Principle Guidelines of the Program

Visiting Professor: Visiting faculty members will be involved in teaching and research activities for a period ranging from two months to a year. The term may be extended based on mutual interest. Those on a one-year appointment may be permitted to submit and manage sponsored projects as PI with the regular faculty members as co-PI.

When appropriate, academics may be designated as Visiting Associate Professor or Visiting Assistant Professor or Visiting Faculty Member.

Scholars-in-Campus: Outstanding academics and scholars from India and abroad can be invited to spend their time in the campus. The hosted scholars may utilize the opportunity to work on manuscripts, develop research ideas or collaborative research proposals with University faculty members, conduct workshops or conferences, or help to develop curricula for new courses and programmes. The duration of her/his visit may range from three weeks to three months.

Sportsman-in-Campus and Artist-in-Campus: Renowned artists/sportsman (National and International award winners) may be invited to engage with students, staff and faculty members. It will provide an opportunity to the University community to advance human creativity within and beyond their discipline, and to connect with new ideas. The duration of her/his visit may range from one week to three months.
