

**Department of Geology  
Banaras Hindu University**

Application is invited for the post of a **Multi Tasking Staff (MTS)** with a fixed emolument in a Ministry of Mines sponsored research project entitled "**Mineral chemistry, isotope geochemistry, geochronology, and metallogeny of rare and rare-earth metals present in the alkaline-carbonatite complexes associated to the Narmada-Son rift zone, western India**". The post is purely temporary and co-terminus with the project.

**Emoluments:** Rs. 14,980=00 (fixed; inclusive of all) per month

**Duration:** Nine months; not extendable

**Qualification:** Essential: High School; Desirable: Graduate degree

**Experience:** As the project is for a very small period, a person with experience of working in any Department in the University will be proffered.

Application in a plain paper giving name, corresponding address, mobile number, email address, details of educational qualifications, work experience certificate(s) along with self attested mark sheets and certificates should reach to **Dr. Amiya Kumar Samal, Principal Investigator, Department of Geology, Banaras Hindu University, Varanasi-221005** within 21 days of this advertisement on BHU website.
