Part-1

Bidding Procedures

Section I: Instructions for Online Bid Submission

Instructions to the Bidders to submit the bids online through the Central Public Procurement Portal for e Procurement at <https://eprocure.gov.in/eprocure/app>.

1. Possession of valid Digital Signature Certificate (DSC) and enrollment/registration of the contractors/bidders on the e-Procurement/e-tender portal are prerequisite for e-tendering.
2. Bidder should register for the enrollment in the e-Procurement site using the “Online Bidder Enrollment” option available on the home page. Portal enrollment is generally free of charge. During enrollment/registration, the bidders should provide only valid and true information including valid email id. All the correspondence shall be made directly with the contractors/bidders through email id as registered.
3. Bidder need to login to the site through their user ID/ password chosen during enrollment/registration.
4. Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFY/TCS/nCode/eMudra or any other Certifying Authority recognized by Controller of Certifying Authorities (CCA) India on eToken/SmartCard, should be registered.
5. The registered DSC only should be used by the bidder in the transactions and should ensure safety of the same.
6. Contractor/Bidder may go through the tenders published on the site and download the tender documents/schedules for the tenders.
7. After downloading / getting the tender document/schedules, the Bidder should go through them carefully and then submit the documents as required, otherwise bid will be rejected.
8. Any clarifications may be sought online through the tender site, through the contact details or during pre-bid meeting if any. Bidder should take into account the corrigendum if any published before submitting the bids online.
9. Bidder may log in to the site through the secured login by the user id/ password chosen during enrolment/registration and then by submitting the password of the e-Token/Smartcard to access DSC.
10. Bidder may select the tender in which he/she is interested in by using the search option and then move it to the ‘my tenders’ folder.
11. From my tender folder, he may select the tender to view all the details uploaded there.

12. It shall be deemed that the bidder has read and understood all the terms and conditions before submitting the offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the incomplete bid shall stand rejected.
13. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and ordinarily it shall be in PDF/xls/rar/jpg/dwf formats. If there is more than one document, all may be clubbed together and provided in the requested format. Bidders Bid documents may be scanned with 100 dpi with black and white option. It is advisable that each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip/rar and the same if permitted may be uploaded. The file size being less than 1 MB the transaction uploading time will be very fast.
14. The Bidders can update well in advance, the documents such as certificates, annual report details etc., under “My Space option” and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.
15. Bidder should submit the Tender Fee/ EMD as specified in the tender. The hard copy should be posted/couriered/given in person to the Tender Inviting Authority, within bid submission due date and time as indicated in the tender. Scanned copy of the instrument should be uploaded as part of the offer.
16. While submitting the bids online, the bidder shall read the terms and conditions and may accept the same to proceed further to submit the bid packets.
17. The bidder has to select the payment option as offline to pay the Tender FEE/ EMD as applicable and enter details of the instruments.
18. The details of the DD/any other accepted instrument, physically delivered, should tally with the details available in the scanned copy and the data entered during bid submission time, otherwise submitted bid shall not be acceptable or liable for rejection.
19. The bidder has to digitally sign and upload the required bid documents one by one as indicated. Very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read, understood and agreed with all clauses of the bid document including General conditions of contract without any exception.
20. The bidder has to upload the relevant files required as indicated in the cover content. In case of any irrelevant files, the bid may be rejected.
21. If the price bid format is provided in a spread sheet file like BoQ_XXXX.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Priced-bid/BOQ template shall not be modified / replaced by the bidder; else the bid submitted is liable to be rejected for the tender.

22. The bidders are advised to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission due date and time (as per Server System Clock). The TIA shall not be held responsible for any delay or the difficulties faced during the submission of bids online by the bidders.
23. After the bid submission (i.e. after Clicking “Freeze Bid Submission” in the portal), the acknowledgement number indicated by the system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and also be used as entry pass to participate in the bid opening.
24. The time settings fixed in the server side and displayed at the top of the tender site, shall remain valid for all actions of requesting, bid submission, bid opening etc., in the e-Tender system. The bidders should follow such time during bid submission.
25. All the data being entered by the bidders would be encrypted using Public Key Infrastructure (PKI) encryption techniques to ensure the secrecy of the data. The data entered is not retrievable by unauthorized persons during the bid submission and until the time of bid opening by any person.
26. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers’ public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
27. The confidentiality of the bids is maintained with the use of Secured Socket Layer (SSL) 128 bit encryption technology. Data storage encryption of sensitive fields is done.
28. The bidder should logout of the tendering system using the normal logout option available at the top right hand corner and not by selecting the (X) exit option in the browser.
29. For any queries regarding e-Tendering process, the bidders may contact at address as provided in the tender document. Parallely for any further queries, the bidders are advised to contact over phone: **1-800-233-7315** or send an e-mail to – cppp-nic@nic.in.

Section II. Instructions to Bidders

A. General

- 1. Scope of Bid**
 - 1.1 Scope of Work :
 - a. Supply of **Wavelength Dispersive X-Ray Fluorescence (WD-XRF) Spectrometer and sample preparation units** as per Specifications.
 - 1.2 Throughout these Bidding Documents unless the context otherwise requires:
 - a. “in writing” means communicated in written form (e.g. by mail, e-mail, fax, telex) with proof of receipt;
 - b. “singular” means “plural” and vice versa; and
 - c. “day” means calendar day.
- 2. Corrupt and Fraudulent Practices**
 - 2.1 The Purchaser requires compliance with its policy in regard to corrupt and fraudulent practices as set forth in Section V.
 - 2.2 Further in pursuance of this policy, Bidder shall permit and cause its agents (whether declared or not), sub-contractors, sub-consultants, service providers or suppliers to provide access to purchaser to all the accounts, records and other documents relating to submission of the applicant, bid submission (in case prequalified), and contract performance (in case of award), to inspect and to have them audited by auditors appointed by the purchaser.
- 3. Eligible Bidders**
 - 3.1 A Bidder may be a firm, a company, a limited liability partnership (LLP), a government-owned entity or any combination of such entities in the form of a joint venture (JV) under an existing agreement or with the intent to enter into such an agreement supported by a letter of intent.
 - 3.2 In the case of a joint venture, all members shall be jointly and severally liable for the execution of the contract in accordance with the Contract terms. The JV shall nominate a Representative who shall have the authority to conduct all business for and on behalf of any and all the members of the JV during the bidding process and during the contract execution in the event the JV is awarded the contract.
 - 3.3 A Bidder shall not have a conflict of interest. Any Bidder found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest for the purpose of this bidding process, if the Bidder:

- a. directly or indirectly controls, is controlled by or is under common control with another Bidder; or
- b. receives or has received any direct or indirect subsidy from another Bidder; or
- c. has the same legal representative as another Bidder; or
- d. has a relationship with another Bidder, directly or through common third parties, that puts it in a position to influence the bid of another Bidder, or influence the decisions of the Purchaser regarding this bidding process; or
- e. participates in more than one bid in this bidding process. Participation by a Bidder in more than one Bid shall result in the disqualification of all Bids in which such Bidder is involved. This, however does not limit the inclusion of the same subcontractor in more than one bid; or
- f. any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the works that are the subject of the bid; or
- g. any of its affiliates has been hired (or is proposed to be hired) by the Purchaser for the contract implementation; or
- h. would be providing goods, works, or non-consulting services resulting from or directly related to consulting services for the preparation or implementation of the project that it provided or was provided by any affiliate that directly or indirectly controls, is controlled by, or is under common control with that firm; or
- i. has a close business or family relationship with a professional staff of the Purchaser (or of the project implementing agency, or of a recipient of a part of the loan) who:
 - (i) are directly or indirectly involved in the preparation of the bidding documents or specifications of the contract, and/or the bid evaluation process of such contract; or
 - (ii) would be involved in the implementation or supervision of such contract.

3.4 A foreign firm and individual may be ineligible if as a matter of law or regulations, India prohibits commercial relations with the country of bidder.

3.5 A Bidder shall provide such evidence of eligibility satisfactory to the Purchaser, as the Purchaser shall reasonably request.

B. Contents of Bidding Document

4 Sections of Bidding Document

4.1 The Bidding Documents consist of Parts 1, 2 ,3 and 4, which include all the Sections indicated below, and should be read in conjunction with any Addenda if any, issued.

Part 1: Bidding Procedures

- Section I. Instructions for Online Bid Submission
- Section II. Instructions to Bidders
- Section III. Bid Data Sheet (BDS)
- Section IV. Prequalification
- Section V. Policy of University against the Corrupt and fraudulent Practices

Part 2: Supply Requirements

- Section VI. Schedule of Requirements

Part 3: Contract

- Section VII. General Conditions of Contract
- Section VIII. Special Conditions of Contract

Part 4: Bidding and Contract Forms

- Section IX. Bidding Forms
- Section X. Contract Forms

4.2 The Invitation for Bids issued by the Purchaser is not part of the Bidding Document.

4.3 Unless obtained directly from the Purchaser, the Purchaser is not responsible for the completeness of the document, responses to requests for clarification, the Minutes of the pre-Bid meeting (if any), or Addenda to the Bidding Document. In case of any contradiction, documents obtained directly from the Purchaser shall prevail.

4.4 The Bidder is expected to examine all instructions, forms, terms, and specifications in the Bidding Documents and to furnish with its Bid all information or documentation as required by the Bidding Documents.

5 Clarification of Bidding Documents, Site Visit, Pre-Bid Meeting

- 5.1 A Bidder requiring any clarification of the Bidding Document shall contact the Purchaser in writing at the Purchaser's address specified in the BDS or raise its enquiries during the pre-bid meeting if provided. The Purchaser will respond in writing to any request for clarification, provided that such request is received prior to the deadline for submission of bids within a period specified in the BDS. The Purchaser shall forward copies of its response to all Bidders who have acquired the Bidding Documents, including a description of the inquiry but without identifying its source. If so specified in the BDS, the Purchaser shall also promptly publish its response at the web page identified in the BDS. Should the clarification results in changes to the essential elements of the Bidding Documents, the Purchaser shall amend the Bidding Documents following the due procedure.
- 5.2 If so specified in the BDS, the Bidder is advised to visit and examine the project site and obtain for itself on its own responsibility all information that may be necessary for preparing the bid and entering into a contract for procurement of Goods. The costs of visiting shall be at the Bidder's own expense.
- 5.3 The Bidder and any of its personnel or agents shall be granted permission by the Purchaser to enter upon its premises and lands upon the express condition that the Bidder, its personnel, and agents shall indemnify the Purchaser against all liability in respect thereof.
- 5.4 If so specified in the BDS, the Bidder's designated representative is invited to attend a pre-bid meeting. The purpose of the meeting will be to clarify issues and to answer questions on any matter that may be raised at that stage.
- 5.5 The Bidder is advised to submit any questions in writing to reach the Purchaser not beyond one week preceding the meeting.
- 5.6 Minutes of the pre-bid meeting, if applicable, including the text of the questions asked by Bidders, without identifying the source, and the responses given, together with any responses prepared after the meeting, will be transmitted promptly to all Bidders who have acquired the Bidding Documents. Any modification to the Bidding Documents that may become necessary as a result of the pre-bid meeting shall be made by the Purchaser exclusively through the issue of an addendum and not through the minutes of the pre-bid meeting. Absence in the pre-bid meeting shall not be a cause for disqualification of a Bidder.

- 6 Amendment of Bidding Document**
- 6.1 At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by corrigendum. In case of e-procurement, corrigendum / amendment shall be published on <http://eprocure.gov.in/eprocure/app>.
- 6.2 Any addendum issued shall be part of the Bidding Documents and shall be communicated in writing to all who have obtained the Bidding Documents from the Purchaser. The Purchaser shall also promptly publish the addendum on the Purchaser's web page.
- 6.3 The Purchaser may, at its discretion to give prospective Bidders reasonable time in which to take an addendum into account in preparing their bids, extend the deadline for the submission of bids.

C. Preparation of Bids

- 7 Cost of Bidding**
- 7.1 The Bidder shall bear all costs associated with the preparation and submission of its bid, and the Purchaser shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.
- 8 Language of Bid**
- 8.1 The Bid, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser, shall be written in the language specified in the BDS. Supporting documents and printed literature that are part of the Bid may be in another language provided they are accompanied by an accurate translation of the relevant passages into the language specified in the BDS, in which case, for purposes of interpretation of the Bid, such translation shall govern.
- 9 Documents Comprising the Bid**
- 9.1 The tender/Bid shall be submitted online in two part, viz., Technical Bid and Commercial Bid.

9.1.1 TECHNICAL BID

The following documents are to be scanned and uploaded as part of the Technical Bid as per the tender document:

- (a) Scanned copy of Tender Forms (Techno Commercial Un-Priced Bid) and Tender Acceptance Letter);

- (b) Scanned copy of the completed schedules,
- (c) Scanned copy of Bid Security or copy of proof for submission of Tender Document Fee/ Earnest Money Deposit etc.;
- (d) Scanned copy of written confirmation authorizing the signatory of the Bid to commit the Bidder;
- (e) Scanned copy of documentary evidence
 - (i) establishing the Bidder's qualifications to perform the contract if its bid is accepted and
 - (ii) the Bidder's eligibility to bid;
- (f) Scanned copy of
 - (i) documentary evidence, that the Goods and Related Services to be supplied by the Bidder are of eligible origin and
 - (ii) conform to the Bidding Documents, and
 - (iii) any other document required in the BDS;
- (g) Scanned copy of Pre-qualification Details as per Section-IV like PAN/TIN/Sales Tax / Service Tax etc.
- (h) Technical Bid.
- (i) Technical compliance Annexure-A.

