonomous Body/ Central Public Sector Undertaking/ State Public Sector Undertaking /City development Authority/ Municipal Corporation of City formed under any Act by Central/ State Government and published in Central/ State Gazette.

Similar job shall mean “**Electrical Earthing/ Fabrication Work etc. in any organization**”. The value of executed job shall be brought to the current costing level by enhancing the actual value of job at simple rate of 7% per annum; calculated from the date of completion to last date of receipt of applications for bids.

 - (iii) **While considering any similar job executed by applicant firm under joint venture, the experience of the applicant firm in that job shall be restricted to its share/responsibilities as reflected in the Memorandum of Understanding (MoU), signed between the parties, while forming joint venture for that job, attested copy of which shall be submitted along with the technical bid.**
 - (b) Should have had average annual financial turnover of `Rs. **1.50Lacs** on similar works during the last three consecutive financial years ending 31st March 2020(**scanned copy of certificate from CA to be uploaded**)
 - (c) Should not have incurred any loss in more than two years during the last five years ending **31st March, 2020**.
 - (d) Should have a solvency certificate of `Rs. **2.00Lacs** issued by Bank during the last six months (**Scanned copy of original solvency to be uploaded**)
2. The intending bidder must read the terms and conditions carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.

The agency should also enclose along with the documents a separate annexure showing the details of the works which he intends to be considered for deciding his fulfillment of eligibility criteria as per the requirements of the NIT provisions.
3. Information and Instructions for bidders posted on website shall form bid document.

4. The bid document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website www.eprocure.gov.in or www.bhu.ac.in free of cost.
5. But the bid can only be submitted after giving the details of the mandatory documents such as Demand-Draft or Fixed Deposit Receipts or Bank Guarantee of any Scheduled Bank towards EMD in favor of **Superintending Engineer, Electric & Water Supply Services, Banaras Hindu University, Varanasi** and others scanned documents as specified.
6. Those contractors not registered on www.eprocure.gov.in website, are required to get registered beforehand. If needed they can be imparted training on online bidding process as per details available on the website.
7. The intending bidders must have valid Class-III digital signature to submit the bid.
8. On opening date of the financial bid, the contractor can login and see the bid opening process. After opening of bids he will receive the competitor bid sheets.
9. Contractor can upload documents in the form of PDF format.
10. Contractor must ensure to quote rate of each item.
In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0".
Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO).
11. The department reserves the right to reject any prospective application without assigning any reason whatsoever and to restrict the list of qualified contractors to any number deemed suitable by it, if too many bids are received satisfying the laid down criterion.
12. Integrity Pact of the bid document shall be signed between Superintending Engineer in-charge of work and the successful bidder after acceptance of the bid.
13. The EMD can be paid in the form of Demand Draft or Fixed Deposit Receipts or Bank Guarantee of any Scheduled Bank. The intending bidder has to fill all the details such as Banker's name, Demand Draft/Fixed Deposit Receipt/ Bank Guarantee, amount and date/ bank Guarantee.

List of Documents to be scanned and uploaded up to date and time mentioned above:

1. Electrical contractor's License 'A class'
2. Certificates of Work Experience.
3. Certificate of Financial Turnover from CA for the last three consecutive financial years.
4. Certificate of Registration for GST/IT & Income Tax Return for the last three consecutive financial years.
5. Bank Solvency Certificate issued by any scheduled bank.
6. Affidavit as per provision of Clause-1.2.2 of **EWSS e-TENDER**
7. Integrity Pact & EWSS Form-1 duly signed by the Tenderer.
8. Any Other document as specified in Eligibility Criteria and/or in EWSS e-TENDER

envelopes superscripted as "Earnest Money" with name of work/job and due date of opening of the tender also mentioned thereon.

