BANARAS HINDU UNIVERSITY DEPARTMENT OF ZOOLOGY VARANASI – 221005

Advertisement

Applications are invited for the post of a Senior Research Fellow with a fellowship of Rs.28,000/- per month + admissible HRA in an ICMR sponsored project (P-14/257) entitled "Effect of polybrominated diphenyl ether (BDE-209) on male reproductive health and possible mechanisms of its action in relation to thyroid homeostasis in mouse model" sanctioned for a duration of three years. The post is purely temporary and co-terminus with the project.

The applicants should have good academic record with M. Sc. (minimum 55% marks) in Zoology or related subjects (NET/GATE qualified), with at least two years research experience. Candidates having working experience with laboratory mice, cell culture, immunohistochemistry, immunofluorescence and flow cytometry etc. will be preferred. Candidates must have a minimum of two original research papers in peer-reviewed journals, with good impact factor. The upper age limit is 32 years which is relaxable up to 5 years for SC/ST/women candidates and 3 years for OBC candidates. All things being equal, SC/ST candidates will be preferred as per GOI rules. The age limit may be relaxed by six months for candidates with better research publications record.

Applications on plain paper with complete bio-data including email id and telephone numbers for communication, attested copies of certificates, mark sheets (class 10 onwards), details of research experience, copies of reprints of publications and a recent passport-size photograph should reach within 21 days of this advertisement to Professor Shio Kumar Singh, Principal Investigator, Department of Zoology, Institute of Science, Banaras Hindu University, Varanasi – 221 005.

No TA/DA will be paid if called for interview.