All the original documents as well as the original payment instrument like Demand Draft/Bank Guarantee /Pay order or banker cheque of any scheduled bank against Tender Fee/EMD, samples as specified in this tender document have to be sent to the address of the Purchaser mentioned in Bid Data Sheet (BDS) by post/speed post/courier/by hand on or before bid Submission closing date & time. Beyond that the tender shall be summarily rejected without assigning any reason.

9.1.2 **COMMERCIAL BID**

The commercial bid comprises of :

- (i) Scanned copy of Tender Form (Price Bid)
- (ii) Price bid in the form of BoQ_XXXX.xls.
- (iii) Scanned copy of item wise breakup of price bid.

The Price bid format is provided as BoQ_XXXX.xls along with this Tender Document at <http://eprocure.gov.in/eprocure/app>. Bidders are advised to download this BoQ_XXXX.xls and quote their offer/rates in the prescribed column. Bidders can quote Basic Price in INR or CURRENCY (for other than INR) but it is mandatory to quote taxes/levies in INR only, in the prescribed column and

upload the same in the commercial bid.

9.2 In addition to the above requirements, bids submitted by a JV shall include a copy of the Joint Venture Agreement entered into by all members. Alternatively, a letter of intent to execute a Joint Venture Agreement in the event of a successful bid shall be signed by all members and submitted with the bid, together with a copy of the proposed Agreement, there to.

9.3 The Bidder shall furnish in the Tender Forms information on commissions and gratuities, if any, paid or to be paid to agents or any other party relating to this Bid.

10 Tender Forms(Technical and Price) and Price Schedule(BOQ)

10.1 Tender Forms and Price Schedules (Bill of Quantity-BOQ) shall be prepared using the relevant forms furnished in Section IX, Bidding Forms and BOQ provided. The forms must be completed without any alterations to the text, and no substitutes shall be accepted. All blank spaces shall be filled in with the information requested.

11 Alternative Bids

11.1 Unless otherwise specified in the BDS, alternative bids shall not be considered.

12 Bid Prices and Discounts

12.1 The prices and discounts quoted by the Bidder in the Tender Forms and in the Price Schedules (BOQ) shall conform to the requirements specified as under.

(a) All lots (contracts) and items must be listed and priced separately in the Price Schedules (BOQ).

(b) The price to be quoted in the Tender Forms shall be the total price of the bid, excluding any discounts offered.

(c) The Bidder shall quote any discount and indicate the methodology for their application in the Tender Forms.

(d) Prices quoted by the Bidder shall be fixed during the Bidder's performance of the Contract and not subject to variation on any account, unless otherwise specified in the BDS. A bid submitted with an adjustable price quotation shall be treated as non-responsive and shall be rejected. However, if in accordance with the BDS, prices quoted by the Bidder shall be subject to adjustment during the performance of the Contract, a bid submitted with a fixed price quotation shall not be rejected, but the price adjustment shall be treated as zero.

12.2 If so bids are being invited for individual lots (contracts) or

for any combination of lots (packages). Unless otherwise specified in the BDS, prices quoted shall correspond to 100 % of the items specified for each lot and to 100% of the quantities specified for each item of a lot. Bidders wishing to offer discounts for the award of more than one Contract shall specify in their bid the price reductions applicable to each package, or alternatively, to individual Contracts within the package. Discounts shall be submitted provided the bids for all lots (contracts) are opened at the same time.

12.3 Prices shall be quoted as specified in each Price Schedule (BOQ) as provided. The dis-aggregation of price components is required solely for the purpose of facilitating the comparison of bids by the Purchaser. This shall not in any way limit the Purchaser's right to contract on any of the terms offered. In quoting prices, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible country. Prices shall be entered in the following manner:

(a) For Goods manufactured in India:

- (i) the price of the Goods quoted EXW (ex-works, ex-factory, ex warehouse, ex showroom, or off-the-shelf, as applicable), including all customs duties and sales and other taxes already paid or payable on the components and raw material used in the manufacture or assembly of the Goods;
- (ii) any sales tax/VAT and other taxes payable on the Goods, if the contract is awarded to the Bidder; and
- (iii) the price for inland transportation, insurance, and other local services required to convey the Goods to their final destination (Project Site) as specified in the BDS.

(b) For Goods manufactured outside India, to be imported:

- (i) the price of the Goods quoted under Carriage and Insurance Paid (CIP) Model upto named place of destination in India as specified in the BDS;
- (ii) the price for inland transportation, insurance, and other local services required to convey the Goods from the named place of destination to their final destination (Project Site) specified in the BDS;

(c) For Goods manufactured outside India, already imported:

- (i) the price of the Goods, including the original import value of the Goods; plus any mark-up (or rebate); plus any other related local cost, and

custom duties and other import taxes already paid or to be paid on the Goods already imported.

- (ii) the custom duties and other import taxes already paid (need to be supported with documentary evidence) or to be paid on the Goods already imported;
 - (iii) the price of the Goods, obtained as the difference between (i) and (ii) above;
 - (iv) any sales and other taxes which will be payable on the Goods if the contract is awarded to the Bidder; and
 - (v) the price for inland transportation, insurance, and other local services required to convey the Goods from the named place of destination to their final destination (Project Site) specified in the BDS.
- (d) for Related Services, other than inland transportation and other services required to convey the Goods to their final destination, whenever such Related Services are specified in the Schedule of Requirements:
- (i) the price of each item comprising the Related Services (inclusive of any applicable taxes).

13 Currencies of Bid and Payment

13.1 The currency(ies) of the bid and the currency(ies) of payments shall be as specified in the BDS. The Bidder shall quote in Indian Rupees the portion of the bid price that corresponds to expenditures incurred in Indian Rupees, unless otherwise specified in the BDS.

14 Documents Establishing the Eligibility and Qualifications of the Bidder

14.1 To establish Bidder's their eligibility, Bidders shall complete the Tender Form (Techno Commercial Un-Priced Bid & Priced Bid), included in Section-IX, Bidding Forms.

14.2 The documentary evidence of the Bidder's qualifications to perform the contract if its bid is accepted shall establish to the Purchaser's satisfaction:

- (a) that, if required in the BDS, a Bidder that does not manufacture or produce the Goods it offers to supply shall submit the Manufacturer's Authorization using the form included in Section IX, Bidding Forms to demonstrate that it has been duly authorized by the manufacturer or producer of the Goods to supply these Goods in India;
- (b) that, if required in the BDS, in case of a Bidder not doing business within India, the Bidder is or will be (if awarded the contract) represented by an Agent in the country equipped and able to carry out the Supplier's

maintenance, repair and spare parts-stocking obligations prescribed in the Conditions of Contract and/or Technical Specifications; and

- (c) that, the Bidder meets each of the qualification criterion.

15 Period of Validity of Bids

- 15.1 Bids shall remain valid for the period specified in the BDS after the bid submission deadline date prescribed by the Purchaser. A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.
- 15.2 In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. A Bidder may refuse the request without forfeiting its Earnest Money Deposit (EMD). A Bidder acceding to the request will neither be required nor permitted to modify the bid.
- 15.3 Bid evaluation will be based on the bid prices without taking into consideration the above modifications.

16 Bid Security

- 16.1 The Bidder shall furnish as part of its bid, a bid security, as specified in the BDS, in original form the amount and currency as specified in the BDS.
- 16.2 If a bid security is specified, the bid security shall be a demand guarantee in any of the following forms at the Bidder's option:
- (a) an unconditional guarantee issued by a bank or financial institution (such as an insurance, bonding or surety company);
 - (b) an irrevocable letter of credit;
 - (c) a banker's cheque or Demand Draft ; or
 - (d) any other security as specified in the BDS,
- of a reputed source from an eligible country. If the unconditional guarantee is issued by a financial institution located outside India, the issuing financial institution shall have a correspondent financial institution located in India to make it enforceable. The bid security shall be valid for forty five (45) days beyond the original validity period of the bid, or beyond the extended period.
- 16.3 If a Bid Security is specified, any bid not accompanied by a substantially responsive Bid Security, shall be rejected by the Purchaser as non-responsive.
- 16.4 If a Bid Security is specified, the Bid Security of unsuccessful Bidders shall be returned as promptly as

possible upon the successful Bidder's signing the contract and furnishing the Performance Security.

- 16.5 The Bid Security of the successful Bidder shall be returned as promptly as possible once the successful Bidder has signed the contract and furnished the required performance security.
- 16.6 The Bid Security of the bidder may be forfeited or the Bid Securing Declaration executed:
- (a) if he withdraws from the bid during the period of bid validity specified by the Bidder on the Tender Forms, or any extension thereto provided by the Bidder ; or
 - (b) if he being successful Bidder fails to:
 - (i) sign the Contract; or
 - (ii) furnish a performance security.
- 16.7 The bid security of a JV must be in the name of the JV that submits the bid. If the JV has not been legally constituted into a legally enforceable entity at the time of bidding, the bid security shall be in the names of all members as named in the letter of intent.

D. Submission and Opening of Bids

- 17 Sealing and Marking of Bids** 17.1 The Bidder shall submit the bids electronically, through the e-procurement system (<http://eprocure.gov.in/eprocure/app>). Any document submitted through any other means will not be considered as part of the Bid except for the Originals as asked for in this tender.
- 18 Deadline for Submission of Bids** 18.1 The Purchaser may, at its discretion, extend the deadline for the submission of bids by amending the Bidding Documents, in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline shall thereafter be subject to the deadline as extended.
- 19 Late Bids** 19.1 The e-Procurement system would not allow any late submission of bids after due date and time as per server system. After electronic online proposal submission, the system generates a unique identification number which is time stamped. This shall be treated as acknowledgement of the proposal submission
- 20 Withdrawal, Substitution, and Modification of** 20.1 A Bidder may withdraw, substitute, or modify its bid on the e-procurement system before the date and time specified but

Bids

not beyond.

20.2 No bid may be withdrawn, substituted, or modified in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Tender Forms or any extension thereof Modification/Withdrawal of the Bid sent through any other means shall not be considered by the Purchaser.

21 Bid Opening

21.1 The Purchaser shall open the bids as per electronic bid opening procedures specified in Central Public Procurement Portal (CPPP) at the date and time specified. Bidders can also view the bid opening by logging on to the e-procurement system. Specific bid opening procedures are laid down at <http://eprocure.gov.in/eprocure/app> under the head “Bidders Manual Kit”. The tenderer/bidder will be at liberty to be present either in person or through an authorized representative at the time of opening of the Bid or they can view the bid opening event online at their remote end. Price Bids of only those tenderers shall be opened whose technical bids qualify.

21.2 The withdrawn bid will be available in the system therefore will be considered, If bidder once withdraws the bid then he will not be able to participate in the respective tender again. Modification to the bid shall be opened and read out with the corresponding bid. Only bids that are opened and read out at bid opening shall be considered further.

21.3 The Purchaser shall prepare a record of the bid opening that shall include; the name of the Bidder; whether there is a withdrawal, substitution, or modification; the Bid Price including any discounts and alternative bids; and the presence or absence of a bid security, if one was required. The Bidders’ representatives who are present in the office of the Purchaser to witness the bid opening shall be requested to sign the record. The omission/refusal of a Bidder’s signature on the record shall not invalidate the contents and effect of the record. A copy of the record shall be made available on the e-procurement system.

E. Evaluation and Comparison of Bids

22 Confidentiality

22.1 Information relating to the evaluation of bids and recommendation of contract award shall not be disclosed to bidders or any other persons not officially concerned with the bidding process until information on Contract Award is communication to all Bidders.

22.2 No Bidder shall contact the purchaser on any matter relating to its bid from the time of the bid opening to the

time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Purchaser it should be done in writing.

22.3 Any effort by a Bidder to influence the purchaser in its decisions on bid evaluation, bid comparison or contract award decisions may result in rejection of the Bidder's bid.

23 Clarification of Bids

23.1 To assist in the examination, evaluation, comparison of the bids, and qualification of the Bidders, the Purchaser may, at its discretion, ask any Bidder for a clarification of its Bid. Any clarification submitted by a Bidder in respect to its Bid and that is not in response to a request by the Purchaser shall not be considered. The Purchaser's request for clarification and the response shall be in writing. No change, including any voluntary increase or decrease, in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Purchaser in the Evaluation of the bids.

23.2 If a Bidder does not provide clarifications of its bid by the date and time set in the Purchaser's request for clarification, its bid may be rejected.

24 Determination of Responsiveness

24.1 The Purchaser's determination of a bid's responsiveness is to be based on the contents of the bid itself.

24.2 A substantially responsive Bid is one that meets the requirements of the Bidding Documents without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

(a) if accepted, would

(i) affect in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the Contract; or

(ii) limit in any substantial way, inconsistent with the Bidding Documents, the Purchaser's rights or the Bidder's obligations under the Contract; or

(b) if rectified, would unfairly affect the competitive position of other bidders presenting substantially responsive bids.

24.3 The Purchaser shall examine the technical aspects of the bid submitted in accordance with instructions specified in tender document, in particular, to confirm that all requirements enumerated in the 'Schedule of Requirements' Section-VI have been complied with,

without any material deviation or reservation or omission.