6. Copy of certificate of work experience, certificate of financial turnover from CA, Certificate of Registration for GST/IT, Bank Solvency Certificate and all other documents mentioned in the NIT shall be scanned and uploaded to the e-tendering website within the period of tender submission and certified copy of each of them shall be deposited in a separate envelope marked as "Eligibility Documents"

Both the envelopes shall be placed in another envelope with due mention of Name of work/ job and due date of opening of tenders and to be submitted in the office of Superintending Engineer, EWSS, BHU, Varanasi before last date & time of submission of bid and up to **4.00 PM on 29.04.2021** The documents submitted shall be opened at **03:00 PM on 01.05.2021**

Online Bid Documents submitted by intending bidders shall be opened only for those bidders, whose Earnest Money deposit and other documents placed in the envelope are found in order.

7. The bid submitted shall become invalid and cost of bid & e-Tender processing fee may not be refunded if:
- The bidders is found ineligible.
 - The bidders does not upload all the documents (including GST/IT Registration) as stipulated in the bid document.
 - If any discrepancy is noticed between the documents as uploaded at the time of submission of bid and hard copies as submitted physically in the office of tender opening authority.
8. The competent authority on behalf of the University does not bind itself to accept the lowest tender or any other tender and reserves to itself the authority to reject any or all the tenders received without assigning any reason whatsoever. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.
9. Canvassing whether directly or indirectly, in connection with tenderers is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
10. The competent authority on behalf of university reserves to himself the right of accepting the whole or any part of the bid and the bidders shall be bound to perform the same at the rate quoted.
11. The contractor shall not be permitted to tender for works/job in the EWSS, if his near relative is posted as an officer in any capacity between the grades of Superintending Engineer and Assistant Engineer (both inclusive).. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.
12. No Engineer of gazetted rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
13. The bid for the works shall remain open for acceptance for a period of (120) one hundred twenty days from the date of opening of financial bids. If any bidder withdraws his bid before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the bid which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the bidders shall not be allowed to participate in the re-bidding process of the work.
14. The tenderers shall quote price for each item strictly as per price schedule (BOQ). Any discount to be considered by the tenderers shall be included in the basic price in the price schedule (BOQ). Hence basic price shall be determined by the tenderers after considering the discount if any.
15. Bids will be evaluated for each item and the work Contract/ order will be awarded to the Bidders on the basis of lowest rates for all the items
16. Scheduled completion Period:
The work shall be completed within the period of time as instructed by Engineer Incharge of EWSS. The site clearance for each location shall be given as & when available
17. Terms of Payment:
- The contractor shall not be paid any advance in any form or deposit for work.
 - Payment shall be made on bill basis after compilation of work.

INTEGRITY PACT

To,

.....*.....,
.....*.....,
.....*.....

Sub:NIT No.-----for the
Electrical Earthing/ Fabrication Work

Dear Sir,

It is hereby declared that EWSS is committed to follow the principle of transparency, equity and competitiveness in public procurement/ work.

The subject Notice Inviting Tender (NIT) is an invitation to offer made on the condition that the Tenderer will sign the integrity Agreement, which is an integral part of tender/tender documents, failing which the tenderer will stand disqualified from the tendering process and the tender of the tenderer would be summarily rejected.

This declaration shall form part and parcel of the Integrity Agreement and signing of the same shall be deemed as acceptance and signing of the Integrity Agreement on behalf of Registrar, Banaras Hindu University.

Yours faithfully

Superintending Engineer

To,

Superintending
Engineer, Electric & Water Supply
Services,
Banaras Hindu
University, Varanasi.

Sub: Submission of Tender for the work of
Electrical Earthing/ Fabrication Work.

Dear Sir,

I/We acknowledge that EWSS is committed to follow the principles thereof as enumerated in the Integrity Agreement enclosed with the tender/tender document.

I/We agree that the Notice Inviting Tender (NIT) is an invitation to offer made on the condition that I/We will sign the enclosed integrity Agreement, which is an integral part of tender documents, failing which I/We will stand disqualified from the tendering process. I/We acknowledge that the making of the tender shall be regarded as an unconditional and absolute acceptance of this condition of the NIT.

