

Draft for Advertisement of Research Associate (RA) and Junior Research Fellow (JRF) on BHU website

Applications are invited for the post of one RA @ Rs. 36,000 + 20% HRA and one JRF @ Rs. 25,000 + 20% HRA (pre-revised) in a DST sponsored project (P-07/717) entitled "*Development of nano-enhanced next-generation vascular scaffolds with anti-thrombotic potential*" sanctioned for three years. The post is purely temporary and coterminous with the project.

1. Candidate applying for RA position should have submitted Ph.D. thesis or awarded Ph.D. degree in Biochemistry/Biotechnology/Life Science with NET/GATE qualification and also must have at least one research publication in standard refereed journal as listed in Journal Citation Reports (JCR). Candidates with research experience in the area of platelet signaling, thrombus biology and nanotechnology along with relevant publications in these areas in reputed peer reviewed international journals will be preferred. Upper age limit is 35 years (5 years age relaxation for SC/ST/OBC/Female candidates). All things being equal, SC/ST candidate will be preferred as per GOI rules. **Candidate with research experience in the area of project will be preferred.**
2. Candidate applying for JRF position should be M.Sc. in Biochemistry/Biotechnology/Life Science with at least 55% marks and NET/GATE qualification. Upper age limit is 28 years (5 years age relaxation for SC/ST/OBC/Female candidates). **Candidate with research experience in the area of project will be preferred.**

Application on plain paper along with biodata and qualifications supported by attested documents should reach to **Principal Investigator, Department of Biochemistry, Institute of Medical Sciences, Banaras Hindu University, Varanasi-221005, India**, within 21 days of this advertisement. No TA/DA will be paid if called for interview.