24.4 If a bid is not responsive to the requirements of Bidding Documents, it shall be rejected by the Purchaser and may not subsequently be made responsive by correction of the material deviation, reservation or omission.

25 Conversion to Single Currency

25.1 For evaluation and comparison purposes, the currency(ies) of the Bid shall be converted in a single currency as specified in the BDS.

26 Margin of Preference

26.1 Unless otherwise specified in the BDS, a margin of preference shall not apply.

27 Evaluation of Bids

27.1 The Purchaser shall use the criteria and methodologies listed in this Clause. No other evaluation criteria or methodologies shall be permitted.

27.2 To evaluate a Bid, the Purchaser shall consider the following:

- (a) evaluation will be done for Items or Lots (contracts), as specified in the BDS; and the Bid Price
- (b) price adjustment due to discounts offered;
- (c) converting the amount resulting from above, if relevant, to a single currency;
- (d) price adjustment due to quantifiable nonmaterial nonconformities in;

27.3 The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in bid evaluation.

27.4 The Purchaser's evaluation of a bid shall exclude and not take into account:

- (a) in the case of Goods manufactured in the India, sales and other similar taxes, which will be payable on the goods if a contract is awarded to the Bidder;
- (b) in the case of Goods manufactured outside India, already imported or to be imported, customs duties and other import taxes levied on the imported Good, sales and other similar taxes, which will be payable on the Goods if the contract is awarded to the Bidder;
- (c) any allowance for price adjustment during the period of execution of the contract, if provided in the bid.

27.5 The Purchaser's evaluation of a bid may require the consideration of other factors, in addition to the Bid Price quoted. These factors may be related to the characteristics,

performance, and terms and conditions of purchase of the Goods and Related Services. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of bids.

- 28 Comparison of Bids**
- 28.1 The Purchaser shall compare the evaluated prices of all substantially responsive bids established to determine the lowest evaluated bid. The comparison shall be on the basis of CIP-Carriage and Insurance Paid to (place of destination) prices for imported goods and EXW – Ex Works (named place of delivery) prices, plus cost of inland transportation and insurance to place of destination, for goods manufactured within India, together with prices for any required installation, training, commissioning and other services. The evaluation of prices shall not take into account custom duties and other taxes levied on imported goods quoted CIP and sales and similar taxes levied in connection with the sale or delivery of goods.
- 29 Qualification of the Bidder**
- 29.1 The Purchaser shall determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated and substantially responsive bid meets the qualifying criteria.
- 29.2 The determination shall be based upon an examination of the documentary evidence of the Bidder’s qualifications submitted by the Bidder.
- 29.3 An affirmative determination shall be a prerequisite for award of the Contract to the Bidder. A negative determination shall result in disqualification of the bid, in which event the Purchaser shall proceed to the next lowest evaluated bid to make a similar determination of that Bidder’s qualifications to perform satisfactorily.
- 30 Purchaser’s Right to Accept Any Bid, and to Reject Any or All Bids**
- 30.1 The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to Bidders. In case of annulment, all bids submitted and specifically, bid securities, shall be promptly returned to the Bidders.

F. Award of Contract

- 31 Award Criteria**
- 31.1 The Purchaser shall award the Contract to the Bidder whose bid has been determined to be the lowest evaluated bid and is substantially responsive to the Bidding Documents,

- provided the Bidder is determined to be qualified to perform the Contract satisfactorily.
- 32 Purchaser's Right to Vary Quantities at Time of Award**
- 32.1 At the time the Contract is awarded, the Purchaser reserves the right to increase or decrease the quantity of Goods and Related Services originally specified in Section VI, Schedule of Requirements, provided this does not exceed the percentages specified in the BDS, and without any change in the unit prices or other terms and conditions of the bid and the Bidding Documents.
- 33 Notification of Award**
- 33.1 Prior to the expiration of the period of bid validity, the Purchaser shall, notify the successful Bidder, in writing, that its Bid has been accepted. The notification letter (hereinafter and in the Conditions of Contract and Contract Forms called the "Letter of Acceptance") shall specify the sum that the Purchaser will pay the Supplier in consideration of the supply of Goods (hereinafter and in the Conditions of Contract and Contract Forms called "the Contract Price"). At the same time, the Purchaser shall also notify all other Bidders of the results of the bidding.
- 33.2 Until a formal Contract is prepared and executed, the notification of award shall constitute a binding Contract.
- 33.3 The Purchaser shall promptly respond in writing to any unsuccessful Bidder who, after notification of award, requests in writing the grounds on which its bid was not selected.
- 34 Signing of Contract**
- 34.1 Promptly after notification, the Purchaser shall send the successful Bidder the Contract Agreement.
- 34.2 Within twenty-eight (28) days of receipt of the Contract Agreement, the successful Bidder shall sign, date, and return it to the Purchaser.
- 34.3 Notwithstanding anything contained in clause 34.2, in case signing of the Contract Agreement is prevented by any export restrictions attributable to the Purchaser, or to the use of the products/goods, systems or services to be supplied, where such export restrictions arise from trade regulations from a country supplying those products/goods, systems or services, the Bidder shall not be bound by its bid, always provided however, that the Bidder can demonstrate to the satisfaction of the Purchaser that signing of the Contract Agreement has not been prevented by any lack of diligence on the part of the Bidder in completing any formalities, including applying for permits, authorizations and licenses necessary for the export of the products/goods, systems or services under the terms of the Contract.

35 Performance Security

- 35.1 Within twenty eight (28) days of the receipt of notification of award from the Purchaser, the successful Bidder, if required, shall furnish the Performance Security in accordance with the General Conditions of Contract (GCC), using for that purpose the Performance Security Form included in Section-X, Contract Forms, or another Form acceptable to the Purchaser. If the Performance Security furnished by the successful Bidder is in the form of a bond, it shall be issued by a bonding or insurance company that has been determined by the successful Bidder to be acceptable to the Purchaser. A foreign institution providing a bond shall have a correspondent financial institution located in India.
- 35.2 Failure of the successful Bidder to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security. In that event the Purchaser may award the Contract to the next lowest evaluated Bidder, whose bid is substantially responsive and is determined by the Purchaser to be qualified to perform the Contract satisfactorily.

Section III. Bid Data Sheet (BDS)

The following specific data for the goods to be procured shall complement, supplement, or amend the provisions in the Instructions to Bidders (ITB). In case of inconsistency, the provisions herein shall prevail over those in ITB.

Serial No.	A. General
1	The reference number of the Invitation for Bids is BHU/CDC/MS/EQUIP/2019/03 Dated: 03-05-2019
2	The Purchaser is Coordinator, CDC, BHU, Varanasi
3	Maximum number of members in the JV shall be: 4

Serial No.	B. Contents of Bidding Documents
4	For Clarification of bid purposes only, the Purchaser's address is Coordinator, CDC, BHU, Varanasi Attention : Sanjay Kumar Address : Joint Registrar (Development) BHU, Varanasi. Floor/ Room number : - City : Varanasi ZIP Code : 221005 Country : India Telephone : 91-542-0000000 91-9453048781 Facsimile number : 91-542-0000000 Electronic mail address : <u>drdevbhu@gmail.com</u>
5	Web page : http://eprocure.gov.in/eprocure/app
6	A site visit shall not be organized by the purchaser.
7	A Pre-Bid meeting : NA

Serial No.	C. Preparation of Bids
8	<p>The language of the bid is: English or Hindi.</p> <p>All correspondence exchange shall be in English or Hindi language.</p> <p>Language for translation of supporting documents and printed literature is English or Hindi.</p>
9	The Bidder shall submit the following additional documents in its bid: NA
10	Alternative Bids shall not be considered.
11	The prices quoted by the Bidder shall not be subject to adjustment during the performance of the Contract.
12	Place of Destination: Banaras Hindu University, Varanasi
13	Final destination (Project Site): CDC, Banaras Hindu University, Varanasi
14	<p>The prices shall be quoted by the bidder in : Foreign Currency of Principal's Country (Preferably in Indian Rupees)</p> <p>The Bidder is required to quote in Indian Rupees (INR), the portion of the bid price that corresponds to expenditures incurred in Indian Rupees (INR).</p>
15	Manufacturer's authorization is Required
16	After sales service is Required.
17	The bid validity period shall be 120 days .
18	<p>EMD/Bid security shall be paid @ 2% of the estimated value(s) of quoted items by the way of Demand Draft (DD)/Bank Guarantee (BG) in favor of the Registrar, Banaras Hindu University, Varanasi-221005 and should be valid for a period of 45 days beyond the BID validity period. All tenders received without EMD/Bank Security shall be rejected.</p> <p>TENDER FEE : NIL</p>
19	Other types of acceptable securities: NA

Serial No.	D. Submission and Opening of Bids

Section IV. Prequalification

#	Qualification Criteria	Documentary proof submitted	Compliance (Page No)
Criteria related to Incorporation of the Firm, Legal entity:			
1.	The bidder should be either Original Equipment Manufacturer (OEM)/ authorized dealer/distributor specifically authorized by the OEM for at least last two financial years. The item/equipment being quoted should be of OEM (Original Equipment Manufacturers) and no non standard equipment should be quoted. The bidder should have a back-to-back agreement with the OEM to supply and support the OEM's product and solution in India.	Certificate needs to be attached	
2.	The bidder shall commit in writing for a time schedule of no more than 2 months from date of placing the order to successful commissioning and bidder has not supplied item quoted with price less than the price quoted here.	Self Certification	
3.	Bidder should have at least 3 years experience in supplying of similar type of scientific instruments/equipment's/office cum laboratory furniture for Lab to University/state Govt./ Central Govt./Boards/educational organization /industries etc.	Bidder should submit the user list and letters from user regarding satisfactory' performance with the technical bid.	
Government Regulation			
4.	A notarized affidavit by the firm that it has never been black-listed must be attached along with the Bid, failing which the Bid shall be rejected.	Affidavit from the Notary to be attached along with the Bid.	
5.	The Bidder (not Individual) should have valid documentary proof GST Registration Number, TAN Number.	Pan and TAN Number and should be attached along with the bid	
Criteria related to financial viability			
6.	The Bidder should have minimum turnover of Rs. 100 crores for last 3 financial years. The last three financial years would mean financial years 2015-16, 2016-17, 2017-18.	Certificate from a practicing Chartered accountant should be attached on his letter head confirming annual turnover during these years.	
7.	The Bidder should have valid Income Tax Returns for the last three financial years and the bidding Firm should have PAN Card. Provide documentary proof of Income Tax Returns for the last three financial years. Provide the copy of PAN Card.	Provide documentary proof of Income Tax returns for the last three Assessment years. Provide copy of PAN card	
Technical Criteria			
8.	Bidder should furnish technical compliance chart strictly as per specification given.(Annexure 'A')	Compliance of Technical specification and its deviation	

Bidders who meet the criteria given above are subject to be disqualified, if they have made untrue or false representation in the forms, statements and attachments submitted in proof of the qualification requirements or have a record of poor performance, not properly completing the contract, inordinate delays in completion or financial failure, etc.

An undertaking has to be given by the authorized signatory of the company like Managing Director / President / Vice President or above, with evidence of board resolution to back it.

Section V. Policy of University against the Corrupt and Fraudulent Practices

University strictly adheres to its policy against corruption and requires that bidders and their agents, subagents, sub-contractors, suppliers etc. shall not indulge in any kind of corrupt practices, fraudulent practices, collusive practices, coercive practices, obstructive practices or other kinds of corruption declared as crimes under Indian law.

- a) If bidder or their agents, subagents, sub-contractors, suppliers etc. are found, directly or indirectly, involved in such practices, bid or agreement and execution thereof at any stage may be rejected or cancelled as the case may be by the University and besides it , University may initiate legal actions including civil and criminal proceeding.

For the purpose of this provision the terms are defined as follows:

- (i) “Corrupt practice” is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;¹
- (ii) “Fraudulent Practices” is any act or omission including a misrepresentation which knowingly or recklessly made to mislead another party to obtain financial or other benefit or to avoid an obligation;²
- (iii) “Collusive Practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;³
- (iv) “Coercive Practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;⁴
- (v) “Obstructive Practice” is deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede an investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or

¹ For the purpose of this sub-paragraph, “*another party*” refers to a public official acting in relation to the procurement process or contract execution. In this context, “*public official*” includes university staff and employees of other organizations taking or reviewing procurement decisions.

² For the purpose of this sub-paragraph, “*party*” refers to a public official; the terms “*benefit*” and “*obligation*” relate to the procurement process or contract execution; and the “*act or omission*” is intended to influence the procurement process or contract execution.

³ For the purpose of this sub-paragraph, “*party*” refers to participants in the procurement process (including public officials) attempting either themselves, or through another person or entity not participating in the procurement or selection process, to simulate competition or to establish bid prices at artificial, non-competitive levels, or are privy to each other’s bid prices or other conditions.

⁴ For the purpose of this sub-paragraph, “*party*” refers to a participant in the procurement process or contract execution.

intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation.

- b) Besides actions under clause (a) University may also take action to blacklist such bidder either indefinitely or for a specified period.