I/We confirm acceptance and compliance with the Integrity Agreement in letter and spirit and further agree that execution of the said Integrity Agreement shall be separate and distinct from the main contract, which will come into existence when tender/tender is finally accepted by EWSS. I/We acknowledge and accept the duration of the Integrity Agreement, which shall be in the line with Article 1 of the enclosed Integrity Agreement.

I/We acknowledge that in the event of my/our failure to sign and accept the Integrity Agreement, while submitting the tender/tender, EWSS shall have, absolute and unfettered right to disqualify the tenderer and reject the tender in accordance with terms and conditions of the tender.

Yours faithfully

(Duly authorized signatory of the Tenderer)

**BANARAS HINDU UNIVERSITY
ELECTRIC & WATER SUPPLY SERVICES**

(A) Tender for the work of:

Electrical Earthing/ Fabrication Work

(Time)

(Date)

- (i) To be submitted by **4.00 PM on 29.04.2021** in the office of Superintending Engineer, EWSS, BHU, Varanasi.
- (ii) To be opened in presence of tenderers who may be present at **03:00 PM on 01.05.2021** in the office of the Superintending Engineer, Electric & Water Supply Services, BHU, Varanasi

TENDER

I/We have read and examined the notice inviting tender, schedule, A, B, C, D, E & F Specifications applicable, Drawings & Designs, General Rules and Directions, Conditions of Contract, clauses of contract, Special conditions, Schedule of Rate & other documents and Rules referred to in the conditions of contract and all other contents in the tender document for the work.

I/We hereby tender for the execution of the work/job specified for the President of India within the time specified in Schedule 'F' viz., schedule of quantities and in accordance in all respect with the specifications, designs, drawing and instructions in writing referred to in Rule-1 of General Rules and Directions and in Clause 11 of the Conditions of contract and with such materials as are provided for, by, and in respect of accordance with, such conditions so far as applicable.

We agree to keep the tender open for 120 (one hundred twenty) days from the due date of its opening and notto make any modification in its terms and conditions.

A sum of **Rs.10,000/-** is hereby forwarded in fixed deposit receipt of scheduled bank/demand draft of a scheduled bank as earnest money. If I/We, fail to furnish the prescribed performance guarantee within prescribed period. I/We agree that the university has to right to forfeit the said earnest money absolutely. Further, if I/We fail to commence work as specified, I/We agree that the university has to right to forfeit the said performance guarantee absolutely. The said performance guarantee shall be a guarantee to execute all the works referred to in the tender documents upon the terms and conditions contained or referred to those in excess of that limit at the rates to be determined in accordance with the provision contained in Clause 12.2 and 12.3 of the tender form. Further, I/We agree that in case of forfeiture of Earnest Money or Performance Guarantee as aforesaid, I/We shall be debarred for participation in the re-tendering process of the work.

I/We undertake and confirm that eligible similar work(s) has/have not been got executed through another contractor on back to back basis. Further that, if such a violation comes to the notice of Department, then I/We shall be debarred for tendering in EWSS in future forever. Also, if such a violation comes to the notice of Department before date of start of work, the Engineer-in-Charge shall be free to forfeit the entire amount of Earnest Money Deposit.

I/We hereby declare that I/We shall treat the tender documents drawings and other records connected with the work as secret/confidential documents and shall not communicate information/derived therefrom to any person other than a person to whom I/We am/are authorized to communicate the same or use the information in any manner prejudicial to the safety of the State.