Part-2

Supply Requirements

Section VI. Schedule of Requirements

Contents

1.	List of Goods and Delivery Schedule.....	36

2. List of Related Services and Completion Schedule

Service	Description of Service	Quantity ¹	Physical Unit	Place where Services shall be performed	Final Completion Date(s) of Services
<i>[insert Service No]</i>	<i>[insert description of Related Services]</i>	<i>[insert quantity of items to be supplied]</i>	<i>[insert physical unit for the items]</i>	<i>[insert name of the Place]</i>	<i>[insert required Completion Date(s)]</i>

1. If applicable

3. Technical Specifications

"Summary of Technical Specifications"

Installation & Commissioning of Wavelength Dispersive X-Ray Fluorescence (WD-XRF) Spectrometer and sample preparation units

0.0 INSTRUMENT DETAILS

Banaras Hindu University, Varanasi, requires fully automated sequential **Wavelength Dispersive X-ray Fluorescence (WD-XRF)** Spectrometer. This instrument is for high speed, accurate and high precision **qualitative, semi quantitative, quantitative and standard-less analysis** of elements from **Beryllium** (Atomic No 4) to **Uranium** (Atomic No 92) and from **ppm level to 100 wt.% concentration level in geological materials (rocks, sediments, ores & minerals mostly in solid phases)**. The system shall be capable of analyzing major (Si, Ti, Al, Fe, Ca, Mg, Na, K), minor (S, P, Mn, Cr) and trace elements (V, Co, Ni, Cu, Pb, Zn, Sc, Rb, Ga, Sr, Nb, Zr, Y, Ba, Th etc.) in geological samples. The system should also have provision for analyzing loose powder samples. The quoted model must be available currently for sale worldwide. The offer should be with all essential auxiliary accessories, connectors, adapters, software's etc. All point-wise compliance statement/technical specifications should be provided directly by the manufacturer through their printed brochure in English only. The instrument automated sequential **WD-XRF** accessories should be of latest generation and should have the following technical specifications & configurations.

1.0 GENERAL DESCRIPTIONS

- 1.1 The design of the spectrometer should provide very close coupling between the anode of X-ray tube and sample. The total anode to sample distance should be specified by the manufacturer.
- 1.2 Front door opening. The instrument shall be floor mounted with single cabinet including the control electronics and shall have auto sample changer. All kinds of safety protection for radiation, electrical and electronics should be in built as per International regulations/ norms. All these norms should be clearly specified in the offer.
- 1.3 Lightning system inside the enclosure. External light Signal.
- 1.4 Emergency stop push button on from panel.
- 1.5 The instrument shall be cooled by an external chiller.

2.0 SAMPLE INTRODUCTION SYSTEM

- 2.1 The sample presentation system should be capable of handling solids, loose & compressed powders and fused beads in a variety of sample holders and liquid samples. The sample holder should be supplied to handle different variety of samples sizes with minimum sample size being 6 mm in diameter. Sample rotation speed: 30 rpm
- 2.2 A suitable sample handling system, controlled by automation should be provided to allow easy and safe introduction of sample into the spectrometer.

- 2.3 **Automated Sample Changer:** 100-position X-Y sample changer or better. The solid sample analysis kit along with helium purging unit, necessary hardware, software, liquid sample cups with Kaplan Mylar 6.0 micron foil etc. to be quoted.
- 2.4 Floor mounted single cabinet XRF with minimum space requirement. All kinds of safety protections, like electrical, electronic & radiations should be in built & as per the international norms and should be clearly specified in the offer.
- 2.5 Vacuum chamber volume must be lowest with minimum number of vacuum joints and should have air lock device preferably controlled by single/dual built in vacuum pump.
- 2.6 Sample handling must have continuous direct sample loading facility & an automatic sample changer with capacity to directly handle at least 50 samples of various dimensions. The complete hardware like sample changer, holders etc.
- 2.7 Dust collection system (not primary beam filter) to collect dust/loose powder from the sample surface before it enters main chamber should be inbuilt in the spectrometer liquid/loose powder analysis kit should be supplied.
- 2.8 **Sample Environment:** Solid sample for analysis in vacuum or Helium atmosphere.
- | | |
|----------------------|---------------------|
| Typical sample size: | 40 mm diameter disk |
| Minimum sample size: | 25 mm diameter disk |
| Maximum sample size: | 50 mm diameter disk |

3.0 X - RAY GENERATOR

- 3.1 The generator should have maximum power output of **4 kW or more**.
- 3.2 The generator should have rating **60 kV, 150 mA or better**. The increment step of kV and mA should be 1 kV and 1 mA respectively and it should be computer controlled. HT and current should be programmable with safety built in the control software.
- 3.3 A built in microprocessor should control all-important functions of generator and spectrometer and allow service testing from remote locations and monitor tube life, water flow, temperature status, etc.
- 3.4 Automatic power off facility should be provided for maximum stability of the tube life.
- 3.5 The generator stability should be **±0.005 % of mains variation or better**.
- 3.6 Mains voltage should vary from **-10 % (minimum) to +10 % (maximum)**
- 3.7 Safety interlocks for **overload & over/under voltage flow, flashes in HT and X-Ray tube and target overheat** must be provided

4.0 X- RAY TUBE

- 4.1 End-Window with Rh-tube (**4 kW or better**) with ceramic insulation. Window thickness: 80 µm or better Be window (not less than 50 microns). X-Ray spectrometer must have a protective covering/feature to deal with accidental sample spillage and corrosive samples. It should have

minimum sample to anode distance for minimum intensity. Vendor should ensure special provision in the tube for drift free performance of min. 10,000 hours. It should have facility for Auto Tube Breeding, monitoring tube life, generator flashes, water flow, temperature and other status. X-ray tube power should be specified.

- 4.2 The tube should be operational on **60 kV and 150 mA or better**. The X-ray tube should be computer controlled and compatible with generator. The manufacturing source of the X-ray tube should be mentioned.
- 4.3 The tube should be end window type for optimal analysis for a variety of elements and for high atomic number elements, especially Uranium.
- 4.4 The spectrometer should have the facility to maintain constant tube head temperature for highly accurate analysis.

5.0 SPECTROMETER

- 5.1 The spectrometer should be equipped with a minimum **eight position bi-directional crystal changer**. At least eight different crystals with large 2d, multi layer synthetic crystals and any other suitable crystals having 2d covering the entire range of elements.
- 5.2 The spectrometer should be capable of analyzing elements from Be to U, concentration from 1 ppm to 100 wt.%.
- 5.3 The spectrometer should be under independent computer controlled and compatible with latest third generation computer system of Pentium processor like i7 or better with Windows7 or Windows 8 OS.
- 5.4 **Typical Analyzing Crystals:** LiF 200, LiF 220, Ge 111-C, InSb 111-C, PE 002-C, PX1, PX3, PX3, PX6, TlAp 100

6.0 LIGHTS AND OPTICS

- 6.1 The primary collimator positions and choice of collimators ranging from coarse, fine, and ultra fine should be provided to optimize the measuring conditions per elements. Required collimators: 700 μ m, 300 μ m, 150 μ m optionally 75 μ m. Programmable filter changer with sufficient numbers of primary beam filter (minimum 4 No) should be provided. One of the filters should be a beam stop filter. Programmable minimum 3 nos of primary collimators or more with choice from ultra-high resolution to coarse. It should be equipped with min. 8 position bi-directional crystal changer with all suitable crystals for efficient and fast analysis of the range of element specified including halogens in rocks and solid samples (F, Cl, Br, I) and B to be quoted. Other protection device shall be inbuilt with the system and should be user accessible for cleaning. Individual crystals for Be, B, C, N and halides should be quoted.
- 6.2 Multi channel masks should be made available to provide optimal peak to background ratios evaluation and eliminate radiation from sample holder/ masks. **Collimator masks:** 6mm, 27mm, 30mm, 37mm (optionally 10 mm, 1 mm, 0.5 mm)
- 6.3 The X-ray beam path should be selectable: Vacuum or Helium for solid.
- 6.4 A minimum choice of 4-5 tube filters should be available to reduce the interfering lines. **Tube Filters:** Brass 100 μ m, Brass 300 μ m, Al 300 μ m, Al 750 μ m, Pb 1000 μ m.

7.0 GONIOMETER

- 7.1 It should be compact and equipped with high precision micro processor controlled high efficiency goniometer with $\theta - 2\theta$ decoupled to allow for offset mounting and close coupling of the scintillation detector in the secondary optical path. The goniometer motor should be based on feed back encoder fixed directly to the goniometer shaft. The goniometer shall be gearless/high precision gear; and microprocessor controlled with $\theta-2\theta$ decoupled to allow for offset mounting and close coupling of the scintillation detector.
- 7.2 Angular accuracy must be **0.0025° or better (for θ , 2θ)** and reproducibility figures to be specified by vendor with documentary evidence. In case of any back lash error, the system should be capable of correcting it automatically. Temperature stability should be 0.05. There should not be any vacuum leakage at higher angles.
- 7.3 Stopping angle repeatability must be **equal or better than 0.0001° (for θ , 2θ)**
- 7.4 The goniometer design should be such that it should maintain with high speed, consistent accuracy, and reliability. In case of any backlash error, the system should be capable of correcting automatically with Initialization at different θ , 2θ angles.

8.0 DETECTORS

- 8.1 Provision of Scintillation Counter and Flow Counter Detector for coverage of entire elemental range with better detection limits.
- 8.2 Counting linearity **1000 kcps or better** for Scintillation Counter Detector and **2000 kcps or better** for Flow Counter Detector.
- 8.3 Scintillation detector should operate over and angular range from **5-110° (2θ) or better**. Flow detector should operate over and angular range from **10-150° (2θ) or better**.
- 8.4 Receiving slit: For SC and for F-PC detectors
- 8.5 Goniometer: $\theta - 2\theta$ independent drive mechanism
- 8.6 Angular range: Scintillation Counter: 5-118°
- 8.7 Flow-Proportional Counter: 13-148°
- 8.8 Maximum scan speed: 1400°/min (2θ)
- 8.9 Angular reproducibility: $\pm 0.0005^\circ$
- 8.10 Continuous scan: 0.1 - 240°/min
- 8.11 Crystal changer: 8 or 10 crystals, automatic mechanism
- 8.12 Vacuum system: 2 pump high-speed system powder trap
- 8.13 He flush system: Solid sample analysis temperature stabilizer $30^\circ\text{C} \pm 0.1^\circ\text{C}$
- 8.14 Mass Flow controllers: For detector Gas and Helium
- 8.15 Quantification Limits for all elements better than 1 ppm and detection limit 0.5 ppm with high precision and accuracy.

9.0 COUNTING ELECTRONICS

- 9.1 To be supplied with the spectrometer should have dual multi-channel analyzer to have minimum analysis time. Dynamic corrections for dead time losses and pulse shrinkage must be incorporated.

10.0 INSTRUMENT CONTROL SOFTWARE

- 10.1 The software should be a licensed copy in the name of Department of Geology, Banaras Hindu University and should run on Microsoft Windows 10 or higher version based programme. Instrument Control Software's includes multi-point background correction, line overlap correction, ratio calculation, auto PHD measurements, control sample changer, and identification of sample in auto sampler, calibration curve, qualitative analysis. This also incorporating matrix correction (based on differential mathematical models), recalibration program colour graphic capabilities, limit checks, hardware test, statistical evaluation, calculation of concentration functions for quantitative analysis, data storage, and retrieval with multi connecting facilities, etc.
- 10.2 Extensive analytical software package requires for data storage, retrieval, and handling, data processing qualitative & quantitative operation. Particularly, the software package require for quantitative analysis of various geological & synthetic materials. Semi quantitative analysis and fundamental parameter based standard-less analysis software for variety of samples with regards to size, shape and matrix.
- 10.3 It must control all instrumental functions and perform automatic checks during start-up routine analysis on vital functions and operator inputs. The software should be intelligent and fast enough to select the right crystal, collimator, mask, kV, mA settings to get best achievable results.
- 10.4 The software and hardware for remote diagnostics should be offered. The remote diagnostics should be capable of checking all equipment parameters / calibration etc. from a remote location / service centre. The remote facility should access the XRF directly.

11.0 SOFTWARE FOR QUANTITATIVE ANALYSIS

- 11.1 The software should have several different calibration models for quantitative analysis for different matrix like rock, soil, sediments, clay, and various alloys. In the model, there should be provision for multipoint background correction, line overlap correction and matrix correction, which are user selectable. It should be possible to recalibrate and update the measuring program.
- 11.2 Online matrix correction facility & reporting shall be available. A modem requires online connectivity to control trouble shooting and correction.
- 11.3 The software should have provision to do necessary correction of peak shifting during analysis. Program should have provision to take care of dilution factors for diluted samples.
- 11.4 Standardless software including set of standards for analyzing trace elements in geological samples. Standards should be provided with standard less software.
- 11.5 The software should have provision for statistical evaluation.

11.6 The licensed copy of the XRD software shall be provided in CD-ROM along with the necessary help free software updates for five year from date of installation should be provided.

11.7 Facility for setting quality control limits for different elements.

12.0 SOFTWARE FOR QUALITATIVE ANALYSIS

12.1 Different instrument conditions shall be selectable with maximum speed and minimum scans.

12.2 The qualitative scan should cover the scanning of sample for all the elements from Beryllium to Uranium.

12.3 Recording of continuous and step scan must be possible by both digital and graphic modes.

12.4 Display and plotting of multicolor spectra and automatic identification of peak should be there.

13.0 SOFTWARE FOR SEMI-QUANTITATIVE ANALYSIS

13.1 Standard-less software should be provided for quick semi-quantitative analysis. A choice of multiple calibration models, higher order matrix corrections (gammas) and an option of fundamental parameters must be included in the analytical software to analyze wide variety of samples without standards.

13.2 There should be a provision for incorporating geological reference material during the analysis of unknown samples in addition to the standard (concentration) provided by the manufacturer in the software.

13.3 All operational manuals/Flow charts, instrument manual, important published literature of reference should be supplied free of cost. All features claimed preferably be substantiated with valid documents.

13.4 Special software for trace element analysis of geological samples.

14.0 COMPUTER & PRINTER

14.1 Preferably, the branded computer should be supplied from local source with following specifications: Latest third generation Intel Xenon Processor E5-2600 v3 or better, Intel mother board with Graphics processor with at least 4GB memory or better for graphics and 8 GB RAM, 2TB HDD, 2 TB Solid State Disk, 52X DVD Writer, 24 inch LED monitor with several USB ports and two Ethernet port or may be better configuration. The quoted system should be supplied with latest Windows 10 or higher version and should be compatible for interfacing to the spectrometer system and the supplied application software program.

14.2 One LaserJet color printer: 600 dpi with high speed printing

15.0 WATER CHILLER

15.1 The chiller system capable of running for 24 hour × 7 days with sufficient cooling capacity to cool X-Ray Tube and Power supply as well as supply

cooling to the spectrometer cabinet. Preferably, local chiller should be supplied.

- 15.2 If required, a Closed-loop water chiller should be provided which should be able to run for 24 hours for 365 days an year.

16.0 POWER SUPPLY & UTILITES

- 16.1 Power supply for the WD-XRF should be 230 Volts \pm 10 %, 50/60Hz \pm 5 %, or 3 phase 415 V, 50 Hz on per Indian standards (without any step-up or step-down transformer) with protective RF ground. The required material for RF ground shall be provided by the supplied.

17.0 UN-INTEREPTED POWER SUPPLY (UPS)

- 17.1 Reputed make high quality UPS 10 KvA (one number) requisite for XRF, and accessories with three hour maintenance-free battery backup should be provided. Likewise, one unit of automatic servo stabilizer 3 phase, 45 KVA should be provided to regulate electricity in the XRF lab.
- 17.2 Vendor should separately quote for suitable UPS for necessary power requirements and for minimum one hour back up.

18.0 OTHER FEATURES

- 18.1 Software on CD should be included for servicing of the equipment.
- 18.2 Software should be updated free of charge.
- 18.3 Comprehensive warranty of five years (including the first-year complimentary, warranty) including all parts and ancillary units from the principal manufacturer as well as other manufacturers (XRF) and unlimited service support from factory engineers should be provided. Maintenance of UPS and chiller and sample preparation units is also to be covered in this comprehensive five year warranty. This warranty will include the free of cost/all expenses paid delivery of any / all spare parts as may be required for trouble free operation of the equipment as well as without any charges related to site visits of Indian representative and/or the foreign principal's experts for such maintenance jobs during the warranty period. The cost of the comprehensive warranty (four years) should be quoted. The supplier should also certify to provide guaranteed supply of spares for at least 10 years.
- 18.4 The supplier will have to provide a high skilled and experienced full time operator to run the system for a period of 5-years from the date of installation of the system in the BHU. The amount for the 5 years operator service might be paid on year to year basis; however, the same will be included in cost comparison. The operator will work as an employee of the vendor and institute shall have no responsibility for his/her service liabilities. BHU can help in suggesting prospective operators.
- 18.5 To be delivered at place (DAP) of unloading dock of BHU (dedicated laboratory) which includes SEM and all its components/ancillaries (including chillers, UPS, carbon coater etc). The comprehensive insurance

of all items till installation site should be met by the bidder. Customs clearance also should be taken care of by the bidder.

- 18.6 Provide the following: (i) list of installations in India since past five years; (ii) List of service centres for in India; (iii) Number of company-trained engineers at each location; (iv) List of spare parts stocked in India; (v) Performance certificates (from at least 5 institutes/organizations/laboratories) for installations in India.
- 18.7 Door to door service for the equipments, spares and consumables.

19.0 SPARES AND CONSUMABLES ITEMS

- 19.1 List of essential spares should be quoted for smooth operation for a period of **five years**. Detailed list of working spares is to be provided. The spares quoted should include all type of O-rings, lamps, solenoid valves, micro switches, detector wire a set of all PCBs such as voltage, current control, etc., one spare HT Cable connecting the High Voltage Supply and the X-Ray tube.
- 19.2 Necessary consumables items (samples cups, Mylar film of thickness 6 micron, vacuum grease, lubricating oil, etc.) should be quoted for minimum 5 years for smooth operation of WD-XRF. Spares must be quoted with break-up and detail specifications.
- 19.3 Written assurance that the spare parts will be available for at least 10 years post installation date of the instrument. A complete set of printed documentation in English including reference manuals, technical diagrams and flow charts, electronic circuit diagrams and troubleshooting guide.

20.0 SAMPLE PREPARATION UNIT

- 20.1 Vibratory Cup mill: For grinding geological materials like Ores, Rocks, Minerals, Sand and soil iron ore, iron oxide, ferrite, graphite etc. Input size 10 mesh, desired product size: Less than 300 mesh. Vibratory cup mill should have Bowl made of chrome steel. 500-ml capacity bowls with lid. Table speeds indicator, digital display, timer with digital display (programmable), AC motor with variable speed AC frequency control microprocessor based drive. Wax 20 kg and cellulose binder - 10 kg, aluminium cups for pressed pellet 10000 nos; 200 of steel rings for sample to be quoted.
- 20.2 Hydraulic Pressure Unit: Hydraulic pressure unit for compacting samples into pellets for analysis by WD-XRF. The system should be supplied with die to make 40 mm palette in Aluminium cup. Maximum Force on the die: 40 Tons with indication, Palette size: 40 mm, Working height for die: 300 mm maximum (sufficient to accommodate die)
- 20.3 Fused Glass Disk Preparation Unit/Electric Fusion Fluxer: Preparation of

glass disk of powder samples for WD-XRF analysis. Fused disks are excellent for analysing major elements as it reduces matrix effects; eliminates particle size effects; and provides a homogeneous specimen. The Fused glass disk preparation system should be supplied inter-burner repeatability at each fusion cycle, stable oxidizing flames leading to excellent repeatability, high accuracy, consistent temperature and flame control, superior homogenization of the melt, crucibles rotate while inclined, specially designed burners. Visualization of the entire fusion process to facilitate the method development.

Dimension: Height 45 cm, depth 41 cm and width 52 cm, weight 20 to 25 kg with platinum crucible with maximum 10 g capacity, and supply of flux material (LiT/LiM/LiBR) preparation of fused disk. Rotating and stirring of crucible for uniform mixing and pouring the fused liquid on to a platinum mold to produce 30 mm glass disk is done automatically. It is also possible to create need based programmes with different gas flow, crucible tilt, mixing speed and length of each step.

Bead making machine fully automated electrical three or more position, produces three or more samples simultaneously, safe and simple operation precise temperature control and display +deg C.

- (i) Heating: heating chamber temperature up to 1200°C.
- (ii) Voltage: 210V to 240V, Current: 20A, Frequency: 50-60Hz.
- (iii) Programmable fusion parameters: temperature, crucible rocking speed, crucible rocking amplitude (back and forth motion), duration, cooling air flow.
- (iv) Software: fully automatic, user-defined settings, preset programs, programmable preheat mode, remote troubleshooting, secured access levels, internal program storage with compact flash.
- (v) Crucibles and mould: Platinum (95%) - Gold (5%) crucible of 30 ml capacity with lid 6 nos. (Minimum weight 30 g each with lid) and 6 nos Platinum (95%) — Gold (5%) mould of 30 mm diameter (minimum 30 g).
- (vi) Along with Pt-crucible & casting dish, two tongs with Pt-tip should be provided.

Control and operation based on one-touch method, can be controlled through a computer system, easily adaptable software and alarm when the cycle of fusion is completed. Safety for user operation levels are protected by a password, safety cabinet, No oxygen required and certified CE and CSA.

20.4 Gas Supply:

P-10 gas for FPC with gas cylinder of approximate 47L capacity – 2 No
Helium gas with 99.99% purity in cylinder of about 47L capacity – 2 No

No	Gas pressure regulator: SS make double stage gas pressure regulator – 2
20.5	<p>Weight Balance (approximate dimension):</p> <p>Pan Size 3.3 inch diameter; Response Time 3-4 sec;</p> <p>Operating Temperature 15-35 °C; Capacity 220 gm</p> <p>Housing WxDxH 8.2 x 11.8 x 12.5 inch</p> <p>Weight 5 to 6 kgs</p> <p>Power Supply A/C 230 V or 115 V +/- 20% 50-60 Hz</p> <p>Product Description: Digital balance comes with all the intelligent capability you need for your daily routine application other than Basic Weighing in the lab and does it all reliably and precisely- like. Piece counting, Percentage, Weighing, Density measurement for solid and liquid (with optional Equipment & software).</p> <p>Features:</p> <ul style="list-style-type: none"> • Easy to read Large backlight GRAPHICAL LCD display with • A.E.P. (Advanced Eye Protection). • Hanger for below balance weighing. • Fully automatic internal calibration with built in weight • Conforms to GLP/GMP and ISO 9001 Standard • Dye cast aluminium design for long term stability and accurate results. <p>Digital Balance Specifications:</p> <ul style="list-style-type: none"> • Readability (-/+) 0.1 mg • Repeatability (-/+) 0.1 mg • Linearity (-/+) 0.1 mg
20.6	<p>Muffle Furnaces (approximate dimension):</p> <p>Capacity 1.3L; Depth Interior 13 cm</p> <p>Dimensions (D x W x H) Interior 12 x 12 x 10 cm (approximate)</p> <p>Dimensions (L x W x H) Exterior 35 x 35 x 12 cm (approximate)</p> <p>Power Consumption 1060w; Hertz 50/60Hz</p> <p>Shipping Weight 12 kg</p> <p>Temperature Range 100° to 1100°C</p> <p>Temperature Stability ±0.3 at 1000°C</p> <p>Type Single set point; Voltage 120V</p> <p>Electrical Requirements 120V 50/60Hz</p>

double-paned safety-glass front window provides unique implosion protection. Modular system allows application-specific configurations through a wide range of equipment options. Temperature and pressure documentation is available to meet ISO 9000 and GLP/GMP requirements.

Capacity (Metric) 128L;

Dimensions (D x W x H) Interior 50 x 50 x 50 cm (approximate)

Dimensions (L x W x H) Exterior 75 x 90 x 72 cm (approximate)

Temperature Range (Metric) 200°C; Type Jacket-Heating

Voltage 208/240V; Electrical Requirements 208/240V; Hertz 60Hz

20.8 Mortar and Pestle (approximate dimension): 2 nos

Agate Mortar and Pestle Standard Form,

Handcrafted from the finest agate stone with shining,

Polished grinding surfaces,

The mortar is octagonal and the pestle is cylindrical.

Translucent chalcedony with hardness 6-7 (Moh's scale),

Outer Diameter = 192 mm,

Inner Diameter = 160 mm,

Capacity/volume = 250 ml

20.9 Reference Standard and Materials for Geological Applications:

International Certified set of reference standards materials covering total range of elements for analyzing all geological samples each approximately 25 to 100 grams of powder from various highly reputed International Organizations.

Lists of reference standards powder for rock samples from United States Geological Survey (USGS):

AGV-2 (Andesite); BCR-2 (Basalt); BHVO-2 (Basalt); BIR-1a (Basalt);

CLB-1 (Coal); COQ01 (Carbonatite); DNC-1a (Dolerite);

DGPM-1 (Disseminated Gold Ore); DTS-2b (Dunite); GSP-2

(Granodiorite); NOD-A-1 (Mn-nodule); NOD-P-1 (Mn-nodule); QLO-1

(Quartz Latite); RGM-2 (Rhyolite); SBC-1 (Shale); SCo-2 (Shale); SDC-1

(Mica Schist);

SGR-1b (Oil Shale); STM-2 (syenite); W-2a (Diabase);

G-3 (Granite); MAPS-4 (Synthetic Ca-Phosphate)

Lists of reference standards powder for rock samples from Geological Survey of Japan (GSJ – AIST):

➤ Igneous rock: JA-1, JA-1a, JA-2, JA-3, JB-1, JB-1a, JB-1b, JB-2, JB-2a, JB-3, JB-3a, JF-1, JF-2, JG-1, JG-1a, JG-2, JG-3, JGb-1, JGb-2, JH-1, JP-1, JR-1, JR-2, JR-3, JSy-1

➤ Sedimentary rock, Sediments: JLS-1, JDo-1, JSl-1, JSl-2, JCh-1, JLk-1, JSd-1, JSd-2, JSd-3, JSd-4, JMS-1, JMS-2, JcP-1, JcT-1)

➤ Soil, Coal fly ash: JSO-1, JCFA-1

➤ Ore samples: JMn-1, JZn-1, JCu-1

Reference sample set (~5 glass samples) for calibration maintenance to be quoted.