General Terms & conditions of contract

1. The University does not bind itself to accept the lowest tender or any other tender & reserves the right to split the work into more than one tenderer. The University also reserves the right to reject all or any of the tenders without assigning any reason whatsoever.
2. In the case of any tender where unit rate of any item/items appear unrealistic, such tender will be considered as unbalanced and in case the tenderer is unable to provide satisfactory explanation, such a tender is liable to be disqualified and rejected.
3. The work shall be carried out completely in the neat manner & all the installation shall meet the requirement of the latest amendment/revision of the Indian Electricity Rules and other statutory regulations viz U.P. State construction & labor laws as applicable to BHU as far as safety, earthing etc. are concerned.
4. All safety rules & codes shall have to be followed without any exception.
5. The contractor shall have to submit, if required his valid labour license & employees provident fund registration documents before commencement of work.
6. All the statutory deductions viz. Income Tax, GST on works contracts etc. if required, shall be made from the contractor's bills as per rules/regulations/acts in force
7. The contractor shall fully comply with all legal orders and directions of the Public or local authorities or municipality by their rules and regulations and pay all fees and charges for which he may be liable in this regard. Nothing extra shall be paid/reimbursed for the same.
8. Some restrictions may be imposed by the security staff etc. on the working and for movement of labour, materials etc. The contractor shall be bound to follow all such restrictions/instructions and nothing extra shall be payable on account of the same.
9. The entire work shall have to be supervised by competent supervisors of the contractor.
10. Safe keeping & storage of equipment & materials (both free supply items issued to the contractor & the items in his scope of supply) shall be the responsibility of the contractor till the same is handed over to the purchaser without any extra cost. The University shall in no way be responsible for any loss/ damage to the materials on any account.
11. All loading, unloading, handling & transportation of materials /equipment in contractor's own transport from EWSS's store/yard/shops to site shall be contractor's responsibility & to be done at his own cost.
12. The contractor shall be responsible for quality of workmanship/material supplied by them. Any defect/deficiencies pointed out by the Engineer incharge during or after erection shall be made good as directed without any extra cost to the purchaser.
13. All necessary tools, tackles and equipment required for execution of the work including arranging welding m/cs, hand drilling m/cs, gas cutting, grinding m/c etc. shall be supplied and maintained by the contractor at his own cost.
14. The contractor shall be responsible for the repair jobs of any damages made by him during execution of work.
15. The tenderer shall also include in his scope such materials which are not categorically mentioned in the bill of material but are required for the completeness of the work.
16. The unit prices in the bill of quantities against the item of work shall be inclusive of all installation accessories, services, consumables, e.g. saddle, flats, fasteners, paints, welding, wire termination with Cu lugs of suitable sizes etc. necessary to complete the said work within the contemplation of contract.
17. The acceptance of all equipment/materials in the scope of contractor's supply are subject to inspection & approval at destination/site by EWSS and the rejected materials shall immediately be removed by the contractor from site at his own cost. The equipment/materials shall only be installed after receipt of clearance to this effect from the Engineer In charge of EWSS.
18. The contractor shall make his own arrangements for electricity and water required for the execution of work.
19. Throughout the execution of the work, the contractor shall perform clean-up on a day-to-day basis. Contractor shall be responsible for regular removal and cleaning of spillage/debris/ fall-outs etc., if any, from the operational, maintenance areas etc. consequent to and arising out of his work by removing & disposing spillage/accumulation as may be necessary and/or directed by EWSS at his own cost and arrangement to dumping site for refuse etc.