Mineral Analysis: Minerals (ilmenite, rutile, zircon etc) are analysed by standard-less method, which is verified and tested against certified mineral standards like SARM 59 (Ilmenite), SARM 61(rutile) and SARM 62 (zircon)

Blank specimens for determining background and tube line overlap factors,

- Interference standards for spectral overlap factors
- MAC standards for determining Mass Absorption Co-efficient,
- Elements covered with the setup specimens include Be (atomic no 4) to U (atomic no 92) with Sc, Ti, V, Cr, Mn, Fe, Co, Ni, Cu, Zn, Ga, Ge, As, Se, Br, Rb, Sr, Y, Zr, Nb, Mo, Ag, Cd, Sn, Sb, Te, I, Cs, Ba, Hf, Ta, W, Tl, Pb, Bi, La, Ce, Nd, Sm, Yb, Th, U,
- Including pure Si disk and set for Pro-trace contains Ausmon geological monitor.
- Concentration standards for calibration

Instrument calibration and standard sample analysis carried out at manufacture's site, with the analysed sample, should be shipped along with the instrument. On installation the same result to be reproduced by the installation/ service team at our site.

21.0 MANUALS

- 21.1 Operation and complete service manuals with detailed circuit diagrams, trouble shooting, etc., should be provided with full documentation in the form of manuals & CD-ROM.
- 21.2 Detailed electrical specifications should be mentioned in the offer.

22.0 PRE INSTALLATION

- 22.1 Pre-installation details (manuals etc.) with full instruction to be provided immediately after the finalization of the offer. This is to be confirmed in the offer.
- 22.2 Before installation of the probe, the site would be tested and certified by the supplier in respect of stray magnetic field, ground vibration, and quality of air (humidity), water and electricity. Pre-installation details (manuals etc.) with full instruction to be provided immediately after the finalization of the offer. This is to be confirmed in the offer. The XRF instrument system should be compatible with 230 volts AC. All legal issues will be dealt with under the Indian Penal Code.

23.0 INSTALLATION AND TRAINING

- 23.1 Training at works for at least two scientists, for not less than two weeks, free of cost, including transit, boarding, lodging, local conveyance, visit to some of your installations, permits, etc. There is no extra cost for Installation and commissioning of the equipment at our site. The equipment shall be calibrated to the International Standards.

- 23.2 Training on operation, calibration and analysis to minimum four persons are to be provided at our site on free of cost. This training will be for at least ten working days.
- 23.3 After successful installation of the system and its peripherals, selected scientific and technical personnel should be provided with an all inclusive in-depth training on the operation, maintenance and application of the system by factory engineer(s) at the site or at the factory for a week or to our satisfaction (whichever is later).
- 23.4 The supplier will have to provide a high skilled and experienced full time operator to run the system for a period of 5-years from the date of installation of the system in the BHU. The amount for the 5 years operator service might be paid on year to year basis; however, the same will be included in cost comparison. The operator will work as an employee of the vendor and institute shall have no responsibility for his/her service liabilities.
- 23.5 Demonstrations for the claimed technical capabilities in the presence of our nominated expert should be arranged, if necessary. Instrument with proven superior technical capabilities will be preferred.

24.0 SAFETY & PROTECTION

- 24.1 The system should confirm to Indian and International safety standards and regulations pertaining to X-Ray Radiation, electrical and mechanical hazards. Vendor should provide certificate stating the radiation dosage for the quoted model. This should be below 1 micro Sievert / hour at a distance of 10 cms from the instrument at full load with heavier radiation like Ag or Mo.
- 24.2 All kinds of safety protection for radiation control should be built in as per International regulation norms/standards. All these norms should be clearly specified in the offer.
- 24.3 X-Ray should be ON during the actual experiment only. It should have safety interlock system both to protect from radiation and mechanical failure.
- 24.4 The system should have a floor-standing cabinet with fully safety interlocked doors for normal access at the front. This cabinet should have stringent safety requirements with respect to contamination of X-Rays and Radiation safety ensuring the negligible radiation outside the cabinet. The cabinet should have safety requirement as per international radiation and should have auto X-ray off upon accidental opening of cabinet doors during the run.
- 24.5 The system should have an integrated shutter control and be capable of monitoring and controlling all spectrometer functions such as angle, counts, slits, generator safety, etc.
- 24.6 Surge Protector is to be quoted and supplied with the instrument. Flawless safety mechanism against over-voltage, over-power, over-

current, over load, abnormal input mains voltage or temperature also incorporated.

- 24.7 Automatic switch off X-rays in case of cooling water temperature rises beyond a certain limit or its flow rate drops beyond a certain limit.

25.0 OTHER REQUIREMENTS

- 25.1 The supplier should provide list of users of particular system of WD-XRF in India includes name, address and telephone numbers of the users.
- 25.2 All the point wise compliance statement/technical specification should be provided directly by the manufacturer through their printed brochure only in English.
- 25.3 Power supply 230V, 50 Hz single/three phase to be specified.
- 25.4 Mechanical dimensions and weight of the XRF to be specified.
- 25.5 Environmental temperature range and humidity to be specified.
- 25.6 Temperature stabilization system with temperature stability $\pm 0.05^{\circ}\text{C}$.
- 25.7 All kinds of safety protection for radiation, electrical, electronics, EMI should be inbuilt as per international norms; standards to which the instrument confirms to be specified.
- 25.8 Detail electrical specification should be mentioned in the offer.
- 25.9 The supplied must have a proven track record in XRF systems in the field of geology, earth and ocean sciences. A complete list of buyers of the same/similar model for past five years in India should be provided. Demonstration of all functionality as quoted in the Technical Bid in any of laboratory in India where the equipment has been installed.
- 25.10 A complete pre-installation requisite in terms of space and other infrastructure should be specified in the technical bid.
- 25.11 Warranty for the X-ray tube, instrument, chiller, computer and printer should be provided. This warranty will include the free of cost/all expenses paid delivery of any / all spare parts as may be required for trouble free operation of the equipment as well as without any charges related to site visits of Indian representative and/or the foreign principal's experts for such maintenance jobs during the warranty period.
- 25.12 Dealership/Authorization certificate from the manufacturer must be attached.
- 25.13 Technical bid should include results of test runs for precision and accuracy of (i) beam control and stability; (ii) stage movement, etc. Financial bid will be opened only if technical specifications are met and the capabilities are demonstrated, if required.
- 25.14 **If any other items/features not covered in the above specifications and are likely to be required must be quoted along with the supporting literature.**

Terms and Condition

1. The rate should be quoted either by the Indian Agent on behalf of the foreign principal or the foreign principal directly, but not both. Further, in cases where an agent participates in a tender on behalf of one manufacturer, he should not quote on behalf of another manufacturer for the same item.

2. If required, the bidder may be asked and should be willing to arrange demonstration of the equipment offered, free of charge at on a mutually agreeable place and date prior to opening of price bids to ascertain their conformity with tendered specifications.
3. Discount/rebate allowed to Academic Institution/scientific research organization may be mentioned indicating the rate of discount. The rate quoted should be valid for a period of ONE YEAR from the date of opening tender.
4. Manufacturer's name, i.e. Make, Model, price etc. should be clearly mentioned. If imported, the name, address of authorized Indian agent should be mentioned. Each firm should provide original Brochure for the equipment of the manufacturer with detailed specifications. Other features should be on letter head of the manufacturer, not from distributor.
5. To make the equipment operational, does it need additional accessories? If so, please indicate the list of accessories whether it is included in cost of equipment.
6. The number and quantity entered in the schedule is the probable number of quantity, which are required to be supplied. Notwithstanding the estimate of probable numbers, the BHU has the right to order or not to order any number of any such articles at all.
7. Willingness to execute all orders which are placed to meet emergency requirement on priority basis. The Bidder shall note that standards for workmanship, material and equipment, and references to brand names designated by the Purchaser in the schedule of requirements are intended to be descriptive only and not restrictive. The Bidder may substitute alternative standards, brand names and/or catalogue numbers in his bid, provided that it demonstrates to the Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.
8. The duration of warranty period will start after, proper installation of the equipment and submitting users satisfactory report. When the equipment is under warranty/comprehensive maintenance, it would be the responsibility of the manufacturer/dealer/agent to procure spare parts and the BHU will not incur any expense on duty, octroi or handing charges.
9. Repeated Problem: if during the warranty period any system as a whole or any sub system has any failure on two or more occasions in a period of 3 months it shall be replaced by equivalent new equipment or any alternative steps are to be taken which would serve the purpose to BHU.
10. Non-comprehensive annual maintenance from 6th to 10th years at maximum 3% of the cost of the equipment.
11. Provide 2(two) preventive maintenance visits per year and also breakdown visits as and when required.
12. Consignment should be securely and properly packed to withstand transportation. Supplier is fully responsible until the delivery of consignment to BHU, against any loss/damage/leakage/ breakage/shrinkage/perishability etc. If necessary supplier should insure the consignment.
13. Submit Performance bank guarantee of 10% of the FOB value of the order which will be retained by the University till the end of warranty period.
14. The maximum response time should also be 48 hours.
15. Should provide onsite training to the users as and when required.

16. Space, electrical load, power point etc., needed for the equipment may also be indicated.
17. Bidder should furnish Copy of product manual/catalogue of product etc with the technical bid. The detailed circuit diagram (if applicable) along with trouble shooting procedure and operational manual would be provided to the BHU along with the equipment
18. Bidder should provide Full Addresses & contact numbers of Service Centres. Details of service support facilities that would be provided after the warranty period should be submitted.

Part-3

Contract

Section VII. General Conditions of Contract

Table of Clauses

1.	Definitions	56
2.	Contract Documents	57
3.	Corrupt and Fraudulent Practices	57
4.	Interpretation	57
5.	Language.....	58

Section VII. General Conditions of Contract

1 Definitions

1.1 The following words and expressions shall have the meanings hereby assigned to them:

- (a) “University” means Banaras Hindu University established under Banaras Hindu University Act 1915 .
- (b) “Contract” means the Contract Agreement entered into between the Purchaser and the Supplier, together with the Contract Documents referred to therein, including all attachments, appendices, and all documents incorporated by reference therein.
- (c) “Contract Documents” means the documents listed in the Contract Agreement, including any amendments thereto.
- (d) “Contract Price” means the price payable to the Supplier as specified in the Contract Agreement, subject to such additions and adjustments thereto or deductions therefrom, as may be made pursuant to the Contract.
- (e) “Day” means calendar day.
- (f) “Completion” means the fulfillment of the Related Services by the Supplier in accordance with the terms and conditions set forth in the Contract.
- (g) “GCC” means the General Conditions of Contract.
- (h) “Goods” means all of the commodities, raw material, machinery and equipment, and/or other materials that the Supplier is required to supply to the Purchaser under the Contract.
- (i) “The Project Site,” term where applicable, means the place of work named in the Special Conditions of Contract (SCC).
- (j) “Purchaser” means Banaras Hindu University, institute, faculty, department and other entities of the University competent for purchasing Goods and Services, as specified in the SCC.
- (k) “Related Services” means the services incidental to the supply of the goods, such as insurance, installation, training and initial maintenance and other such obligations of the Supplier under the Contract.
- (l) “SCC” means the Special Conditions of Contract.
- (m) “Subcontractor” means any person, private or government entity, or a combination of the above, to whom any part of the Goods to be supplied or execution

of any part of the Related Services is subcontracted by the Supplier.

- (n) "Supplier" means the person, private or government entity, or a combination of the above, whose bid to perform the Contract has been accepted by the Purchaser and is named as such in the Contract Agreement.
- (o) "The Project Site," where applicable, means the place named in the SCC.

- 2 Contract Documents**
 - 2.1 Subject to the order of precedence set forth in the Contract Agreement, all documents forming the Contract (and all parts thereof) are intended to be correlative, complementary, and mutually explanatory. The Contract Agreement shall be read as a whole.

- 3 Corrupt and Fraudulent Practices**
 - 3.1 The University requires compliance with its policy against the corrupt and fraudulent practices as set forth Section- V.
 - 3.2 The Purchaser requires the Supplier to disclose any commissions or fees that may have been paid or are to be paid to agents or any other party with respect to the bidding process or execution of the Contract. The information disclosed must include the name and address of the agent or other party, the amount and currency, and the purpose of the commission, gratuity or fee.

- 4 Interpretation**
 - 4.1 Unless the context requires otherwise, singular means plural and vice versa.
 - 4.2 The Contract constitutes the entire agreement between the Purchaser and the Supplier and supersedes all communications, negotiations and agreements (whether written or oral) of the parties with respect thereto made prior to the date of Contract.
 - 4.3 Amendment
No amendment or other variation of the Contract shall be valid unless it is reduced to writing, dated, expressly refers to the Contract, and is signed by the duly authorized representative of each party thereto.
 - 4.4 Nonwaiver
 - a. Subject to GCC Sub-Clause 4.5(b) below, no relaxation, forbearance, delay, or indulgence by either party in enforcing any of the terms and conditions of the Contract or the granting of time by either party to the other shall prejudice, affect, or restrict the rights of that party under

the Contract, neither shall any waiver by either party of any breach of Contract operate as waiver of any subsequent or continuing breach of Contract.

- b. Any waiver of a party's rights, powers, or remedies under the Contract must be in writing, dated, and signed by an authorized representative of the party granting such waiver, and must specify the right and the extent to which it is being waived.

4.5 Severability

If any provision or condition of the Contract is prohibited or rendered invalid or unenforceable, such prohibition, invalidity or unenforceability shall not affect the validity or enforceability of any other provisions and conditions of the Contract.

5 Language

5.1 The Contract as well as all correspondence and documents relating to the Contract exchanged by the Supplier and the Purchaser, shall be written in the language specified in the SCC. Supporting documents and printed literature that are part of the Contract may be in any language provided they are accompanied by an accurate translation of the relevant passages in the language specified, in which case, for purposes of interpretation of the Contract, such translation shall govern.

5.2 The Supplier shall bear all costs of translation to the governing language and all risks of the accuracy of such translation, for documents provided by the Supplier.

6 Joint Venture, Consortium or Association

6.1 If the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfilment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

7 Eligibility

7.1 The Bidder should not have been declared insolvent by the competent court.

7.2 The Bidder should not be disqualified for contract under the law of the land.

7.3 The Bidder should not be adjudged defaulter of Tax Payment under Income Tax Law or any other Law for the time being in-force.

- 7.4 The Supplier and its Subcontractors shall have the nationality of an eligible country. A Supplier or Subcontractor shall be deemed to have the nationality of a country if it is a citizen or constituted, incorporated, or registered, and operates in conformity with the provisions of the laws of that country. Nationality must be disclosed by the supplier
- 7.5 All Goods and Related Services to be supplied under the Contract shall have their origin in Eligible Countries. For the purpose of this Clause, origin means the country where the goods have been grown, mined, cultivated, produced, manufactured, or processed; or through manufacture, processing, or assembly, another commercially recognized article results that differs substantially in its basic characteristics from its components.
- 8 Notices**
- 8.1 Any notice given by one party to the other pursuant to the Contract shall be in writing to the address specified in the SCC. The term “in writing” means communicated in written form with proof of receipt.
- 8.2 A notice shall be effective when delivered or on the notice’s effective date, whichever is later.
- 9 Governing Law**
- 9.1 The Contract shall be governed by and interpreted in accordance with the laws of India, unless otherwise specified in the SCC.
- 9.2 Throughout the execution of the Contract, the Contractor shall comply with the import of goods and services prohibitions in India when
- (a) as a matter of law or official regulations, India prohibits commercial relations with that country; or
- (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, India prohibits any import of goods from that country or any payments to any country, person, or entity in that country.
- 10 Settlement of Disputes**
- 10.1 The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
- 10.2 If the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to settle the issue by arbitration, as hereinafter provided, as to the matter in dispute, no arbitration in respect of the matter be

commenced unless such notice is given in accordance with this Clause for the final settlement of the matter. Arbitration may be commenced prior to or after delivery of the Goods under the Contract.

10.3 All questions, disputes and differences arising shall be referred by the Vice-Chancellor, Banaras Hindu University to the sole arbitrator for arbitration under the provision of the Arbitrations and Conciliation Act, 1996.

11 Obligations During Arbitrations

11.1 Notwithstanding any reference to arbitration in Clause 10,
(a) the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and
(b) the Purchaser shall pay any amount due to the Supplier.

12 Scope of Supply

12.1 The Goods and Related Services to be supplied shall be as specified in the Schedule of Requirements.

13 Delivery and Documents

13.1 Subject to GCC Sub-Clause 33.1, the Delivery of the Goods and Completion of the Related Services shall be in accordance with the Delivery and Completion Schedule specified in the Schedule of Requirements. The details of shipping and other documents to be furnished by the Supplier are specified in the SCC.

14 Supplier's Responsibilities

14.1 The Supplier shall supply all the Goods and Related Services included in the Scope of Supply in accordance with GCC Clause 12, and the Delivery and Completion Schedule, as per GCC Clause 13.

15 Contract Price

15.1 Prices charged by the Supplier for the Goods supplied and the Related Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid, with the exception of any price adjustments authorized in the SCC.

16 Terms of Payment

16.1 Ordinarily, payments for services rendered or supplies made shall be released only after the services have been rendered or supplies appropriate to the requirement made. However in following cases advance payments may be made if specified in SCC:
(i) Advance payment demanded by firms holding maintenance contracts for servicing of Air-conditioners, computers, other costly equipment, etc.

- (ii) Advance payment demanded by firms against fabrication contracts, turnkey contracts etc.

Such advance payment should not exceed the following limits :-

- (i) Thirty percent of the contract value to private firms;
- (ii) Forty percent of the contract value to a State or central Government agency or a Public Sector Undertaking; or
- (iii) In case of maintenance contract, the amount should not exceed the amount payable for six months under the contract.

16.2 The Supplier's request for payment shall be made to the Purchaser in writing, accompanied by invoices describing, as appropriate, the Goods delivered and Related Services performed, and by the documents submitted pursuant to GCC Clause 13 and upon fulfilment of all other obligations stipulated in the Contract.

16.3 Payments shall be made promptly by the Purchaser, within ninety (90) days after submission of an invoice or request for payment by the Supplier, and after the Purchaser has accepted it.

16.4 The currencies in which payment shall be made to the supplier under this contract shall be Indian currency unless otherwise agreed.

17 Taxes and Duties

17.1 For goods manufactured outside India, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside India.

17.2 For goods Manufactured within India, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Purchaser.

17.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in India, the Purchaser shall use its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent or country or origin, the supplier shall provide benefit from any such tax saving to the purchaser.

18 Performance Security

18.1 If required as specified in the SCC, the Supplier shall, within twenty-one (21) days of the notification of contract award, provide a performance security for the performance of the Contract in the amount specified in the SCC.

18.2 The proceeds of the Performance Security shall be payable to the Purchaser as compensation for any loss resulting from the

Supplier's failure to complete its obligations under the Contract.

- 18.3 As specified in the SCC, the Performance Security, if required, shall be denominated in the currency(ies) of the Contract or in a freely convertible currency acceptable to the Purchaser; and shall be in one of the format stipulated by the Purchaser in the SCC, or in another format acceptable to the Purchaser.
- 18.4 Performance security should remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the supplier including warranty obligation.
- 18.5 Bid security shall be refunded to the successful bidder within 30 days of receipt of performance security.

19 Copyright

- 19.1 The copyright in all drawings, documents, and other materials containing data and information furnished to the Purchaser by the Supplier herein shall remain vested in the Supplier, or, if they are furnished to the Purchaser directly or through the Supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party.

20 Confidential Information

- 20.1 The Purchaser and the Supplier shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the above, the Supplier may furnish to its Subcontractor such documents, data, and other information it receives from the Purchaser to the extent required for the Subcontractor to perform its work under the Contract, in which event the Supplier shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the Supplier under GCC Clause 20.
- 20.2 The Purchaser shall not use such documents, data, and other information received from the Supplier for any purposes unrelated to the contract. Similarly, the Supplier shall not use such documents, data, and other information received from the Purchaser for any purpose other than the performance of the Contract.
- 20.3 The obligation of a party under GCC Sub-Clauses 20.1 and 20.2 above, however, shall not apply to information that:
 - a. now or hereafter enters the public domain through no

temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

23.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC, and in any other instructions ordered by the Purchaser.

24 Insurance

24.1 Unless otherwise specified in the SCC, the Goods supplied under the Contract shall be fully insured—in a freely convertible currency from an eligible country—against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterms or in the manner specified in the SCC.

25 Transportation and Incidental Services

25.1 The Supplier is required under the Contract to transport the Goods to a specified place of final destination within India, defined as the Project Site, transport to such place of destination in India, including insurance and storage, as shall be specified in the Contract, shall be arranged by the Supplier, and related costs shall be included in the Contract Price"; or any other agreed upon trade terms (specify the respective responsibilities of the Purchaser and the Supplier)

25.2 The Supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:

- (a) performance or supervision of on-site assembly and/or start up of the supplied Goods;
- (b) furnishing of tools required for assembly and/or maintenance of the supplied Goods;
- (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods;
- (d) performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and
- (e) training of the Purchaser's personnel, at the Supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied Goods.

25.3 Prices charged by the Supplier for incidental services, if not

included in the Contract Price for the Goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services otherwise shall be at the cost of suppliers.

26 Inspections and Tests

- 26.1 The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and/or inspections of the Goods and Related Services as are specified in the SCC.
- 26.2 The inspections and tests may be conducted on the premises of the Supplier or its Subcontractor, at point of delivery, and/or at the Goods' final destination, or in another place in India as specified in the SCC. Subject to GCC Sub-Clause 26.3, if conducted on the premises of the Supplier or its Subcontractor, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Purchaser.
- 26.3 The Purchaser or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 26.2, provided that the Purchaser bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses.
- 26.4 Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and/or inspection.
- 26.5 The Purchaser may require the Supplier to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Goods comply with the technical specifications codes and standards under the Contract, provided that the Supplier's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Supplier's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.
- 26.6 The Supplier shall provide the Purchaser with a report of the results of any such test and/or inspection.
- 26.7 The Purchaser may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Supplier, if permitted by the purchaser, shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the

specifications at no cost to the Purchaser, and shall repeat the test and/or inspection, at no cost to the Purchaser, upon giving a notice pursuant to GCC Sub-Clause 26.4.

26.8 The Supplier agrees that neither the execution of a test and/or inspection of the Goods or any part thereof, nor the attendance by the Purchaser or its representative, nor the issue of any report pursuant to GCC Sub-Clause 26.6, shall absolve the Supplier from any warranties or other obligations under the Contract.

27 Liquidated Damages

27.1 Except as provided under GCC Clause 32, if the Supplier fails to deliver any or all of the Goods by the Date(s) of delivery or perform the Related Services within the period specified in the Contract, the Purchaser may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those SCC. Once the maximum is reached, the Purchaser may terminate the Contract pursuant to GCC Clause 33.

28 Warranty

28.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.

28.2 Subject to Sub-Clause 22.1(b) of GCC, the Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.

28.3 Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or warranty period mentioned by supplier whichever period concludes later unless mutually agreed.

28.4 The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.

28.5 Upon receipt of such notice, the Supplier shall, within the period specified in the SCC, expeditiously repair or replace

the defective Goods or parts thereof, at no cost to the Purchaser.

28.6 If having been notified, the Supplier fails to remedy the defect within the period specified in the SCC; the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

29 Patent Indemnity

29.1 The Supplier shall, subject to the Purchaser's compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered.

29.2 If any proceedings are brought or any claim is made against the Purchaser arising out of the matters referred to in GCC Sub-Clause 29.1, the Purchaser shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Purchaser's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.

29.3 The Purchaser shall, at the Supplier's request, afford all available assistance to the Supplier in conducting such proceedings or claim, and shall be reimbursed by the Supplier for all reasonable expenses incurred in so doing.

30 Force Majeure

30.1 For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

30.2 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably possible, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

30.3 The Supplier shall not be liable for forfeiture of its

Performance Security, liquidated damages, or termination for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

31 Change Orders and Contract Amendments

- 31.1 The Purchaser may at any time order the Supplier through notice in accordance GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following:
- (a) drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
 - (b) the method of shipment or packing;
 - (c) the place of delivery; and
 - (d) the Related Services to be provided by the Supplier.
- 31.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Supplier's receipt of the Purchaser's change order.
- 31.3 Prices to be charged by the Supplier for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.
- 31.4 Subject to the above, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

32 Extensions of Time

- 32.1 If at any time during performance of the Contract, the Supplier or its subcontractors should encounter conditions impeding timely delivery of the Goods or completion of Related Services pursuant to GCC Clause 13, the Supplier shall promptly notify the Purchaser in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.
- 32.2 Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the Supplier in the performance of its

Delivery and Completion obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 26, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.

33 Termination

33.1 Termination for Default

- (a) The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate the Contract in whole or in part:
 - (i) if the Supplier fails to deliver any or all of the Goods within the period specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 32;
 - (ii) if the Supplier fails to perform any other obligation under the Contract; or
 - (iii) if the Supplier, in the judgment of the Purchaser has engaged in fraud and corruption, as defined in GCC Clause 3, in competing for or in executing the Contract.
- (b) In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 33.1(a), the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Supplier shall be liable to the Purchaser for any additional costs for such similar Goods or Related Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

33.2 Termination for Insolvency.

- (a) The Purchaser may at any time terminate the Contract by giving notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Purchaser.

33.3 Termination for Convenience.

- (a) The Purchaser, by notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date

upon which such termination becomes effective.

- (b) The Goods that are complete and ready for shipment within twenty-eight (28) days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:
 - (i) to have any portion completed and delivered at the Contract terms and prices; and/or
 - (ii) to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Related Services and for materials and parts previously procured by the Supplier.

34 Assignment

- 34.1 Neither the Purchaser nor the Supplier shall assign, in whole or in part, their obligations under this Contract, except with prior written consent of the other party.