SCOPE OF WORK & SPECIFICATION**Electrical Earthing/ Fabrication Work**

Sr. No	Item Description	Quantity
1.0	Construction of the following earth stations with GI earth electrodes of min. 10 feet length B class medium guage as per IS : 3043. The GI pipes shall be of QST/Jindal /ISI approved make and shall have perforation & suitable holes for connection of earth strips. The top portion of the electrodes shall be enclosed in a 300mm x 400mm x 400mm brick masonry enclosure and provide with RCC top cover slab, GI strainer etc. Earth station shall be complete with back filling & compacting with a homogeneous mixture of sand, charcoal & salt up to the level as per standard norms. All the materials required for earth station viz GI pipes, bricks, strainer, sand, charcoal, salt, concrete materials etc. shall be supplied by the contractor & shall be included in the prices.	
1.1	Earth station with 50mm dia single electrode in hard/ rocky soil	Each
1.2	Earth station with 50mm dia single electrode in normal soil	Each
1.3	Earth station with 50mm dia 2 electrodes in hard/ rocky soil	Each
2.0	Supply & installation of GI earth strips/ wires in the following manner & sizes complete with fabrication, jointing & tapping of earth conductors by welding & inclusive of all installation accessories & consumables. The GI earth conductors shall be installed on wall/ structure/ cable trays/ concrete trench with GI clamps or welded to structure at suitable intervals wherever applicable. All the welded joints of earth conductors shall be painted with anti-corrosive compound.	
2.1	50mm x 5mm GI Flats	Per Mtr.
2.2	25mm x 5mm GI Flats	Per Mtr.
2.3	25mm x 3mmGI Flats	Per Mtr.
2.4	8/10 SWG GI wire	Per Kg.
3.0	Supply & installation of GI earth strips/ wires in the following manner & sizes complete with fabrication, jointing & tapping of earth conductors by welding & inclusive of all installation accessories & consumables. The earth conductors shall be buried underground at a depth of 400mm from the finished ground level including excavation of earth, backfilling and ramming. All the welded joints of earth conductors buried in ground shall be painted with anti-corrosive compound.	
3.1	50mm x 5mm GI Flats in hard/ rocky soil	Per Mtr.
3.2	50mm x 5mm GI Flats in normal soil	Per Mtr.
3.3	25mm x 5mm GI Flats in hard/ rocky soil	Per Mtr.
3.4	25mm x 5mm GI Flats in normal soil	Per Mtr.
3.5	25mm x 3mm GI Flats in hard/ rocky soil	Per Mtr.
3.6	25mm x 3mm GI Flats in normal soil	Per Mtr.
3.7	8/10 SWG GI wire in hard/ rocky soil	Per Kg.
3.8	8/10 SWG GI wire in normal soil	Per Kg.
4.0	Supply & installation of GI flats of the following sizes. The GI earth flats shall be supported by Insulators of suitable size over the parapet wall of buildings & also onto the wall of buildings. The distance between insulators should not be more than 800mm. Supply of all installation accessories viz fastness, cement mortar for grouting, Insulators etc shall be included in the scope of work.	
4.1	50mm x 5mm GI flats	Per Mtr.
4.2	25mm x 5mm GI flats	Per Mtr.
5.0	Supply, fabrication & erection of MS angle/channel ladder trays, cleats, base frame, foundation/ mounting frame, structural supports, cable brackets, supports, inserts etc. complete with supply of standard steel sections, consumables, welding rods etc. Fabricated/ erected steel structures shall be painted with one coat of primer followed by two coats of synthetic enamel paints of approved make including supply of paint & primer.	Per Kg.

6.0	Supply, fabrication & installation of sheet steel boxes/ JB's/ enclosures etc, kick guards & other cable accessories as required complete with supply of 2.0 / 3.0mm sheet steel, consumables, welding rods etc. The steel sheet work shall be painted with one coat of primer followed by two coats of paints of approved make including supply of primer & paint.	Per Kg.
7.0	Construction of earth station with copper plate 600mm x 600mm x3mm thick, 25mm x 3mm cu strips of 3m length & watering 40mm dia GI pipe 10 feet long as per IS: 3043. The Copper plate & cu-strips shall be of high conductivity copper of electrical grade as per IS: 6050 & shall be uniform in cross-section throughout its surface & length respectively. The GI pipe shall be of B-class medium guage, QST/Jindal/ISI approved make and shall have perforation & suitable holes for connection of earth strips. The top portion of the electrodes shall be enclosed in a 300mm x 400mm x 400mm brick masonry enclosure with cover plate having locking arrangement or RCC Top cover slab as per site requirement. Earth station shall be complete with back filling & compacting with a homogeneous mixture of sand, charcoal & salt up to the level as per standard norms. All the materials required for earth station viz copper plate, copper strips, GI pipes, bricks, strainer, sand charcoal, salt, concrete materials etc. shall be supplied by the contractors & shall be included in the prices.	Each
8.0	Supply & applying insulating paint for epoxy coating of 11KV/33KV H.V. bushing insulators.	Per Ltr.