	<p>(iii) Manufacturer’s or Supplier’s Warranty Certificate, (iv) Inspection Certificate issued by nominated inspection agency, (v) Supplier’s factory shipping details etc.</p> <p>The above documents shall be received by the Purchaser before arrival of the Goods and, if not received, the Supplier will be responsible for any consequent expenses.</p>
GCC 15.1	The prices charged for the Goods supplied and the related Services performed shall not be adjustable.
GCC 16.1	<p>GCC 16.1—The method and conditions of payment to be made to the Supplier under this Contract shall be as follows:</p> <p>Payment for Goods supplied from abroad:</p> <p>Payment of foreign currency portion shall be made in Indian Rupees in the following manner:</p> <p>(i) On Shipment: Ninety (90%) percent of the Contract Price of the Goods shipped shall be paid through irrevocable confirmed letter of credit opened in favor of the Supplier in a bank in its country, upon receiving equipment in good condition and documents specified in GCC Clause 13.1 under Section-VII.</p> <p>(ii) On Acceptance: Remaining (10%) percent of the Contract Price of Equipment received shall be paid within thirty (30) days of receipt of the equipment upon submission of claim supported by the acceptance certificate issued by the Purchaser by bank draft/wire transfer.</p> <p>Payment of local currency portion shall be made in Indian Rupees within thirty (30) days of presentation of claim supported by a certificate from the Purchaser declaring that the Goods have been delivered and that all other contracted Services have been performed.</p> <p>Payment for Goods and Services supplied from within India:</p> <p>Payment for Goods and Services supplied from within India shall be made in Indian Rupees, as follows:</p> <p>(i) On Delivery & Acceptance: Hundred (100%) percent of the Contract Price shall be paid on receipt of the Goods in good conditions and acceptance certificate for satisfactory installation and functioning.</p>
GCC 18.1	A Performance Security shall be required @ 10% of contract price.
GCC 18.3	<p>If required, the Performance Security shall be in the form of : Bank Guarantee</p> <p>If required, the Performance security shall be denominated in Indian Rupees.</p>

GCC 23.2	The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract.
GCC 24.1	The insurance coverage shall be as specified in the Incoterms . If not in accordance with Incoterms , insurance shall be as follows: NA
GCC 25.1	Responsibility for transportation of the Goods shall be as specified in the Incoterms . If not in accordance with Incoterms , responsibility for transportations shall be as follows: NA
GCC 25.2	Incidental services to be provided are: Selected services covered under GCC Clause 25.2 and/or other should be specified with the desired features. The price quoted in the bid price or agreed with the selected Supplier shall be included in the Contract Price.
GCC 26.1	The inspections and tests shall be: Equipment should be installed at site by designated engineer of the firm. Demonstration should be made to the satisfaction of the P.I. At least four free visits should be made by the engineer during the first year after installation to clarify and rectify any doubts or problems as may be faced by the user.
GCC 26.2	The Inspections and tests shall be conducted at the Department where the equipment is installed. For the rest please refer to GCC 26.1.
GCC 27.1	The liquidated damage shall be: 1% per week
GCC 27.1	The maximum amount of liquidated damages shall be: 10%
GCC 28.3	The period of validity of the Warranty shall be 10 years from date of acceptance/ satisfactory installation of the equipment. For purposes of the Warranty, the place(s) of final destination(s) shall be the Department where the equipment is installed. The Supplier shall, in addition, comply with the performance and/or consumption guarantees specified under the Contract (if any). If, for reasons attributable to the Supplier, these guarantees are not attained in whole or in part, the Supplier shall, at its discretion, either: (a) make such changes, modifications, and/or additions to the Goods or any part thereof as may be necessary in order to attain the contractual guarantees specified in the Contract at its own cost and

	<p>expense and to carry out further performance tests in accordance with SCC 4, or</p> <p>(b) pay liquidated damages to the Purchaser with respect to the failure to meet the contractual guarantees. The rate of these liquidated damages shall be 1% per week of actual value of the equipment (maximum 10%).</p>
GCC 28.5	The period for repair or replacement shall be: 60 days

Contract Agreement

[The successful Bidder shall fill in this form in accordance with the instructions indicated]

THIS AGREEMENT made

the *[insert: number]* day of *[insert: month], [insert: year]*.

BETWEEN

- (1) *[insert complete name of Purchaser], a [insert description of type of legal entity, for example, an agency of the Ministry of ... of the Government of { insert name of Country of Purchaser }, or corporation incorporated under the laws of { insert name of Country of Purchaser }]* and having its principal place of business at *[insert address of Purchaser]* (hereinafter called “the Purchaser”), of the one part, and
- (2) *[insert name of Supplier], a corporation incorporated under the laws of [insert: country of Supplier] and having its principal place of business at [insert: address of Supplier]* (hereinafter called “the Supplier”), of the other part :

WHEREAS the Purchaser invited bids for certain Goods and ancillary services, viz., *[insert brief description of Goods and Services]* and has accepted a Bid by the Supplier for the supply of those Goods and Services

The Purchaser and the Supplier agree as follows:

1. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the Contract documents referred to.
2. The following documents shall be deemed to form and be read and construed as part of this Agreement. This Agreement shall prevail over all other contract documents.
 - (a) the Letter of Acceptance
 - (b) the Tender Forms
 - (c) the Addenda Nos. _____ (if any)
 - (d) Special Conditions of Contract
 - (e) General Conditions of Contract
 - (f) the Specification (including Schedule of Requirements and Technical Specifications)
 - (g) the completed Schedules (including Price Schedules(BOQ))
 - (h) any other document listed in GCC as forming part of the Contract

3. In consideration of the payments to be made by the Purchaser to the Supplier as specified in this Agreement, the Supplier hereby covenants with the Purchaser to provide the Goods and Services and to remedy defects therein in conformity in all respects with the provisions of the Contract.
4. The Purchaser hereby covenants to pay the Supplier in consideration of the provision of the Goods and Services and the remedying of defects therein, the Contract Price or such other sum as may become payable under the provisions of the Contract at the times and in the manner prescribed by the Contract.

IN WITNESS whereof the parties hereto have caused this Agreement to be executed in accordance with the laws of *[insert the name of the Contract governing law country]* on the day, month and year indicated above.

For and on behalf of the Purchaser

Signed: *[insert signature]*

Performance Security

Option 1: (Bank Guarantee)

[The bank, as requested by the successful Bidder, shall fill in this form in accordance with the instructions indicated]

[Guarantor letterhead or SWIFT identifier code]

Beneficiary: *[insert name and Address of Purchaser]*

Date: *_ [Insert date of issue]*

PERFORMANCE GUARANTEE No.: *[Insert guarantee reference number]*

Guarantor: *[Insert name and address of place of issue, unless indicated in the letterhead]*

We have been informed that *_ [insert name of Supplier, which in the case of a joint venture shall be the name of the joint venture]* (hereinafter called "the Applicant") has entered into Contract No. *[insert reference number of the contract]* dated *[insert date]* with the Beneficiary, for the supply of *_ [insert name of contract and brief description of Goods and related Services]* (hereinafter called "the Contract").

Furthermore, we understand that, according to the conditions of the Contract, a performance guarantee is required.

At the request of the Applicant, we as Guarantor, hereby irrevocably undertake to pay the Beneficiary any sum or sums not exceeding in total an amount of *[insert amount in figures]* (_____) *[insert amount in words]*⁵, such sum being payable in the types and proportions of currencies in which the Contract Price is payable, upon receipt by us of the Beneficiary's complying demand supported by the Beneficiary's statement, whether in the demand itself or in a separate signed document accompanying or identifying the demand, stating that the Applicant is in breach of its obligation(s) under the Contract, without the Beneficiary needing to prove or to show grounds for your demand or the sum specified therein.

This guarantee shall expire, no later than the Day of, 2...⁶, and any demand for payment under it must be received by us at this office indicated above on or before that date.

⁵ The Guarantor shall insert an amount representing the percentage of the Accepted Contract Amount specified in the Letter of Acceptance, and denominated either in the currency(ies) of the Contract or a freely convertible currency acceptable to the Beneficiary.

⁶ Insert the date twenty-eight days after the expected completion date as described in GC Clause 18.4. The Purchaser should note that in the event of an extension of this date for completion of the Contract, the Purchaser would need to request an extension of this guarantee from the Guarantor. Such request must be in writing and must be made prior to the expiration date established in the guarantee. In preparing this guarantee, the Purchaser might consider adding the following text to the form, at the end of the penultimate paragraph: "The Guarantor

This guarantee is subject to the Uniform Rules for Demand Guarantees (URDG) 2010 Revision, ICC Publication No. 758, except that the supporting statement under Article 15(a) is hereby excluded.

[signature(s)]

Note: All italicized text (including footnotes) is for use in preparing this form and shall be deleted from the final product.

agrees to a one-time extension of this guarantee for a period not to exceed [six months][one year], in response to the Beneficiary's written request for such extension, such request to be presented to the Guarantor before the expiry of the guarantee."

Option 2: Performance Bond

By this Bond [*insert name of Principal*] as Principal (hereinafter called “the Supplier”) and [*insert name of Surety*] as Surety (hereinafter called “the Surety”), are held and firmly bound unto [*insert name of Purchaser*] as Obligee (hereinafter called “the Supplier”) in the amount of [*insert amount in words and figures*], for the payment of which sum well and truly to be made in the types and proportions of currencies in which the Contract Price is payable, the Supplier and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS the Contractor has entered into a written Agreement with the Purchaser dated the _____ day of _____, 20 ____, for [*name of contract and brief description of Goods and related Services*] in accordance with the documents, plans, specifications, and amendments thereto, which to the extent herein provided for, are by reference made part hereof and are hereinafter referred to as the Contract.

NOW, THEREFORE, the Condition of this Obligation is such that, if the Supplier shall promptly and faithfully perform the said Contract (including any amendments thereto), then this obligation shall be null and void; otherwise, it shall remain in full force and effect. Whenever the Supplier shall be, and declared by the Purchaser to be, in default under the Contract, the Purchaser having performed the Purchaser’s obligations thereunder, the Surety may promptly remedy the default, or shall promptly:

- (1) complete the Contract in accordance with its terms and conditions; or
- (2) obtain a Bid or bids from qualified Bidders for submission to the Purchaser for completing the Contract in accordance with its terms and conditions, and upon determination by the Purchaser and the Surety of the lowest responsive Bidder, arrange for a Contract between such Bidder and Purchaser and make available as work progresses (even though there should be a default or a succession of defaults under the Contract or Contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the Balance of the Contract Price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term “Balance of the Contract Price,” as used in this paragraph, shall mean the total amount payable by Purchaser to Supplier under the Contract, less the amount properly paid by Purchaser to Contractor;
or
- (3) pay the Purchaser the amount required by Purchaser to complete the Contract in accordance with its terms and conditions up to a total not exceeding the amount of this Bond.

The Surety shall not be liable for a greater sum than the specified penalty of this Bond.

Any suit under this Bond must be instituted before the expiration of one year from the date of the issuing of the Taking-Over Certificate.

No right of action shall accrue on this Bond to or for the use of any person or corporation other than the Purchaser named herein or the heirs, executors, administrators, successors, and assigns of the Purchaser.

In testimony whereof, the Supplier has hereunto set his hand and affixed his seal, and the Surety has caused these presents to be sealed with his corporate seal duly attested by the signature of his legal representative, this _____ day of _____ 20____.

Advance Payment Security

[Guarantor letterhead or SWIFT identifier code]

Beneficiary: *[Insert name and Address of Purchaser]*

Date: *[Insert date of issue]*

ADVANCE PAYMENT GUARANTEE No.: *[Insert guarantee reference number]*

Guarantor: *[Insert name and address of place of issue, unless indicated in the letterhead]*

We have been informed that *[insert name of Supplier, which in the case of a joint venture shall be the name of the joint venture]* (hereinafter called "the Applicant") has entered into Contract No. *[insert reference number of the contract]* dated *[insert date]* with the Beneficiary, for the execution of *[insert name of contract and brief description of Goods and related Services]* (hereinafter called "the Contract").

Furthermore, we understand that, according to the conditions of the Contract, an advance payment in the sum *[insert amount in figures]* () *[insert amount in words]* is to be made against an advance payment guarantee.

At the request of the Applicant, we as Guarantor, hereby irrevocably undertake to pay the Beneficiary any sum or sums not exceeding in total an amount of *[insert amount in figures]* (_____) *[insert amount in words]*¹ upon receipt by us of the Beneficiary's complying demand supported by the Beneficiary's statement, whether in the demand itself or in a separate signed document accompanying or identifying the demand, stating either that the Applicant:

(a) has used the advance payment for purposes other than toward delivery of Goods;

or

(b) has failed to repay the advance payment in accordance with the Contract conditions, specifying the amount which the Applicant has failed to repay.

A demand under this guarantee may be presented as from the presentation to the Guarantor of a certificate from the Beneficiary's bank stating that the advance payment referred to

¹ The Guarantor shall insert an amount representing the amount of the advance payment and denominated either in the currency(ies) of the advance payment as specified in the Contract, or in a freely convertible currency acceptable to the Purchaser.

above has been credited to the Applicant on its account number *[insert number]* at *[insert name and address of Applicant's bank]*.

The maximum amount of this guarantee shall be progressively reduced by the amount of the advance payment repaid by the Applicant as specified in copies of interim statements or payment certificates which shall be presented to us. This guarantee shall expire, at the latest, upon our receipt of a copy of the interim payment certificate indicating that ninety (90) percent of the Accepted Contract Amount, has been certified for payment, or on the *[insert day]* day of *[insert month]*, *[insert year]*, whichever is earlier. Consequently, any demand for payment under this guarantee must be received by us at this office on or before that date.

This guarantee is subject to the Uniform Rules for Demand Guarantees (URDG) 2010 Revision, ICC Publication No.758, except that the supporting statement under Article 15(a) is hereby excluded.
